

The Rogue Lion

By xAmerilandx

Submitted: August 7, 2013

Updated: August 7, 2013

Plot: A very hungry Rouge lion enters the Pride Lands, and is so hungry he would eat anything... even if it was a cub...

A few months later he appears at the Waterhole and meets that very cub again

Who is this lion? And what will happen?

1 - Chapter 1 Rogues, Cubs, And Parents-To-Be

Morning at Pride Rock

Simba entered their cave to talk to Kovu

"Psst...Kovu?" Simba whispered in his ear"

"..Huh? Sir?" Kovu said as he yawned "what is it?"

"I need patrolling help, we have an unwanted guest..."

"Who?" Kovu asked confused

"A rouge... He doesn't look friendly though, he's just been standing there since dawn, there is something off about him" Simba said worried "I need your help investigating it"

"What about the Lionesses?" Questioned Kovu

"I'll keep them on standby, we should hurry"

"Yes, Sir" "Please, call me Simba" He smiled

Kovu smiled back and then Simba headed off whilst Kovu talked to the Lionesses

Pride Lands

Simba was back where he saw the rouge..

But he wasn't there this time "Strange... where did he go?" Simba looked worried... 'What if he harms the Pride?'

Pride Rock

Kovu cleared his throat "Ahem... Ladies!"

Nothing

"Guys?"

"Kovu it's still morning, go back to bed" Kiara, sleepily, told him

"But, it's kinda an emergency..."

"I said go back to bed!" Kiara shouted (Explained later) which woke everyone up

"Kiara, not so loud" Nala said, whilst all the other lionesses stared at her annoyed...

"Good, now you're all up, I have a message from Simba" Kovu said

"What is it?" Nala asked

"There is a strange Lion around there, we're both going to keep an eye on it, but we need you all on standby"

The Lionesses all confirmed they would be on the ready

In a Cave in the Outlands

"Damn it, I am sooo hungry right now!" A mystery lion said

"Stop complaining! well will find something soon..." Replied a lioness

"I don't think that will happen anytime soon, frankly" Said a different lion

"What would you know! Ofcourse we'll find something!" The first lion argued

"Can you two just cut it out! We'll never get anything if you two start shouting and frightening any food there is, off!... just... everthing will be fine... I promise..."

Back at Pride Rock

Simba slowly entered the den "Simba!" Nala ran up to him a nuzzled him

"Nala" Simba smiled

"So, what's the news? Where the Rouge?" Kovu asked

"I, don't know.." Simba replied "When I got back there he had gone"

"I guess all we can do right now is keep watch incase he comes back" Kovu said

Evening at Pride Rock

Kiara was laying down outside when simba came out

"Kiara?" Simba asked looking worried

"Yes, father?" Kiara answered not looking up

"Is something wrong? You haven't really... been yourself lately"

"It's nothing Father, don't worry" Kiara said smiling

"Well, if you say so.. come in soon though Kiara" Simba said as he started walking away "Wait" Kiara said

"What is it?" "I... have to tell you something..." Kiara said looking away

"What? Is something wrong?" Simba asked worried

"No, it's just... well... Daddy, I'm..Pregnant"

"You're... what?" Simba asked, jaw practically on the ground

"I'm pregant, I am going to have a cub" Kiara smiled

"R-really! Uh, thats, uh, good, uh... does, Kovu know?"

"I told him a few days ago" Kiara said still smiling

"I am very happy for you Kiara, it seemed like only yesterday you were my cub, and now you're having your own" Simba smiled back

"When are they due?" Simba asked

"In 10 weeks" Kiara said

"10 weeks, huh?" Simba smiled, happy for his daughter

After that they both went back into the den and went to sleep as it was getting dark

[First chapter done yay! Not very good I know, but it is my first](#)

[And the reason for Kiara shouting earlier was the mood swings, I do not know if it was too early for that, or if lions even get them! xD](#)

[Please tell me if there is anything wrong with it so I can know for future stories, and sorry for any spelling mistakes, feel free to point any out](#)

[Thankyou if you read! Oh, and sorry, I think this might be the version before I edited it, so sorry for any spelling mistakes!](#)
