1 - Love?Hate

LOVE?HATE

I love you...

I love how you get flustered over every little thing..

I love how you smile, how your eyes light up, when you are happy

I wish it was every time you see me...

I love how your clipped up hair, by the end of the day...

Falls around your shoulders in a messy heap, unnoticed by you...

I love how you laugh, how you get angry,

how your eyebrows furrow when you are annoyed....

I love how you write little things to yourself, and sing when no one is looking,

And act crazy with your little sister, even though it's not cool.....

And how you do little things for me, and remember me, always,

even if it isn't me you truly love...

I hate that you never notice me

I hate that I can never tell you how I feel

I hate how you much you love me, but not the way I want

I hate how much it hurts to look at you

And to be with you, so close, but an eternity away..

I hate to love you, knowing you will never feel the same....

I love you.....
