2 - The first time Johnny blows Dib up.

"Your head smells like a puppy!" yells Gir smiling insanely.

"What does that have to do with anything?" Dib asked.

Gir smiled even more insanely, "Are you a potatoe? I like potatoes. Can I eat your head?"

"At least my heads not big presently..." said Dib.

Then gir ate Dib's greasy head.

Johnny poked Gir, "Dib go boom?" she asked.

"Your head smells like a puppy!" Gir replied.

"Man, this is a freaky intro," said Cat, "Anyway welcome to Girassic Park!"

"I like bricks!" cried Gir. He ran into a brick wall that had suddenly appeared. Everyone stared, dumbfounded.

"Well at least it wasn't one of the electric fences..." said Cat.

"WOO! I see a chicken!" yelled Gir.

"NO TOUCHING THE COMPYS!" screamed Cat.

Gir ran... and ran... and ran... after the compys.

"I like waffles!" he shouted.

Everybody ignored him -except Cat who was chasing him- as they stared at the brick wall. Then Cat managed to tackle Gir.

"Aww! You huggin me!" yelled Gir in Cat's ear.

"Can't... resist... Gir... AWSOME!" screamed Cat, and they continued hugging.

Suddenly a loud boom was heard and Dib shot out of Gir -guess where!-. Johnny turned around.

"Dib go boom!" she yelled, and charged toward Dib with a large box of matches and set Dib's hair on fire.

"GAH! WHAT THE BACON CHEESE ARE YOU DOING!" screeched Dib, putting his hair out in a bucket

of water conveniently near him.

"You are aware that's the velociraptor water," said Johnny pointing at the really ticked off velociraptor.

3 - VELOCIRAPTORS GO BOOM!

"Velociraptor go boom!" yelled Johnny, with an even bigger box of dino-matches. She ran after the dinosaurs, laughing maniacally.

"Go my compys! Save your cousins!" yelled Cat, still hugging Gir.

Out of nowhere a ton of compys came and picked up Johnny and brought her back to the group. Then more came and brought back Dib too.

Johnny started clawing the compys for not letting her make things go boom.

"NOOOOO! Suffering... from lack... of boom intake..." she cried.

Suddenly Cat and Gir came and at the same time said, "WE MADE WAFFLES! We like to make waffles!"

"These got peanuts and soap in 'em!" yelled Gir.

"We like peanuts and soap!" Johnny was trying to claw the velociraptors, but Dib was holding her back. Johnny glared at Dib and whipped out the dino-matches. Seconds later Dib's screams were heard as his big head caught fire. Everyone stared while eating waffles.

Then Tak poured water on him.

"I didn't know she was here..." said Johnny.

"I was too lazy to save Dib myself so I finally introed Tak," said Cat, "Now let's go see the apatasauruses."

Johnny hid the matches in Dib's pointy M-shaped hair, and went to see the apatasauruses.

"Time for donuts!" cried Cat and Gir.

"How long are you two going to hug?" asked Zim.

"As long as we feel like it!" said Cat, "Oh yah. You gotta wear these tracking wristbands," throwing them the wristbands mostly hitting their eyes.

"MY EYES! THEY GO BOOM!" shrieked Johnny. She started twitching violently because this was both good and bad.

"MUST MAKE THINGS GO BOOM!" she yelled.

She tried to grab the matches (the DINO matches) from Dib's hair, but it was so heavily gelled, Dib's hair went boom instead.

Everyone stared. Again.

"Now you have a disturbingly bald head," said Zim.

4 - Pretty red stick/I'm gonna blow your butt off

"I hate you so much right now," said Dib.

Then his hair magically grew back.

"What the-," said Johnny, setting Dib's hair on fire again.

It grew back. Then one of the apatosauruses picked up Johnny's matchbox and dropped it in the velociraptor pen.

"My matches!" yelled Johnny, diving into the cage.

"FREEZE!" shouted Johnny as the veloraptors inched closer , " I HAVE A WAFFLE! Now back away from the matches and I'll give you a pretty red stick that says TNT!"

Johnny waved the waffle around and pulled out a stick of dynamite.

Suprisingly the velociraptors backed away, although Johnny was attacked by Gir for the waffle.

"MY DINO-MATCHES!" said Johnny as she hugged the giant box.

"You're pathetic," said Cat who was sitting on Johnny because she was still hugging Gir.

The hugging was starting to scare Dib so he went to the see the velociraptors. He failed to notice the lit dynamite Johnny stuck in his pocket. Johnny smiled and hummed a little boom song. Cat and Gir were singing the Doom song while whacking Zim with their waffles.

Dib was still unaware of the dynamite even with Johnny chanting "I'm gonna blow your butt off! I'm gonna blow your butt off!"

Meanwhile CAAt and Gir continued hugging and whacking Zim with their waffles.

Dib was still unaware of it, until his butt blew him into the sky. Johnny did a happy dance.

en the dust cleared and the shocking figure of Cat and Gir still hugging. Zim hit his face with a waffle. Meanwhile Dib (with his butt attached) crashed down into the brick wall.

Cat and Gir cried at the same time, "BRICKS!" Then ran and hugged the bricks as well.

Meanwhile Johnny had taken 10 sticks of dynamite and stuffed them in Dib's pocket.

"You're doomed!" said Gir and Cat.

"What the-" (blows up)
