**Chapter 1 - So afraid of love**

**2**

## 1 - So afraid of love

So afraid to fall in love... so afraid of disappointment...  
So scared of commitment  
Afraid my heart would once again break  
There's not much more damage my heart can take  
But then you took my hand  
And you made me understand...  
Love's not as horrible as it seems  
Not when you're with the man of your dreams  
You understand me  
And you love me for me, and not what you want me to be  
I love you so much  
Every time we touch  
I need you more than air  
And I hope you'll always care...

I love you more than any thing...  
Because you are my every thing...
