Chapter 1 - Edgar will be Houdini	2
Chapter 2 - Edgar has to kiss Stephanie	4
Chapter 3 - Kiss, kiss fall in love	8

1 - Edgar will be Houdini

It was school time in Nod's Limbs... Everyone was excited because soon will be the school play....and this time the students have to chose amovie they like: Twilight won. The twins....actually triplets were talking about it, all of them dissapointed.

-The winner play was Twilight...I like it except for the role...Buaa!!! I wanted to play Bella!!!! - said Ellen

-And Stephanie will be Bella Swan...damnit! - whispered Edgar

-And Coraline lose! I wanted to play as Coraline and maybe Wolfgang will be Wybie... - said Emily with dissapoint

Stephanie was telling and presuming to all class that she was going to be Bella and Edward Cullen will be Orton.

-Don't worry, sisters....- said Edgar with a suspective smile. Ellen and Emily looked at him and realized what happended....maybe....

-You've.... - whispered Ellen

-Yep! I entered to the school computer and change some stuff there....hehehe...

-So...I will be Bella?! - asked Ellen

-So you changed the movie and the winner now is Coraline? - asked Emily

Just when Emily finished the word the principal entered to the classroom.

-You have voted, my students and here are the results!... The winner play is...Death Defying Acts!!

-WHAT?? -said everyone...It was supposed that the winner film was Twilight...

-YAY!!- exclaimed Edgar, actually he was the only one...

-Brother you changed Twilight to a Houduni movie?? - asked Ellen, definetely angry

-Only because you wanted to play Harry Houdini, didn't you?? - affirmed Emily, angry too

-Oh, come on! Death Defying Acts is a better movie than Twilight and Coraline

-Nope, just because you're a crazy Harry Houdini fan!!!! - screamed Ellen wanting to punch Edgar for it

-Now, the roles!! -said the principal- The role of Harry Houdini, the main character will be played by...Edgar...I can't understand my letter, I can't understand his last name...

-WHAT? - said everyone -YAY!!!! - exclaimed Edgar again

-And the role of Mary McGarvie, the medium and later Houdini's girlfriend will be played by....Stephanie Knightleigh!!

-WHAT?? -said everyone again included Ellen and Emily - YAY!!.....hey what?? Stephanie??!!
-exclaimed Edgar again

-YAY!! I'm the main character....hey....I'm going to be Edgar's girlfriend...YUCK!! - said Stephanie

-OMG! I forget to change the the name of the medium!! - Edgar said scared and angry at the same time

Everyone was surprised....This play was going to be interesting....

-NOOOO!!!!!! -screamed Edgar, Stephanie, Ellen and Emily at the same time

2 - Edgar has to kiss Stephanie

And the role of Benji McGarvie will be played by...Ellen...I still can't understand that last name!!!

-YUCK!! I'm going to be Stephanie's daughter!!-said Ellen in repulsion-Edgar.....

-It's not my fault!!

-Isn't that obvious?-said Stephanie, still disgusted by the fact that she had to be Edgar's girlfriend and Ellen's mother- you were chosen to play Benji because you're such a tomboy

-You princess!!!!

-And the play for the next bimester will be...Coraline!

-YAY!! – said Emily

And Stephanie and Ellen began to scream as usual. Edgar was too shocked to notice that. He was NOT going to kiss Stephanie....He has something to do about it....Later in the lab the twins were planning what to do....

-It's not so bad being Stephanie's daughter...Benji argues a lot with her mother...I can improvise that....

By another side Edgar was on a plan...or two

-A Stephanie mecha? No....make Stephanie sick with a repulsive illness? Tentative but nope...A wooden horse??!!....That's ancient!....

-Looks like you're out of ideas, brother...

-Yeah...That Stephanie thing makes me nervous...

-And you have to kiss her....-said Ellen, her pale face turning to green

-I'm not going to do that!!...Hey what if I make a robot of myself and when the princess kisses the robot...BANG!! The school will be covered in a nasty stuff...I will work on it...What do you think, sister?

-You're really out of ideas.....Hey, wait, I've got an idea...Have you checked the manga Mint na Bokura?

--

Mint na Bokura is a manga about Maria and Noel. Two mischievous twins. Maria (older, mischievous, romantic, exaggerated) falls in love with her teacher and follows him to the point that she transfers. Noel (younger, cute, jealous, mischievous...more than Maria) feels jealous and follows her. But they are only vacancies for girls so he has to enter disguised as a girl...

--

-Nope. The only animes I watch are Hellsing, Keroro Gunso, Addicted to curry and my favorite Doraemon! Even he has his OWN satchel like me!-said Edgar

--

NOTE:

Ellen's animes: Hellsing, Keroro Gunso, Addicted to curry, Hell Girl, Elfen Lied

Stephanie's animes: School rumble, Chobits, Maria-sama ga miteru (because the girls from Marimite are snob like her)

Miles's animes: One Piece (predictable...)

--

-Well Edgar, you have to check it out. ...

-What the....?

Ellen was disguised as Edgar...it wasn't a problem to her because she was her twin and was flat-chested....

-Ellen....

-Good idea, doesn't it?

-Nope-He hated being copied,even by her sister. Edgar looked down in Ellen's legs

-Are you using a fake....?

-Yep

-Where do you get it?

-I take it from your wardrobe

-GRR!! You pervert!! Give me those back!!!- said Edgar mad trying to take off the wig and...well...you know....-Everyone in Nod's Limbs are crazy even you! Stephanie, the teachers and you!!

-Don't be so sensible! Have a better idea?

Edgar was still surprised or what happened...And no...He didn't have a better idea

-If we make Stephanie sick, she will be replaced by Ursula!

-Oh, come on brother. Is not that bad....and who replaces Ursula?

-Cassidy

-And if we make her sick?

-She will be replaced by you

-No problem, let's make sick all these prissys!!

-NO!

-Why not?- asked Ellen in surprise

-I'm not going to kiss you!

-Is better that all those

-Ugh...just leave me alone sister

He had to make a plan...

Later in the play everything went as predictable...

-I'm not gonna kiss her!

-Neither do I!

-Oh!-screamed the director-I know what you're talking about!

-Really?-asked Ellen

-Yes! For the magic moment, the kiss will be in the play...for the sake of the play...

-Ugh-said Edgar, Ellen and Stephanie.

The twins said their lines in mess they insulted the teachers and their classmates in the play. When everyone turned back they make funny faces to Stephanie and they stole her brushhair that make her mad...Ellen wanted her to abandonate the play but Edgar didn't because he will have to kiss Ursula...or Cassidy...or Ellen

Emily was in charge of the equipment and she was laughing about what was going to happen to her brother and the disgusted faces of her sister...Suddenly she see something...Ellen was making a plan....

A few days later a new girl appeared at school and she was chosen to replace Stephanie too. When Edgar and Stepnaie met her they were surprised... She was kinda pale, she had short brunette hair and was something cute in her and mischief at the same time. There was something familiar in her but Edgar couldn't see what. He was so surprised that Stephanie began to feel uncomfortable...but...why?....

The loud voice of the new girl closed Stephanie's thoughts

-I'm Marcella! Nice to meet you guys!!

3 - Kiss, kiss fall in love

There were two weeks left for the play and everyone...well...Edgar was excited.

Marcella was annoying and she liked making pranks to the people in the rehearsal...specially to Stephanie. One day she dropped rotten eggs to the play and the rehearsal was cancelled for one week....And Marcella...well she talked a lot and pranked Edgar. He was surprised by the fact that she looked like Ellen, that disappeared. She just left a note saying that she went on a trip around the world....Like his parents did....such an irony...

-Hhaha!! Finally he found someone like him!-said Cassidy about Edgar and Marcella

-By the way, where's Ellen?-asked Pepper

Stephanie didn't hear them...she was...angry by the happy look in Edgar's eyes...like he did months ago with Ursula...and Stephanie was uncomfortable about it...

-Ugh...that Marcella!!

And the waited day came!!!!. Wolfgang, Emily and Miles went to see Edgar

-Where's Ellen?-asked Wolfgang to Emily

-She left saying that she was going around the world...

-Like your parents did?

-Uh...yeah...weird.....

The Mayor Knightleigh entered to announce the play

-Hello Nodlimbsians!!! This is the so long waited play of this bimester: Death Defying Acts!!

-Don't forget Coraline!!-shouted Emily

-Okay...This nice play is played by my lovely daughter Stephanie Knightleigh!!!!

-And Edgar!!-shouted Wolfgang

And the play started!!!

Houdini, that was played by Edgar (that looked cute with his Houdini suit) was the great escape artist that everyone knows but something changed...His mother died and he wasn't there....so he offered \$10,000 to anyone that can help him contact his deceased mother and reveal her last words.

Mary McGarvie was played by Stephanie and her daughter Benji was played by Marcella because Ellen was still disappeared. Mary was a sexy medium and her psychic act pulls in the public. And Edgar was a great Houdini, definitely he wanted to play it for so long....that's why he didn't make any prank....

As in the original movie when Benji attracts all the attention in the movie, the same happens with Marcella. She ruined every Houdini/Mary scene and she got all the credit in Stephanie's scenes...practically ruining them.

In the scene that Benji helps Houdini by channeling Houdini's mother, actually she didn't do that...she opened her mouth and made an awful loud noise. But everyone laughed at it (except for Edgar, Stephanie and Emily) because they've never seen Death Defying Acts except for Edgar.

Then it was Houdini's farewell, the final kiss, Houdini's death and the end. Everyone cheered, the death and kiss were so exciting that it made everyone forget Marcella's song. Edgar was in joy because of the play and ran out to change his clothes back. Stephanie followed him looking that no one was looking at her..she looked at Tyler and Orton...

-I can't understand...Those 2 are hot...they're my type of boyfriend...Why haven't I fall in love with one of them? Maybe because I'm sick of those boys who I can be bossy with (do you remember that Irwin guy?)....And now...I've fallen in love with someone...with a total loser...and he's Ellen's brother! She gasped-Maybe that's the reason! Maybe that's why I'm in love with him! Because he's the opposite of me!...But that Marcella ruined everything!!!

-Ugh...they kissed...-said Marcella taking off her wig(?). A pair of black pigtails appeared-I think I don't need this anymore.

-Ellen...You're Marcella!!!-screamed Miles in surprise and horror

-Oh...I should have noticed that,sis- said Emily

-That's why there was something weird about you!- exclaimed Wolfgang

-Yeah...-gasped Ellen

-But why?

-I won't let Edgar to kiss my rival. Or Ursula, because she used him, Or Cassidy because it's Stephanie friend. It's for my...I mean...his sake

-Cool!! And I haven't noticed that it was you!!-screamed an excited Miles-Can you lend me that wig to confuse my sister?

-HA! Yeah...I liked how I changed the play...but that stupid kiss made everyone to forget that!!

-Okay sister...let's get out of here Wolfgang-whispered Emily

An annoying voice came from outside

-What?? The cotton candy is all sold out!!!-was shouting and complaining the Mayor Knightleigh

-Your father is here, Miles? – asked Ellen surprised

-Yeah...he went here to see Stephanie...and the cotton candy...

-Cotton candy?....hahahaha!!-

-Cool! A prank's plan!-noticed Miles

She ran out to the park when the Mayor was. Ellen was carrying a green turning to black cotton candy

-Cotton candy, sir?

-Why is it green?

-It's because...it's apple flavor!!

Miles was behind looking at his father eating the rotten candy laughing

Edgar was in the wardrobe going to change his clothes but he couldn't find his pajamas. Stephanie entered slamming the door

-Don't even!!!

-What?

-You're with that Marcella!!!

-That's not your business!!!!

-So you admit it?

-I didn't. I'm not incestuous!!

-What?

-Come on! It was Ellen in disguise!! She was jealous again like she did with Ursula!

-Uh?!

I didn't notice that until she sang in the play...Everyone began suspecting even Miles and Wolfgang...You haven't noticed yet? Hahahaha!! And then Wolfgang say that I'm the idiot!

-Uh?! – too much uhs

Stephanie felt relieved. Unconsciously she hugged Edgar but when she realized she walked back. She couldn't be mean in that moment....actually she wasn't mean in the last weeks because Edgar (remember, Ellen wasn't here) could prank her and quit her from the play....but...

-Come on Mary, no one is looking at you

-Oh, shut up Harry!-They became closer and then...

Emily and Wolfgang walked out there, going across the lockers.

-The play was awesome!

-My brother was great and he played Houdini as he wanted for so long...even she had to kiss Stephanie...but is better that kiss Ursula. And my sister was hilarious as Benji and Marcella...Anyway...I can't believe it! I will play Coraline in a few months

-And I will be your Wybie!

It was the moment and they got closer...

-AHHH!!!

-What the...-said Emily angry....that sound ruined her moment

Edgar and Stephanie were in the girls bathroom washing the evidence of their kiss. After they kissed, Edgar's suit was covered in all the glow of Stephanie's dress, looking ridiculous and Edgar's tie got stuck in her dress. Edgar was scared by the fact of Ellen's reaction if she see his suit and Stephanie by the reaction of her friends and Nod's Limbs people if they noticed that...she kiss the most disgusting and loser boy in Nod's Limbs...and he was Ellen's brother. Yeah...even she loved him that love can't be...yet...because her pride, her reputation and her hate for Ellen were more strong than her love...And Edgar was too frightened that he didn't care the fact that he was in the girls bathroom.

-Don't you have anything in your satchel to take this tie?!

-Nope! This glow don't disappear with anything!

-We're doomed, Edgar!

-You're really doomed...-said another voice

-Emily and Wolfgang were looking the depressing scene laughing like maniacs

-Brother...

-Not what it looks like!!

-Oh, come on Edgar we've noticed what have happened-said Wolfgang

-Since when are you two there?-asked a scared Stephnaie

-Since you screamed

-WE'RE REALLY DOOMED!!!

-Don't worry. We won't say a word about this even to our sister

-But hey...-said Wolfgang-I've got an idea

They changed clothes. Edgar and Stephnaie walked away and for now Emily and Wolfgang were going to kiss....

-Hey look!-screamed someone in the hall-These are the main characters of the play!...CONGRATULATIONS!! You were awesome!!!!-lots of Nod's Limbsians ran towards them

-Run!!!!-screamed Emily with Stephnaie's dress (that still has Edgar's tie on it)

-Maybe this wasn't a good idea after all...

Edgar and Stephanie were walking in no direction

-Stephanie..

-What?

-This kiss never happened....

-Actually we kissed two times....

-Uh...You know what I'm talking about! This can't be. My sister will kill me and I love being a prankster!

-Yeah...What will think my friends if they noticed what I've done

-Brother what are you doing?!-screamed an awful familiar voice

-Sister!!!

-Bye! – said Stephanie that ran away. Her hate for Ellen and her popularity was stronger...and so does Edgar's mischief...

-Coward....-gaspd Edgar

-Edgar! Explain me this! –shouted Ellen

-Damnit!

THE END
