*A self explanatory song. Would be even more awesome with a tune!*

## 0 - Our Song, Our Voice

Our Song, Our Voice 4/1/08

This is a death song  
for you and you and you  
This is a mourning song  
for all that we've been through  
This is a love song  
for what we've always craved  
This is a dark song  
for those of us who've caved

They don't understand  
Anymore  
We're all alone  
We're all we have

This is a hate song  
for all that pent up rage  
This is a revenge song  
for those locked in a cage  
This is a sad song  
for all of us alone  
This is a revealing song  
for all we haven't shown

We are alone  
We are afraid  
Show us the way

Sing my song  
Feel my pain  
It won't be long  
Before we're gone  
So sing my song  
and feel the calm  
calm  
calm  
quiet  
clam  
calm  
calm  
quiet  
calm

calm

calm

This is our song
