1 - kagomes sadness

Sadness

please dont go and leave me
i was was there
there through it all
through the changes youve been through
but still you go off
you leave me stunned confused and sad
you leave me by my self to cry myself to sleep
i wish i never layed eyes on you
sadness
sadness is what i call this
i go home saying
why do i go through with this he'll just break my heart again
sadness
i wash up and go in my room
trying to get you out of my head
but i still have you in my head
your the only one
that can fill the empty space inside
sadness
thats what i call emptyness
sadness
why do you go off
thats what i say in my head
i fall asleep dreaming
of what it will be like to have you in my life
happy again
sadness
i see you with me watching over me in the bright sky
sadness
