**Chapter 1 - facade**

**2**

# 1 - facade

## Facade

I want to make a difference

Live up to my true name

But pure I'm not

I'm just forgot

I'll never be the same

Why am I going through this?

A pawn in time's great plan?

I think of this

What have I missed?

I just don't understand

These are my real feelings

But no one hears or cares

If I faked a smile

Would you stay awhile?

And get lost in my stare?

Won't someone light the way for me?

**Answer my desperate cries?**

**I'm blinded by**

**Your deep blue eyes**

**Would you leave me there do die?**

**Why must I always disappear?**

**I'm through with this charade**

**My blood I spill**

**You're poised to kill**

**Behind your masquerade**
