1 - Introduction

Hi-diddly-ho, All of you out there!

This is an (online) book about the ongoing Fanart Central series: Moe's Tavern. It started out as a lame picture, but is now a very long series! This will talk about the series, the episodes, the creators and all.

The chapters will include: each episode of Season 1, Season 2, Season 3, Season 4 and the upcoming season 5, the contest, the references, the movies, the creator and the creators pictures!

We will also have trivia, reviews from other users and even the creators' documentary! Which will include Me for almost every episode, my sister (Tala777) for episode 18, Falconlobo for episode 17 and my very young brother for episode 21.

So we hope you find this book helpful! You can also print out all the pages and staple it and make it a real book! Although the book might never end because of the nonstop series.

2 - Sonic, Mario and Casper at Moe's Tavern

<http://www.fanart-central.net/pic-649096.html>

the very first episode of the series

this was planned to be just 1 picture, then I wanted a sequel, then I kept making these sequels that were NEVER planned!

Errors: Moe was made poorly and doesn't have a neck; Homer's eyes were made poorly; The walls behind Homer's hair aren't colored; Sonic's "skin" isn't colored; the walls behind the words: Chilidog and Coffie aren't colored; Sonic's eyes were made poorly; Sonic has weird hands; Sonic doesn't have a left arm; Mario doesn't have arms; Mario's eyes aren't fully black; The Mug is off the table, the mug is not on the table; the walls behind the mug are made poorly; Mario's skin isn't colored; Mario's mustache was made poorly; The walls on the left of Casper aren't colored; Casper's left eye isn't fully black.

Wall Color: Blue

Reviews: Falconlobo: cute nice colors i like Sonic's expression; i don't watch to much new episodes on Sundays on tv^^ (The Simpsons)

i like Music stations on tv

i like Fosters when it's new or old

and Pizza Cats online episodes most^^

Tala777: Sonic is 15 years old, why the heck is he drinking?

PhantomSpiderpig: Cool :) That's a really cool idea I especially like Homer :)

Score: 0 favorites, and ranked a low 0/4 rating and became a failure

References: The Simpsons, Sonic the Hedgehog, Super Mario Bros. and Casper

And as you can see, I gave Moe some big hair, so I erased it with brown colors, but you can see some of the hair on the table.

3 - Sonic, Mario and Casper at Moe's Tavern 2

Fan of Casper? He last appeared in the Season 3 episode: Mixed Tavern,

and he was a cameo in the Season 4 episode: Random Guys at Moe's. Last Appearance? Nobody knows. Currently he is lost from the series, Although there is a rumor that he might return in Season 5.

The Mario and Sonic was made poorly

Wall Color: Yellow

According to "Time Taken" it says 30 seconds, but it probably took longer

This has one of the best Homers in Season 1

There are lots of color mistakes in the episode

This episode has a minor number of errors, but they are BIG errors.

Wall Color: Velvet

Score: 1 favorite and ranked a very low 0/4 score and became a failure.

Reviews:

flying_Jone: Haha xD
