Paulina-

I'm so tired of being here
Suppressed by all my childish fears
And if you have to leave
I wish that you would just leave
Because your presence still lingers here
And it won't leave me alone

Chorus:

These wounds won't seem to heal
This pain is just too real
There's just too much that time cannot erase
When you cried I'd wipe away all of your tears
When you'd scream I'd fight away all of your fears
And I've held your hand through all of these years
But you still have, all of me

You used to captivate me
By your resonating light
But now I'm bound by the life you left behind
Your face, it haunts my once pleasant dreams
Your voice it chased away all of the sanity in me

Chorus:

These wounds won't seem to heal
This pain is just too real
There's just too much that time cannot erase
When you cried I'd wipe away all of your tears
When you'd scream I'd fight away all of your fears
And I've held your hand through all of these years
But you still have, all of me

I'd love to walk away
And pull myself out of the rain
But I can't leave without you
I'd love to live without
The constant fear and endless doubt
But I can't live without you

When you cried I'd wipe away all of your tears
When you'd scream I'd fight away all of your fears
And I've held your hand through all of these years
But you still have all, of me

Zuko:

Do yo chain hang low
Do it wobble to the flo
Do it shine in the light
Is it platinum, Is it gold
Could you throw it ov'r ya shoulda
If you hot it make you cold
Do your chain hang low

mirror breaks

Paulina: I win

Zuko: *hits her in the face with fire* I never met you but that was cruel

Wuya: using your enemys weakness against them should get the shen gong wu
