This is a sort of short, free-form poem. I am drawing a picture with those words on it, and will be posting under the same title ^^.

1 - Hold You in My Arms

This well of misery runs deeper than you think...

Than you could ever know...

It's so hard sometimes to keep the smile on my face...

To pretend that it's all okay...

But it isn't okay...

It never was...

And never will be...

Unless I can hold you in my arms tonight
