1 - My pain...

You say I will catch you when you need to be caught.

You say I will protect you when you needed to be protected .

Every time I felt you didn't catch me.

Every time when I needed to be protected you

were not there.

You said I love you& but I don't believe&

you this time&

Just get out of my life& I don t want to see you.

You say you re sorry for not being there.

I wish& I wish I can forgive you.

I was the one to catch you *sobbing*.

I was the one who protected you.

You say every time Why do you bother

with me any ways?

It was because I love you.

Some times I wished I wasn t in love with you.

And times I was glad I loved you.

I always waited for you in the rain.

I wished I never did& Ryou19.

To tell you, every time I draw you were&

my soul to drawing, writing, everything

that& makes me, me.

I wished I never meet you.

At the same time I m glad I meet you.

Goodbye&
