**Chapter 1 - our love**

## 1 - our love

### OUR LOVE

no mountain range or river  
can part our growing love.  
This time more than a sliver  
Even they can see from above.  
Clever are they who see  
Our relationship full of bliss  
For my heart you hold the key  
As you give a goodnight kiss.  
All the memories of the years  
And of the recent days  
You've caused me just a few tears  
All this time it's been a haze.  
Of the summer days to come  
Our love has been more than some.
