# 1 - The day the world was saved from Moldywart

## The Older Sister

Hi! This is my first Harry Potter fanfic so please give me feedback. This has been running around my head for awhile so I thought I'd post it. And if you like pictures you should look some of my friend ChibiLee's stuff. Anyway I should get on with the fanfic before Lahela wakes up from her sick bed and takes my wand.

## Cast of Characters

*Kyrea Potter- The oldest child of Lily and James Potter. A Metamorphmagus, she has magic rare to even wizard kind. Her normal look is an identical copy of Lily. Was also scarred by Voldemort and is smarter than even Hermione. Two years older than Harry. Half-blood*

*Harry Potter- Arya's younger brother, you know the rest. Half-Blood*

*Fred Weasley- A pure-blood who is a goof ball, unless really provoked barely ever shows the redhead head temper (book 5 pages 412-413 is the exception)*

*Hermione Granger- A beautiful, smart witch she's a half-blood because her mom is a witch.*

## Prologue

---

She was sitting in the ruins of her home holding her brother sobbing quietly. Her parents were dead and she was alone with her brother until Uncle Sirius, Uncle Remus, Hagrid, or even Professor Dumbledore came. She'd pack two bags of some things of hers, her brother's, her mom's, and her dad's. Slowly she cried herself to sleep.

She woke up to two voices and Harry not in her arms. She sprang up suddenly alert but relaxed when

she saw who it was. Hagrid and Mad Eye Moody noticed her sharpness and scar. Hagrid took Harry on what she noticed was her Uncle Sirius's Bike a bit away. Silently Mad Eye picked up the bag with her things in it and took her hand. They didn't speak, it wasn't safe they knew he was gone but his followers weren't. Mad Eye side along apparated her to Hogsmede then took her up to a castle where many were eagerly awaiting news.
