Chapter 1 - The night when i left

2

1 - The night when i left

It's the end
I'm saying goodbye
I have to leave
Remember why...

So cold...
I said goodbye
I'm so scared,
Remember why...

I feel so lonely
In the dark of the night
I'd like to stay
At my home's light.

I have to go
Through the mist
Through the night
I'm sure you know the purpose of all those lies.

Howling of wolves
And spectral moonlight
The black orchids
And some candle light...

The big full moon
Shows path to my life
Shall I stay?
Or just leave? ...you know why...

I desire the night
But still love the light
Which of these should i choose?
Or just live with your lies?

I'm sinking in my minds
Under the full moon and starlight
The wolves' howls are ripping my life
I'm lost in the dark of this night.
