# 1 - The Happenings

One day, a girl named Raven fell asleep on the couch. The TV was on, and Naruto was on. Then, there was a sucking noise, and Shino popped out of the TV. Then Gaara. Then Neji, Sakura, Ino, Chouji, Shikamaru, Naruto, Sasuke, TenTen, Hinata, Kiba, Kankuro, Temari, and the other genin (If I missed any) popped out and landed on Shino. The yelp that escaped Shino's mouth woke Raven up. She was startled to see them. Naruto got up and ran toward the plasma screen. He hit it and fell backwards.

Hello... who are you? Where are we? Sakura asked. Raven sighed.

My name's Raven, and you're in the year 2006. In North America, Raven said. Shino turned around.

Since you can't go back the way you came, why don't you stay here? No one will care, Raven said, smiling. They all nodded. She walked up stairs and they followed her. She opened a door.

Sakura, Ino, TenTen, Hinata and Temari, in there, please, Raven said. They nodded and walked in. The room was large, with 2 bunk beds and a single bed.

I call top bunk, Sakura and Temari said. The other girls groaned.

I call single, TenTen said. Hinata sat on the bed under Temari, leaving Ino with one option: under Sakura.

Now, Raven was giving the boys their rooms.

Shikamaru, Neji, Chouji, Sasuke and Kiba, I guess, Raven said. The 5 boys walked in. That left only Shino, Naruto, Kankuro and Gaara. She opened another door.

Naruto, Kankuro, Gaara and Rock Lee, she said and they walked in. Shino was alone. I guess you can go in my room. I've got two beds, Raven said. Shino nodded. Then the others came back out of their rooms. She took them into her huge backyard. She took out a black and white ball.

We're going to play soccer. We only KICK. No hands. Unless you're goalie. Ok? Raven said and everyone nodded. They started; Rock Lee, Gaara, Kankuro, Naruto, Sakura, Ino and Chouji on one team, Raven, Shino, Sasuke, Shikamaru, Kiba, Hinata, and TenTen on the other. Temari just thought the whole game was pretty stupid, so she did not play. Everything went fine, until Ino tripped on the ball and Sakura laughed. So Raven had to stop them from killing each other. Then Rock Lee kicked the ball too hard, and Shino, the goalie, was hit in the stomach by the ball. So Lee got a penalty and the other team seriously was losing by 50-3, so Raven put Lee back in 5 minutes after his penalty started. Then 5 minutes after that, and the teams switched goalies, Rock Lee kicked at the ball and missed, kicking Shino between his legs instead. Shino fell over and crawled with his hand between his legs off of the field. After the game, which Raven's team won, Raven talked to Shino about what happened to him. He said it was fine now, but he wouldn't play soccer again until Lee got better at kicking the ball.

So they went in to get something to eat. But Shino just got a cookie. Everyone else got nothing, except Chouji, who got a bag of BBQ chips. So then Raven called her friends over. Sam, Mimi, Jack and Allison. They all got there fast. Sam had brown hair and blue eyes, wore glasses and was tall. And skinny. Jack had blonde hair and brown eyes. He was tall and a regular size. Mimi had blonde hair and blue eyes. She was short and skinny. Allison, though, really caught their attention. She had light brown wavy hair and hazel eyes. She was tall, but not thin, but not fat either. She looked like a super model. When they got there, the guys stared at Allison and the girls stared at Jack.

Ok, we're going shopping. For the Naruto people. You guys need haircuts and new clothes, Raven said, and ran into her room. A few minutes later, she came back down and held a backpack and a shopping bag. She took all their headbands and dumped them in the backpack. She also took Shino's sunglasses. Then she pointed to the shopping bag.

Your jacket in here, Shino, Raven said. Shino reluctantly shoved his jacket into the bag. Raven smiled. Sam, you take Shikamaru, Chouji, Rock Lee, Sasuke and Kiba , she said and Sam nodded. Mimi, you take TenTen, Ino and Hinata, Raven said and Mimi nodded. Jack, take Gaara, Kankuro, and Naruto, Raven said. Jack nodded quickly. And Allison, take Sakura and Temari, Raven said and Allison nodded. I'll take... only one left, Shino... Raven said. The ninjas broke up into the groups Raven said, and walked to their assigned person. Then Raven marched them out the door.

## 2 - Shopping Trip and School

When Raven, her friends and the Naruto people got to the mall, most Naruto people wanted to go everywhere. Raven took Shino to get sneakers first. Sam took Shikamaru, Sasuke, Kiba, Chouji and Rock Lee to get the haircuts everyone was scheduled to get first. Allison and Mimi took all the girls, since they decided they would do everything together, to get clothes. Jack took Gaara, Kankuro and Naruto to get clothes for them, too. So, after the first hour, Shino had a pair of white sneakers, Shikamaru, Sasuke, Kiba, Rock Lee and Chouji had normal haircuts, all the girls had normal clothes, and so did Gaara, Kankuro and Naruto. So, then Jack and his little group went to get sneakers, Mimi and Allison's group went to get sneakers too, Sam's group went to get clothes, and Raven went and got Shino his haircut. Then, after that, Raven took Shino to get new clothes, Mimi and Allison took their group to get haircuts and so did Jack. Sam went and got sneakers. Then they were done, marched them home, and then Raven and her friends flopped onto the couch. But then Raven got up and took Chouji and shoved him, and his new stuff, into the washroom. She came back down.

Everyone is changing. You'll go alphabetically, by first name, Raven said. They groaned, except Sasuke, Sakura and Shino. Shino especially.

I go last, he said. Raven nodded. After Chouji went, it was Gaara, then Ino, then after her, it was Kankuro, then Kiba, then Naruto, then Rock Lee, then Sakura, Sasuke, Shikamaru and Shino. Ino wore a pink T-shirt and jeans. Chouji wore a navy T-shirt and shorts. Shikamaru wore a black muscle shirt and a pair of blue athletic shorts. Sakura wore a yellow tank top and a light blue skirt. Sasuke wore a black T-shirt and black shorts. Naruto wore an orange T-shirt and orange shorts. Hinata wore a green T-shirt and jeans. Kiba wore a brown shirt that said "I like puppies" and blue shorts. Rock Lee wore a green muscle shirt and a pair of green athletic shorts. Temari wore a black sleeveless shirt and dark green cargo pants. Gaara wore a black T-shirt and black jogging pants. Kankuro wore a blue T-shirt and red shorts.

Ok, who didn't change yet? Raven said. Everyone looked at Shino. They all got up and pushed him towards the bathroom. They threw in his stuff.

FINE! Shino yelled at them. Faster than any of them, he came out of the bathroom. He still wore his black T-shirt, but he wore brown shorts.

What? He got to keep his shirt? Kiba complained. Raven frowned.

Yeah. So what if he did? Raven asked him. Kiba shook his head. When they turned around, Shino was gone.

Where'd he go? Raven asked. Everyone shrugged. Raven ran up to her room. Shino was sitting on his bed. Raven sat down beside him.

What's wrong? Raven asked him. Shino looked at her.

I just want to go home, Shino said. Raven looked at him.

Tomorrow is Monday...? Raven said. Shino looked at the ceiling.

So what? Shino said, lying down on the bed. Raven lay down too.

I have to go to school. I was talking to my mom earlier, and she thought you guys would be bored to death here, and you guys might hurt yourselves, like get electrocuted or something, so she said she was going to send me to my school with me, Raven said. Then she smiled.

But there's no way you guys would want to, she added. Shino stared at her. He mumbled something. Raven looked at him questionably.

Hmm? What was that, Shino? Raven asked. Shino blushed.

Oh, um, nothing. Why don't you go ask the others if they want to go to school with you tomorrow? I didn't really want to stay, but I guess in things like this I don't really matter, he said. Raven hopped up and ran out.

Hey, do you want to come to school with me tomorrow? I think it's safer than leaving you all here by yourselves, Raven said. They all nodded. Shino walked up behind her.

Fine. Since everyone else wants to, and not that I count, Shino said. Raven turned around, smiled and hugged him. Shino's face turned bright red. Raven let go.

It's a good thing my mom picked up all the stuff you'll need, Raven said. And no ninja stuff. No one can do those things. So, while you're here, you guys can't either, Raven said.

One more thing. Kiba, Akamaru has to stay here, she added. Kiba stared at her in shock.

THE NEXT DAY...

Raven and the Naruto people walked out the door.

Now, remember. Your names are Simon (Shino), Kody (Kiba), Sakura's name is the same, Ivy (Ino), Chad (Chouji), Kayla (Hinata), Ryan (Shikamaru), Alan (Gaara), Jarred (Kankuro), Jenny (TenTen), Mari (Temari), Lee (Rock Lee), David (Naruto), Jake (Sasuke), and if I missed anyone, your name is Stanley, Raven said. They all nodded. Raven crossed the street and so did everyone else. They got to school. Raven took them to their first class, Social Studies. Naruto fell asleep.

David! the teacher screeched. Naruto woke up. The teacher continued. After that class, they had French. The French teacher started yelling at Shino at the start of class for no reason, and halfway through the class the teacher found bugs on the ceiling. Shino smirked, and all the girls freaked. So did everyone else, but Raven and the Naruto people. After class, Raven slapped Shino.

Hey! Shino said. Raven smirked.

I said no ninja stuff. That means no bugs either, Raven snapped. Shino nodded. They headed off to English. Shino did the best in that class; but someone called him a nerd and hit him in the back of the head with a spitball. So they went to P.E next. Everyone did well, except Shino, who didn't want to do anything. So he was sent to the office for not participating. Then it was lunch. They all sat down and ate. It was good until someone punched Shino in the nose and gave him a bloody nose.

### 3 - Trouble in the Toilet

Then Raven and the Naruto people had Science. No one really understood what the teacher was talking about. Shikamaru fell asleep, and the teacher yelled at him.

Ryan! Pay attention! the teacher, yelled at Shikamaru. He sat up. Then they had math. When they got a math sheet to do, Shino, Rock Lee, Naruto, Gaara, Shikamaru, and Chouji just guessed the answers. So did most of the girls. Actually, everyone just guessed except Temari, who was smart enough to ask the teacher for help and the teacher explained the math to her. So she actually knew what the teacher was talking about afterwards. Then school was over. They went back to Raven s. There was a message on her phone.

Oh, Milli called. I m calling her back, so everyone, shut up, Raven said. Everyone was quiet. After Raven hung up the phone, she smiled.

Ok everyone, my friend Milli is coming over in 5 minutes, she announced. No one moved but Shino, who ran upstairs. In a minute, they all heard a flushing noise (the toilet being flushed) and Shino came back down. Then there was a knock on the door, and Raven opened it.

Milli! Hi! Raven said, and Milli walked in. She had blonde hair and blue eyes. She was wearing a white T-shirt, a blue jacket and silver pants. She smiled.

Raven, why are the Naruto people standing in your house? Milli asked. Raven explained everything to her. Gaara walked over to her and stared at her. Milli smiled.

Hello, Gaara said. Everyone had a blank look on his or her face.

You look cool... I guess, Gaara said. They all went outside again. Once again, they played soccer. Shino didn t want to. Milli wondered why until Raven told her about Lee s kicking accident. Team One was Gaara, Milli, Ino, Kankuro, TenTen, Sakura, Chouji and Naruto. Team 2 was Raven, Rock Lee, Kiba, Hinata, Neji and Shikamaru. This time, Milli s team won. Raven sighed. Gaara high-fived Milli. Shino walked over to Raven.

Will you ever play again? You re pretty good at it, better than Shikamaru, Raven said. Shino nodded. Raven smiled.

Oh yeah, it s like, 5 now, isn t, Milli? Raven asked. Milli nodded. Then the two girls got them inside. Raven pulled out 4 boxes of Kraft Dinner, made it, and spooned it into 16 bowls, handing a bowl to everyone. Raven, Milli, Gaara and Shino were the only ones who waited before starting to eat it. And except for those 4, everyone burnt his or her tongue. Milli was sitting next to Gaara. After they were done, and Raven, Milli, Gaara and Shino were done first, Shino had to, use the bathroom, so he ran upstairs again. Raven sighed. Then she realized that she had to use the bathroom too, so she went running up the stairs. They heard her yelling. And some groans from the bathroom.

Dang it, Shino, be constipated some other time! I have to use the bathroom! Raven screeched. Everyone looked at each other.

Um, Raven, is everything ok up there? Milli yelled nervously.

NO! Shino is constipated in the only washroom in my house! Raven yelled back. Then the groans stopped and the yells of pain began.

Shino? Is everything all right in there? Raven yelled. Milli and Gaara ran upstairs.

No. I m constipated, and it s hurting me badly. VERY badly, Shino said. Gaara thought about something.

Would you care if I broke the door down? Gaara asked Raven. Raven shook her head.

Shino, would you like help? Gaara asked. There was a pause.

Yes... Shino replied. Gaara nodded.

Um... I m gonna break the door down to get him some help. Will you girls close your eyes, cause I doubt seeing Shino constipated is going to be a nice sight, Gaara said, and the girls closed their eyes. Gaara broke the door down. Shino was on the toilet, his face bright red. Gaara and the girls, with their eyes shut, walked in. Gaara stared at Shino. Then Raven opened her eyes. Shino didn t care. She opened the medicine cabinet, and pulled out some pills. She got one out and gave it to Shino.

It ll help; my uncle is constipated all the time, it s why we keep constipation pills, Raven said. Shino took the pill, and was crapping like crazy. So, after about an hour, Shino was done. He went to wipe his @\$\$ and found out his @\$\$ was bleeding like crazy. In the end, Raven helped him wipe all the blood away. Shino pulled up his pants and walked out of the washroom. Then Raven used it. When Raven came out, Shino was wobbly. So she took him to their room. He lay down.

Thank you Ravennnn.... Shino said and fell unconscious.

## 4 - School and another person

When Shino woke up, Raven was there. He rubbed his eyes, and got up. Raven smiled.

" You wanna come back downstairs? I finally taught the rest of 'em about technology. You're smart, you'll catch on fast" Raven said to Shino.

He nodded. After she explained about lights, and Tv's , she taught him about... the internet, which everyone else was on.

The TV made a sucking noise again. Everyone looked at it. Kabuto fell out. He sat up. Then he stood. Raven sighed.

" ANOTHER one. GREAT... wait, he's smart!" Raven said. Kabuto looked around the room. Raven walked over to him. She took his headband, all his weapons, and anything else ninja-ish.

" Where am I? who are you?" Kabuto asked. Naruto wasn't paying attention. Everyone floundered away from the computer.

Soon, Raven had Kabuto dressed normally, explained the concept of books, and technology, and all that. He nodded. Then he got his 'new' name which was

Kevin. Then Raven told him about school. That was the one topic he got confused at.

~~~~~

The next day...

~~~~~

" So, we have to go to school monday through friday, and basically we 'learn' something?" Naruto/David asked. Raven nodded.

" That sucks" Shikamaru/Ryan said. Everyone nodded. Raven remembered something vitally important to tell Kabuto/Kevin.

" NO ninja stuff," Raven said. Kabuto nodded.

~~~~~

At school...

~~~~~

First class they had was PDR. Kabuto was good in that subject. It was an 'open' class, so the class got to talk about ANYTHING. health/body related.

So, all the Naruto people mainly were wide-eyed. When that was over, everyone sighed.

" Apparently we do 'learn' something here" Naruto said. Everyone nodded. Then they had Science.

Naruto made the science lab explode. And, flambyed Milli's

eyebrows. They had English after that. This time Kabuto spit balled Shino. Also, at Recess in the boys' room, Kabuto gave Shino a wedgie. Then they had Social studies.

Kabuto and Shino did well. Naruto was too confused. Then they had P.E. Kabuto did the best this time, and Shino tried. A little. THEN it was lunch. Kabuto was talking to a

black haired girl first, and tilted his glasses a little. The girl giggled and ran off. Kabuto walked over.

"So, Kevin, why are you late joining us?" Raven asked. He smirked. Then he turned, saw the girl, and

waved at her. She waved back at him. He turned around again.

"Talkin'" he said, and ate lunch. They ate and then ran off to math. Kabuto, Temari and Raven understood everything. Everyone else got help. Then everyone but Sakura, Ino and Naruto understood.(they're too stupid to understand.) THEN they all went home.

"Ka- I mean, Kevin, who were you talking to at lunch?" Raven, and everyone else, asked. He smirked. "Shawna" Kaburo said.They were all confused.Raven thought as she let everyone in the house. Then she got it.

"Oh, Shawna McBlaine?" she asked. Kabuto nodded. Raven thought about what Shawna might want to talk to Kabuto for as everyone sat down in the living room.

"Why did she talk to you Kabuto?" Raven asked, being curious. Before he could tell her, though, Milli came through the door.

"Let's play soccer" Milli suggested. Gaara approved and therefore, everyone else did too. They all went outside. Raven got the soccer ball.

On one team was: Lee, Raven, Shino, Temari, Kankuro, Naruto, Sasuke, Kabuto, Hinata and Chouji. On the other team was: Milli, Gaara, Kiba, Shikamaru, Ino, Sakura, TenTen and Neji. The game was pretty long. Kabuto was pretty good. But halfway through the game, Chouji fell on his Ankle and Kabuto sprained it. So he had to sit out. Being down a person, it was hard. A few times Lee smashed into the ground by Gaara, but he hopped back up. Then Chouji fell on Kiba.

So Kiba couldn't play. It was even again. Kiba decided to kick Kabuto's ankle on the sidelines. Sasuke was the goalie first. TenTen was the otheer goalie first.

Then they switched it up again. Gaara was the goalie and Shino was the other goalie. Only a few goals went in when Gaara was goalie. Just as few went in when Shino was goalie.

Then Raven's team won when she and Lee kicked it at the same time and so hard that when Gaara used his sand to block it and the ball went through his sand. Milli walked over to Gaara.

"Good try Gaara" she said. Gaara smiled a little smile. Then Kiba stomped on Kabuto's ankle. Then Kabuto, as everyone could see, was trying to kill Kiba. Raven stopped him. Sakura healed his ankle. Everyone went in and ate macaroni. But not before Naruto asked what it was. So Raven told him. After that, everyone did their homework, and went to bed.

~~~~~

The next day...

~~~~~

It was Saturday. Raven took Kabuto to get normal, well, more normal than anything Raven could find in every closet in her house, clothes. He got white sneakers, a black muscle shirt and white shorts. He also got normal glasses.

"Why was Shawna Mcblaine talking to you Kevin?" I asked him. Kabuto/Kevin smirked.

"She's my girlfriend" he said, and Raven almost barfed the hotdog she was eating.

"YOUR GIRLFRIEND?!" Raven screamed. He nodded.

## 5 - The Big Problem

"OMG!" Raven screamed. Kabuto looked at her and before Raven made a bigger scene, they went back to Raven's house. The only person there was Lee.

"EEK! WHERE'D THEY GO LEE?!" Raven shrieked. Lee rocked back and forth on his heels nervously.

" Well, they kinda ran off after you left. I decided to stay here because you might need to yell at someone" Lee said. Raven nodded then grabbed Lee by the good guy suit.

" Where did they GO?" Raven asked. Lee gulped.

" Milli's place" he said. Raven let go, and Lee flopped on the floor.

"Get up Lee, we're going to Milli's" Raven said and Lee stood up. Then with Kabuto and Lee following her, Raven walked to Milli's. She knocked on the door and Milli opened it.

" Hey Rae" Milli said. Raven nodded.

" Milli, are Naruto and the rest of them over here?" Raven asked.

" Yeah, they're out back playing soccer" Milli said. Raven and Kabuto and Lee went out back.

" You're lucky Lee, you weren't lying" Raven said. Lee made a little screaming noise. Raven laughed. Lee's eye were wide open (they've been that way since Raven came home and discovered him alone). Raven stopped laughing.

" Lee, calm down, you look like your gonna have a heart attack" she said. Lee took a few deep breaths. He was still shaking but he didn't look like he was about to have a heart attack anymore. Raven took him by the hand and went over to Milli, who was watching the game. Milli looked up when Raven came over with Lee.

" Milli, could you calm Lee down a bit?" Raven asked. Milli nodded.

" Thanks" Raven said. Milli calmed down Lee while the game was going on. Then Milli got up and walked over to Gaara, leaving Lee by himself. Later, Raven looked around.

" Milli, where's Lee?" she asked.

" Dunno, I thought he was with you" Milli answered.

" No, I left him with you so you could calm him down" Raven said.

" Well, then I got up and walked over to Gaara" Milli replied.

" Are you telling me you left Lee alone?" Raven said. Milli nodded.

" ARE YOU CRAZY?! WHAT IF SOMETHING HAPPENED TO HIM?! HE BARELY UNDERSTANDS OUR WORLD!" Raven yelled. Raven and Milli promptly marched the others out of the house, to go look for Lee. They split up into 2 groups. Raven had Temari, Neji, TenTen, Sakura, Kabuto, and Chouji, while Milli had Gaara, Kankuro, Ino, Hinata, Sasuke, Shino, and Kiba. They searched all over town and there was no sign of Lee. Raven was about to give up when there was a faint "help". She ran towards the source but didn't see anyone. It was the school yard. Raven leaned against the flag pole and sighed.

" Raven! Thank goodness you're here!" said a voice. Raven looked around then finally looked up. Lee was hanging from the flag pole.

" Lee, how'd you get up there?" Raven asked. Lee shrugged. Raven almost left to go tell the others she found Lee.

" No! Don't just leave me" Lee whined. Raven sighed then ran off. She told Milli and the others that she knew where Lee was. They all ran back to Lee.

" Lee, whatcha doing up there?" Naruto asked.

" Nothing, just hanging around" Lee answered. Naruto laughed until Milli slapped him upside the head.

" How are we gonna get him down?" Milli asked. Raven sighed.

" Gaara, use your sand to get Lee down" Raven said.

" But there are people around Raven, someone could see!" Milli exclaimed.

" What, do you just wanna leave Lee up there?" Raven said. Milli shook her head. Gaara used his sand to get Lee down. Raven hugged Lee. Lee was confused.

" I'm glad your alright" Raven said.

" Oh" Lee answered.
