"Melodies of Life"[br]  
To the sky beyond the flying birds-[br]  
forever and beyond[br]

Your voice will still remember[br]  
our melody[br]  
Now I know we'll carry on[br]  
"Melodies of Life"[br]  
Come circles round and [br]  
grown deep in our hearts[br]  
As long as we remember[br]*

## 2 - Letra You're not alone

*You're not alone*[br]  
*compositor(a): Katethegreat 19.*[br]  
[br]

Lost in darkness blue[br]  
Endless labyrinthos weaving through[br]  
Will you stagger on,[br]  
With no star to light your away?[br]  
Share with me your tears [br]  
All your troubles and deepest fears[br]  
I remember when[br]  
You chased all my shadows away[br]  
[br]

Won't you take my hand?[br]  
Come away with me from this land[br]  
Let me give to you [br]  
All that you give to me [br]  
Fly horizon bound[br]  
Find the moon behind darkenig clouds[br]  
Even far apart,[br]  
Know our souls together will be[br]  
[br]

INTRODUÇÃO[br]  
When the storm drawn night[br]  
Dreams will shatter before eyes[br]  
Know that you're not alone[br]  
When the battle start[br]  
I will comfort your restless heart[br]  
You'll know that you are home[br]  
[br]

When your star stop shining[br]  
Endless vines around you winding[br]  
Know that you're not alone[br]  
I will give my all[br]  
So your tears will no longer fall[br]  
Down, down on sorrow's stone[br]  
[br]

2 parte[br]

Look into my eyes[br]  
All eternity you will find[br]  
In this fragili heart,[br]  
Know that you will always belong[br]  
Shout into the night[br]  
Show the darkness that you will fight[br]  
Hopeless you may fell,[br]  
But inside I know you are strong[br]  
[br]

Keep me in your heart[br]  
So we'll never be far apart[br]  
Let the bonds of love[br]
