Yugi thoughts

OK so lets start the story&

She should have loved me

It should have been me.

She should have been mine not his.

She should have loved me.

But she didn't, it was him that she loved.

Not me

-Flashback-

It was the night after we graduated and off course earlier that day Yami somehow received a body of his very own. It looked just like his spirit form only taller and had an Egyptian tan.

Tonight was great we were all having a wonderful time, well except for Joey and Tristan fighting again, something about Tristan cheating at some game.

Later while Joey and the others were laughing and playing a drinking game, Ta and I were sitting on the couch in the living room chatting.

Maybe now I should tell her how I feel about her, I hope she feels the same way

I was about to tell her how I felt when Yami suddenly came and walked over to us. I glared at him but he didn't notice and continued to walk over to us.

Yami looked at Ta and said Ta can talk to you for a moment

MMKay lets go outside, we'll be back in a minute Yugi she smiles at me and walks off with Yami.

Oh how I love that smile

But I didn't trust this, the way he looked at her made me suspicious. I followed them and hid behind a few bushes and listened to their conversation.

Ta, He said, strangely nervous for once in his life, I could tell The reason I wanted to talk to you is because&because&

Its OK Yami you know can tell me anything Ta says and looks into his eyes.

I know you love Yugi, but I can't deny it any longer ...I've fallen in love with you.

I froze after he said those words. I couldn't believe it he loved her after he told me so many times that he didn't, but he lied.

I sat there and waited for her reaction.

Yami& Ta frowned, her eyes deeply troubled.

Yami looked away, eyes welling up, he turned around ready to go back inside the house.

I was happy because she didn't answer but worried because Yami was coming this way and would see me.

Oh shoot what am I going to do now if he goes inside he will see me and then what will I say?!

That's when Ta stopped him&

Don't go&don't you understand. Haven't you seen? Yami paused as she pulled him closer to her.

I never loved Yugi, I love you.

Those words hit me hard. I felt my heart shatter.

But what they did next was enough to rip me heart in half right then and there.

He smiled and looked at her lovingly and then he pulled her in for a kiss and by the looks of it she gratefully returned that kiss.

The pain was too much I hurried back inside and sat back on the couch, where Ta and I sat before, pretended that nothing happened even though my heart was shattered into many pieces.

A few minutes later Yami and Ta came back inside, Ta came and sat next to me again.

What was it you wanted to tell me Yugi? she said as she smiled at me.

I looked at her and said Oh nothing I forgot

Ok well, did you have fun tonight Yugi? she asks me.

I looked into those eyes I loved so much and nodded I did

Well I guess its time for me to go home, thanks for a lovely time, Bye Yugi sweet dreams

Bye Ta sleep well

She smiled and said her goodbyes to everyone else and Yami walked her home, both with the look of love on their faces.

-End flashback-

I was now sitting in my room, on my bed, thinking of the night before.

It hurt so much, the pain, it was almost unbearable

It wasn't fair I loved her before he came, if I hadn't completed the puzzle he wouldn't have been here.

I should hate her but I don't. I should hate Yami, but I don't. Well, maybe sort of. I envy him. This should be my hint to leave them alone, to give up Ta.

But I can't.

I love her so much, I can't give her up.

I will have her and no one can stop me.

I won't give her up.

She will be mine no matter what.

The End& or is it?

OK so this is my first try at writing a fanfic so PLEASE tell me what you think. Should I keep it a one shot or should I write another chapter? I don t know maybe I should start another fanfic?
