1 - Untitled

I think about you now and then
Who am I kidding, you've never left my head
All the tears and dreams I've had
I'd see you smile, smile my way
I lost it all, that very day
You were mine, I had my heart
I gave it to you, I had no regret
I didn't know then, I'd wish I was dead.
my hearty lies in pieces, Crumbled on the floor
So many memories, things I'd loved before
You were the first one to make me look twice
But now you can tell, I wish I was right
Sometimes I wish, I'd changed what I said
What I ment and what I did,
maybe you'd still be here
Maybe I wouldn't be alone
But I can't change the past
Will you come back?
Maybe you'll see
What you really did mean to me...
