moonami: WTF  
omi it's no lie's only truth

paulina:  
I'm so tired of being here  
Suppressed by all my childish fears  
And if you have to leave  
I wish that you would just leave  
'Cause your presence still lingers here

And it won't leave me alone

These wounds won't seem to heal  
This pain is just too real  
There's just too much that time cannot erase

When you cried I'd wipe away all of your tears  
When you'd scream I'd fight away all of your fears  
And I held your hand through all of these years  
But you still have  
All of me

You used to captivate me  
By your resonating life  
Now I'm bound by the life you've left behind  
Your face it haunts  
My once pleasant dreams  
Your voice it chased away  
All the sanity in me

I've tried so hard to tell myself that you're gone  
But though you're still with me  
I've been alone all along  
paulina: BLODY HELL XD  
simon cowel (american idol) : WTF  
seiara:

Now I will tell you what I've done for you -  
50 thousand tears I've cried.  
Screaming, deceiving and bleeding for you -  
And you still won't hear me.  
(going under)  
Don't want your hand this time - I'll save myself.  
Maybe I'll wake up for once (wake up for once)  
Not tormented daily defeated by you  
Just when I thought I'd reached the bottom

I'm dying again

I'm going under (going under)  
Drowning in you (drowning in you)  
I'm falling forever (falling forever)  
I've got to break through  
I'm going under

Blurring and stirring - the truth and the lies.  
(So I don't know what's real) So I don't know what's real and what's not (and what's not)  
Always confusing the thoughts in my head

So I can't trust myself anymore

I'm dying again

I'm going under (going under)  
Drowning in you (drowning in you)  
I'm falling forever (falling forever)  
I've got to break through

I'm...

So go on and scream  
Scream at me I'm so far away (so far away)  
I won't be broken again (again)  
I've got to breathe - I can't keep going under

I'm dying again

I'm going under (going under)  
Drowning in you (drowning in you)  
I'm falling forever (falling forever)  
I've got to break through

I'm going under (going under)  
I'm going under (drowning in you)  
I'm going under
