1 - The Begining

It was Christmas. Numbah 3 was singing and skipping like usual, but more... merrily. Numbah 4 remembered that it was Christmas Eve and he didnt have any present to give Numbah 3. Everyone was happy. Except Numbah 4.

THAT was when Wintergreen, Nutcracker, Snow Angel and Conferious (from operation NAUGHTY) made the tree house explode. well, the top part of it. So it caught their attention. The 5 kids jumped up and numbah 4 forgot about the lack of numbah 3's present.

So they started fighting. For no reason. Numbah 1 got thrown thru a window by Wintergreen. Numbah 2 was getting kicked in the head by Nutcracker. Numbah 3 and 4 were being pounded by Snow Angel. And numbah 5 was knocked out by Conferious. In the end, they were all knocked out, Except numbah 3. Wintergreen stole the present she was giving to numbah 4 (again). She jumped up. " Back off toots" Wintergreen said to her. Numbah 3 was really angry. But then she smiled. " You can have it" she said. Wintergreen looked at her. But then looked at the stupid present. " Really? now we can all go home" he said. Then Numbah 3 pulled his pants down. (Again.) Wintergreen threw the present so he could pull his pants back up.

Numbah 3 grabbed the present, but Wintergreen hit her in the back. She fell, unconscious.

Later, they all woke up. But not at the tree house. they were at the DCFDTL (delightful children)'s place. And trapped on a wall. Wintergreen was, surprisingly, trapped to the same wall. So numbah 4 tried to kick him in the head. But right before Numbah 4 kicked him, Wintergreen ducked his head. Until Numbah 4's foot came back and Numbah 4 kicked him with his heel.

Then they saw Nutcracker, Snow Angel and Conferious standing there. " What the bloody hell is going on? and why is Candy Cane elf here stuck on the wall too?" Numbah 4 said angrily. " Shut yer trap, you little snot" Wintergreen snapped at Numbah 4. " Why don't you make me, Bite size?" Numbah 4 retorted. " Talk about Bite size, SQUIRT" Wintergreen snapped. " DON'T CALL ME SQUIRT!" Numbah 4 screeched. Wintergreen laughed. Then stopped. " My head..." he moaned. Then the DCFDTL walked in. And Conferious punched Wintergreen in the gut. " Ok... they now hate us. And HIM" Numbah 1 said, nodding at Wintergreen. " will you-" the Delightful Children started, but were interupted.

" I HAVE A name Kid" Wintergreen said.

" So do I" Numbah 1 snapped at him.

" WILL YOU JUST SHUT UP?!" the Delightfuls screamed. "Thank you" they added. They brought out a laser.

"Oh crud" said Numbah 4.

2 - The Love

"you got that right kid" Wintergreen said.

" we must go now. When we come back we'll use the laser" the Delightfuls said, snickering. They watched as the DELightfuls left. Then Wintergreen, by turning his hand, cut himself free. Then he cut the others free. After he cut Numbah 4 out last, Conferious grabbed him by the throat and held Wintergreen against the wall. Wintergreen struggled for a bit. Then his eyes closed and he went limp. So Conferious threw him aside. Numbah 3 attacked at Conferious and knocked him out. Then 1,3 and 4 attacked Nutcracker while 2 and 5 attacked Snow Angel. They were knocked out. so 1,2,3,4 and 5 were cheering. Wintergreen sat up, blurry-eyed. Numbah 3 was even happier now, but no one knew WHY. Numbah 5 figured it had something to do with Wintergreen, though.

Numbah 3 was talking to Numbah 5 in a whisper.

" Numbah 5, there's just something about him that I... love" she whispered so only Numbah 5 could hear.

" Maybe you shouldn't Numbah 3. Love him, I mean" Numbah 5 whispered back.

" Well, I do" she whispered back. Numbah 5 shook her head as they walked along. She walked faster.

Numbah 3 was now walking beside Wintergreen. She could've fainted right then and there.

3 - The pain

" Are you ok Toots? You're not looking so well" Wintergreen asked Numbah 3. She just smiled.

" I'm fine..." she said. He looked at her. Then Numbah 3 fainted.

" Numbah 3!" Numbah 4 cried. Wintergreen caught her. Numbah 4 looked at her. Numbah 5 sighed.

" Numbah 5?" numbah 2 asked. She looked startled, then caught herself.

" Yeah?" she asked him back. He looked at her questioningly.

" What do you know about numbah 3 that the rest of us don't?" he asked. She paused, thinking.

" She... um... I really shouldn't tell, it was kinda between US" Numbah 5 said, pointing between her and numbah 3.

" C'mon, tell us already!" Numbah 4 snapped. Numbah 5 hit him. He stumbled back, surprised.

" I can't...I won't..." she said. Numbah 3 woke up. she smiled.

" It's okay, numbah 5... you can tell them..." she said, and fainted again. Numbah 5 nodded.

" She loves..." she started, trailing on. They were all very impatient. Except Wintergreen, who looked like he couldn't care less.

" WHO?!" Numbah 4 yelled. Numbah 5 frowned, but sighed. She could tell how numbah 4 felt about kuki.

" Wintergreen. She loves wintergreen." numbah 5 finished. Everyone looked very surprised, Wintergreen even turned red.

But it had the worst effect on numbah 4. He turned around, and just ran.

" NUMBAH 4!!" they yelled after him.

But he didn't listen.

Kuki loved WINTERGREEN?! he couldn't stand it. 'What does she see in him?' wally thought to himself.

" Oh well. It just doesn't matter what she sees in him. But I wish he was just GONE!" Numbah 4 said to himself. He sat in a dark corner of the treehouse, in a place he had found. he had squeezed into it. No one knew where he was.

"they can search for me all they want. I'm never coming out" he said, but he heard sad sobs. Kuki, he told himself. He heard her running down the hall, yelling.

' Maybe she's yelling for me' wally thought. But then, he heard her yell a single name. One he wished wasn't there.

" WINTERGREEN!" she screamed. Then he saw Wintergreen walking away. 'He doesn't care about Kuki, but she cares about him?!' he thought to himself. So he cried.

Numbah 3 heard the crying. But couldn't find the source. So she walked away with Wintergreen.

Everyone in the treehouse had tried to find Numbah 4, but failed.

" Did he just disappear?" numbah 3 asked. Everyone stared at her, maybe a little more cold then they had meant to. Except Wintergreen.

" You didn't know how he felt..." they all said. She thought about Wally. By letting Numbah 5 say that she loved Wintergreen, what had she done?

She was urged to find him now. She ran to the hallway where she had heard crying. She called out.

" Numbah 4! Numbah 4! NUMBAH 4!!" she called. Then she found the place. She squeezed in, too, and crawled to the end of the slight hall. She found Numbah 4's warm body on the floor. She gasped. Crying, she dragged him out of the 'place'.

" Numbah 4! oh, please be okay!" she cried, sobbing. Wintergreen came over and put his arm around her soothingly. She cried into him.

'I'm just comforting her. I don't like her, that like THAT' wintergreen told himself. Numbah 3 looked at him.

Then Numbah 4 woke up and saw them. He shut his eyes tight, and balled his hands into fists. This time was more painful for him than the last.
