1 - 1

Gaz was beating the living crud out of Dib... again (a happy beginning...).

Dib: Why are you so horrible to me?

Gaz: You aren't very nice to me either (puches in face and breaks his glasses)

Dib: I can't believe you! I WISH YOU WEREN'T MY SISTER!

Gaz: Be careful what you wish for.

Dib: Anybody'd be better than you!

Gaz throws the final punch and goes to bed. Dib crawls into his bed and stares at the ceiling.

Dib: Why did I have to have Gaz for a sister! WHY?!

Dib falls asleep and has a horrible dream about a Gaz attacking him in the night with werewolfs and mummies.

Dib wakes up to his dad's voice.

Professor Membrane: Go wake up your brother daughter.

Dib: Oh great. A morning beating. (pulls covers over head)

A voice: HERE'S JOHNNY! (door is kicked open to reveal a girl with long black hair wearing clothes just like Gaz's)

Dib: Oh my- (Johnny jumps on Dib's bed and he falls off)

Dib looks up at Johnny and notices that she's a little shorter and looks like she's 9.

Johnny: WAKE UP SHORTIE!

Dib: Nooo..... nooooo.....

Johnny: (begins jumping on Dib) WAKE UP! WAKE UP!

Dib: It's all a nightmare...a painful nightmare....

Johnny: No it ain't! Get up!

Dib gets up and is dragged down the stairs by Johnny. Professor Membrane is gone when they get down there. Dib goes to the fridge and is karate chopped in the back.

Johnny: Ladies first.

Johnny grabs the milk and some cereal and crashes onto a chair. Dib ends up eating some fruit. The school bus arrives and Dib goes up to get his backpack and finds it ripped open with his stuff all over the room.

Dib misses the bus and has to walk to school. When he gets there Johnny is laughing with a girl with shoulder length dark brown hair who's swearing a lot.

Johnny turns around and sees him and whispers something to the girl. They start walking towards Dib. The girl knocks him down and sits on his back. Johnny steps on his head so his face is in the dirt.

Johnny: What did my friend Steph tell you about walking on the pavement? If you like it so much kiss it.

Dib ends up kissing the ground and Johnny pulls him up and pushes him into the school. Dib sits in his chair.

Mrs. Bitters: Dib you're late. I want a 5,000 page essay on Metallica.

Dib: Yes Mrs. Bitters...

Dib takes out paper and begins writing his essay, guessing like mad. Mrs. Bitters talks about the world exploding in a freak giant chicken in the future.

The bell rings and Dib gets out of his chair, finally done with his essay. He puts it on Mrs. Bitter's desk and turns around. Zim, Johnny, and Steph are standing there, smiling evilly.

Dib: Heh heh... Let's be reasonable... You don't want to hurt me. (Steph cracks her knuckles)

Steph punches him in the face, Zim kicks him in the stomach and then Johnny throws him against a wall.

Dib staggers to lunch and sits in his usual seat. Johnny, Zim and Steph swarm and sit next to him.

Zim: Hello worm-baby.

Dib: (muttering) Go away.

Steph: NO ONE TELLS ME TO GO AWAY! (she swears and kicks Dib in the stomach)

Johnny dumps her lunch on him. Zim steps on him as they walk away.

Dib: Why me... (he picks up his lunch and eats what didn't fall on the floor)

The bell rings and they're back in class.

Mrs. Bitters: Your report was horrible Dib, You get a super F.

Dib groans and sits down. Zim laughs at him.

Dib: At least this day can't get any worse.

A few hours later the bell rings and Mrs. Bitters yells at them to leave. Dib receives a pumpling from Johnny and Zim.

Dib misses the bus again and walks home. When he gets there Johnny's sitting on the couch watching Drake and Josh.

Dib: Mysterious Mysteries is coming on! I wanna watch it!

Johnny: Too bad, I'm watching Drake and Josh.

Johnny stands up and walks toward Dib.

Johnny: You wanna make something of it? Dad's not home for hours.

Something in Dib snaps and he dives at Johnny. Shocked by the sudden resistance steps back and trips over the couch. She quickly stands up and grabs Dib in midair and throws him against a wall.

Dib crawls up his stairs and goes to bed.

Dib: I wish she wasn't my sister... (falls asleep)

2 - 2

Prof. Membrane: Daughter go wake up your brother.

Dib (with his eyes closed): Be a dream, be a dream, be a dream.

Suddenly he heard: SLEEP WITH ONE EYE OPEN
GRIPPING YOU PILLOW TIGHT
EXIT LIGHT
ENTER NIGHT

He looked over and saw a girl wearing Gaz's clothes and holding a boom box but she didn't look familiar. Her hair was light brown and pulled back into two braids and she had glasses. It took him a few minutes but he realized that this must be a 9-year-old Cat.

Dib: Turn the music off!

Cat: I can't hear you. (turns music up louder)

Dib: FINE I'M GETTING UP! (Cat turns down the music a little and walks out)

He rolls out of bed and walks to the kitchen. Cat is already sitting there eating a giant bowl of cereal. Dib looks into the box and sees that there's no more cereal. He grabs more fruit and eats it distainfully.

The bus arrives and Dib goes upstairs to get his backpack and sees it with the zipper broken off and with "Metallica Rox!" written on it. He sighs and picks it up. The bus has left and he walks to school.

When he gets there he sees Cat standing alone.

Dib (thinking): Maybe I'll actually be able to get to class without getting beat up. There's only her.

Dib tries to walk past her and is picked up by the back of his jacket. He dangles a foot from the ground as Cat carries him like he is a small kitten instead of a human boy.

Dib: What are you going to do to me?

Cat: You'll see.

Cat throws him into a janitor closet and slams the door then braces herself against the other side of the door so he can't get out. He rams the door.

Dib (talking to himself): Why me..... (sits on floor)

The bell rings and Dib rams the door again. This time it opens and Cat is long gone. He walks to class.

Mrs. Bitters: You're late. Sit down and write a 5,000 word essay on Harry Potter.

Dib mutters something and sits down. Zim is laughing at him. Dib glares daggers at him.

Mrs. Bitters: On February 29th, 2006 the world will implode in on itself and only the roaches will survive.

The bellrings for lunch and Dib drops his report on Mrs. Bitters desk. He turns around and sees the door jammed with a chair. He jammed the door and the chair broke. Dib walked to lunch and sat down.

He looked around. He saw Johnny talking to the Steph girl and Powderpoe talking to another girl with purple beads in her hair who was crying. Cat was sitting across from Zim and they appeared to be plotting something.

Cat and Zim stood up and walked toward him. Dib cringed. Cat picked Dib up by his jacket again and Zim started puching him.

Dib (thinking): At least Gaz wouldn't beat me up at skool.

Cat drops him on the floor and she steps on him and goes back to her food. Zim steps on him too and walks back. Dib gets up and sits and eats his food. The bell rings and he goes back to class.

He limps to class and sits down and puts his head on the desk. A few uneventful hours later the bell rings and Dib gets up and walks out. He doesn't see Cat and actuaklly makes in onto the bus. Cat isn't there either. Dib begins to wonder where she is. He wanted to stay as far away as he could.

The bus stops and he walks into his house. Cat's sprawled on the couch watching The Simpsons.

Dib: Mysterious Mysteries is on!

Cat: Yeah, so? You got a problem with The Simpsons?

Dib: I don't want to miss my show again.

Cat: If you can find the remote you can watch it.

Dib looks around and doesn't see the remote anywhere. Cat even gets up and lets him search the sofa. She turns her jeans pocket inside out showing that they're empty.

Dib: The shows are over now will you tell me where it is?

Cat: In your hair.

Dib reaches up and relizes that the remote is in his hair.

Dib: How the heck did you get it there?

Cat shrugs and walks up to go to bed. Dib walks to his room. His room is trashed, stuff everywhere, and his computer is black with permanent marker covering the screen. He finds his laptop duct taped shut.

He collapses on his bed and and hears heavy metal coming from Cat's room. Too tired to notice Dib falls asleep.
