1 - Resident Evil

Each chapter I make will feature 1 popular game series. There could be more than 1 game from that series in each chapter.

Disclaimer: I don't own any of these characters. They will act differently though.

Chapter 1: Resident Evil

~Resident Evil 1~

Wesker: Stop it! Don't open that door!

Jill: Why the hell not? There's no zombies or those dog things out there.

Wesker: Jill... we just came from out there. There's plenty of zombies out there. Remember? Someone died.

Jill: Who again?

Wesker: Nevermind...

Few minutes later

Barry: Hope this is not Chris's blood.

Jill: You could of used "isn't" you know. And why do I look fat on the unreleased GBC (GameBoy Color) version?

Barry: Don't know. Director, why does she look fat?

Director: How am I suppose to know?? I just direct the game and that's it. Now pay attention to the blood scene!

Jill: C'mon, we all know it isn't his blood. If it's his blood then I'm not the Lockpick Master.

another few minutes later

Jill: Better go done this hallway without holding up gun. *sees a zombie. Blood is stained on its mouth and teeth* What the hell?

Zombie: Just a regular zombie who can't die by shots to the chest, but only shots to the head.

Jill: Why did you just spoil your weakness?

Zombie: Because I know you won't be able to shoot me with bad camera angles going on through this place.

Jill: True.

Zombie: Ok, so can I kill you know?

Jill: *shoots zombie head* No. *Zombie falls dead* Take that for bad camera angles!

~Jill gained the title of: Super Bad Camera Angle Headshot Master!~

Jill: What happen to my "Lockpick Master" title???

~Resident Ev...~

Jill: Wait a minute! What happen to my "Lockpick Master" scene???

Director: Jill, you're in the next scene. Now calm down.

Jill: JILL WANT LOCKPICK SCENE!!

Director: Move along...

~Resident Evil 3~

Director: Been a while Jill. Got a new costume I see.

Jill: Still mad at you...

Director: Ok, let's start this already.

Jill: Ah, the S.T.A.R.S headquarters. Nothing is going to happen... *guy gets thrown around by a big mutated creature thing* WHAT THE HELL!?!

Person Being Thrown Around: I NEED HELP OVER HERE!

Nemesis: Stars...

Person Being Thrown Around: And he keeps saying Stars. It's getting annoying.

Nemesis: STARS! *kills the person*

Jill: *stares at Nemesis* *What am I going to do? Standing here won't work and that thing is way too powerful.*

Choices:

Head into the S.T.A.R.S building.

Face Nemesis (even if it's way too early in the game).

Run over to the Director

Jill: DIRECTOR! *runs to the Director. Nemesis chases after her*

Director: Hey, don't bring him over here! *runs as well*

Director: Well, we need to find a place to make the game.

Nemesis: STARS! *takes Rocket Launcher and blows up town*

Director: That will do.

Off Screen Break

Carlos: What's wrong Jill?

Jill: Me in the second RE movie. I have black hair. BLACK HAIR! I got brown hair in the Resident Evil games!

Carlos: Well at least you didn't die...

Jill: I disappeared...

Both:

Jill: Who's Alice anyway?!

~Resident Evil 4~

2 - Final Fantasy

Final Fantasy 3 was pretty easy to remember since I played it recently. The other two games, so-so. I tried the best I can, but at least I got something in. Here we go!

Disclaim: I don't own any of these characters. They will act differently though.

Chapter 2 Final Fantasy

~Final Fantasy 3~

Luneth: *falls down a hole* Who would dig a hole? What are they trying to do, break my legs?

Talking Crystal: Dammit, it didn't work...

Luneth: Well, better just explore this place. Wonder if anyone is worried about me.

Random Stranger: Hey Arc, where is Luneth?

Arc: Who?

Random Stranger: You know, Luneth, the one with the silverish hair. Your best friend.

Arc: Doesn't ring a bell...

Luneth: Why does it feel like no one cares?

Luneth: * Approaches a giant crystal* It's a giant crystal! This thing must be worth a fortune!

Talking Crystal: I hope you aren't going to sell me.

Luneth: AH! *backs all the way to a wall* TALKING CRYSTAL! IT'S CURSED! *grabs blade*
AHHHHHHHHHH!!! *attacks crystal*

Talking Crystal: That's not.... *sighs* This is going to take forever.

Refia: So wait, you don't remember anything?

Desch: Nothing.

Refia: Another amnesia moment.... C'mon, I can actually name a lot of people who had amnesia.

Ingus: Really?

Refia: Yeah! Alice, Spence, Kohaku....

Luneth: Who are those...

Refia: DON'T INTERRUPT ME!! Great, I lost the rest of the names... *glares at Luneth* Thanks a lot!

Luneth: What did I do? I just ask a simple question and then I get yelled at. Women...

Refia: WHAT!?

Luneth: Nothing! It was... Arc! *runs*

Arc: That's making yourself look innocent.

the group stares at Bahamut for the first time

Group: What the-!

Desch: That's the powerful creature of this mountain, Bahamut.

Arc: It's huge!

Desch: Well duh, it's a-

Luneth: Giant dragon human?

Desch: No...

Luneth: It has to be! Look at it, it's not like regular dragons. It's legs are straight down.

Desch: *ignores Luneth*

backstage, choosing their class/job

Luneth: Shotgun on Knight!

Refia: White Mage!

Arc: Black Mage!

group gets dressed into their new job

Luneth: I'm glad I shotgun Knight. I can continue to use swords again.

Refia: Do I look like a saint?

Luneth: Not even close.

Refia: *whacks Luneth on the head with her staff* At least you gave an honest opinion.

Arc: Is this hat too big?

Refia: Pull it down any further and we won't be able to see your head.

Luneth: Where's OW Ingus?

Refia: Must be still getting dress.

Ingus: I'm not coming out...

Refia: C'mon! It can't be that bad.

Ingus: The costume is ok, just my weapons and power.

Arc: That's it! *drags Ingus out* Nothing can be bad about being a Red Mage.

Battle Mode! Ingus does 23 damage while the rest of the group pulls 40s

Ingus:

Arc: Oh....

Ingus: Shotgun on Knight next week.

Luneth: What's that yellow bird thing? *points to a giant bird running around*

Refia: That's a Chocobo.

Luneth: It's a giant chicken. Great, now I'm staring at something I would rather eat than ride.

Refia: Luneth! Shut up or we won't get a faster way around this place.

Ingus: When do we switch jobs?

Luneth: Never! Alright, let's just get the birds and ride our way to our next destination.

Refia: No eating the bird. GOT IT!

Luneth: Ok, ok, can't trust me with a Chocobo. *places pepper on one Chocobo*

Luneth: I like to congratulate everyone who worked on our game's remake.

Refia: What are you doing Luneth?

Luneth: Thanking people.

Refia: What people?

Luneth: The people who remade our game.

Refia: Game?

Luneth: Yeah. We're just characters in the best RPG series ever created.

Refia: Oh...

Luneth: What's wrong?
Refia: Just characters in a game...
Arc: *appears behind Refia* BOO!
Refia: *ignores Arc*
Arc: What's with her?
Luneth: She just realized we're characters in a game.
Arc: Oh..... *goes in the same depressed mood as Refia*
Ingus: What's with-
Luneth: Don't say anything...

~Final Fantasy 7~

Aeris's Death Scene

Sephiroth: *begins to come down, sword facing Aeris's back* *This is it!*
Aeris: *moves* Alright, let's go Cloud.
Sephiroth: ! *hits the ground instead* Dammit Aeris, you weren't suppose to move! C'mon, I couldn't have missed! This sword is huge!
Cloud: Sephiroth!
Sephiroth: Great...

Bahamut battle

Cloud: You got to be kidding me. Bahamut again?!
Tifa: Overused summon?
Cid: Seen in every Final Fantasy.
Tifa: People do like Bahamut.
Cid: Because it's a dragon?
Tifa: Nah. Must be because it looks awesome.
Cloud and Cid: Oh....
Cloud: Isn't there a better reason?

Cloud: *gets chased by fangirls* GET THESE FANGIRLS AWAY FROM ME!
Aeris: Fangirls have been chasing him for hours. We should really help him.
Tifa: That's what he gets for being awesome and the ultimate hottie to most girls' eyes.

Cid: YEAH! OUR MOVIE IS AWESOME!
Cloud: Once again, Bahamut.
Tifa: Stop complaining Cloud. A lot of action scenes in it.
Yuffie: And a Sephiroth battle!
Barret: Better than the first movie they made.
Tifa: I did see some Chocobos in that.
Barret: Yeah, two scenes, but they weren't real.
Luneth: Someone say Chocobo?

backstage

Sephiroth: *measures his sword* I shouldn't have missed.
Cloud: Still trying to find out how you missed?
Sephiroth: YES! I mean, c'mon, this sword is as tall as a regular mattress.
Cloud: Well, Aeris did stop praying and moved out of her spot, maybe that's-
Sephiroth: No, I could of still impaled her even if she got up and moved a little bit.
Cloud: Maybe one of the wires broke.
Sephiroth: Nah, I checked all the wires.
Cloud: Just don't worry about it. You know, while you're distracted I can kill you right now.
Sephiroth: I would stab you before you get the chance to kill me.
Cloud: Want to challenge that?
Sephiroth: You're on! *Cloud and Sephiroth begin a sword battle*
Tifa: *sighs* They'll never give up...

Aeris: Mr. Director, what should I do next after my body sinks into the water?
Director: Oh. Just stand somewhere off the stage and look pretty.
Aeris: o_o *That's it?!*

Aeris: Cloud?
Cloud: Yeah?
Aeris: How come we haven't gotten a remake yet? We're the best possible Final Fantasy game out.
Cloud: Don't know. Do you actually want to go through your death again?
Aeris: No, but I still want a remake. Look at the other Final Fantasy games. They all got remakes.
Cloud: Yeah, but mostly for the GBA and DS.
Vincent: They did have a "demo" of FF7 at one of the gaming show before.
Aeris: But that was a "demo". How long ago was that?
Cloud: At least we got our own movie.
Aeris: True.

~Final Fantasy 10~

Tidus: Hey Rikku?
Rikku: Yeah?
Tidus: How can we stay underwater for such a long time and don't need to go up for air?
Rikku: Magical invisible air helmets.
Tidus: What?
Rikku: Never knew that? While you were unconscious, we placed it on you. No one will ever tell you have it on.
Tidus: This place is weird.
Rikku: Your outfit is weird.

Bahamut battle once again

Tidus: Again with Bahamut?
Yuna: At least it changed.
Tidus: I liked it when it looked like a regular dragon. Now it's a human dragon. Watch, it'll be named after

a ship soon.

Yuna: Umm...

Tidus: Don't even say I'm right.

Tidus and Yuna: *laughing in an awkward way*

Wakka: What the hell is with the awkward laugh?

Auron: I don't know, but it's getting annoying.

Wakka: Was this scene awarded the most "Awkward scene in a video game" by some tv show.

Auron: I believe so.

Tidus and Yuna: Hahahahahahahahahahahahahahaha! *still laughing in an awkward way*

Battle against Sin

Sin: *keeps getting attacked by the group*

Tidus: Sorry dad! *attacks Sin again* Sorry again. *attacks Sin once again* I'm really sorry about that one.

Wakka: Are you going to continue to say sorry to something that isn't your dad anymore?

Tidus: *attacks again* SORRY! Yes. Even if it's a terrifying, huge, monster, Sin is still my dad.

Yuna: Aw, that's so kind of you Tidus.

Tidus: But my dad still has to die. *attacks again* Sorry, but I still hate you!

Anima battle

Tidus: What the-

Wakka: Anima looks like the new zombie leader.

Tidus: Why is it called Anima? People might mistake its name and call it Anime.

Yuna: It's still a cool name.

Tidus: What's with the chains? Will something bad happen if I break the chains? *begins striking the chains*

Wakka: You idiot! *stops Tidus* Don't dare unleash its ultimate power!

Tidus: What? Creatures from hell take over the planet?

Wakka: Yeah, pretty much.

Tidus: Oh ok. *stares at chain and continues to attack it*

Tidus: No movie or remake? Our game feels hurt and left out!

Chapter 2 End

Sorry about the delay everyone. Rough week. Chapter is all made up so here we go!

Disclaim: I don't own any of these characters. They will act differently though.

Chapter 3 Metal Gear Solid

~Metal Gear Solid~

Campbell: Your mission is to destroy Metal Gear.

Snake: Metal Gear?

Campbell: Yeah, sounds cool. Big tall robot that gets more robots in the future.

Snake: How do you know this?

Campbell: Because... I'm from the FUTURE! *dramatic theme*

Snake: o_O At least it wasn't your arm.

Ocelot: BUT I'M LEFT HANDED! NOW I GOT TO LEARN HOW TO WRITE RIGHT HANDED! BASTARD DIDN'T HAVE TO DO THAT!!

Ninja: *in other room listening to Ocelot* Yes, ninjas rule!

Ninja Battle

Snake: Ok, I got a question. Why did you cut Ocelot's hand off?

Ninja: It was in my childhood years.

13 years ago

Young Ocelot: Haha! Ninja believes he can become a ninja. Watching too much Naruto I see.

Young Ninja: I am going to become a ninja! And not just any ninja, a robot looking ninja. And what's this "Naruto"?

Young Ocelot: *kicks sand in Young Ninja's eyes* We'll see! *runs away*

13 years later ~Now~

Ninja: And I wanted him to lose his gun shooting hand.

Snake: Wow, you actually known each other for 13 years?

Ninja: Sadly, yes.

Same Ninja Battle Part 2

Ninja: *gets shot* Pain, give me more!

Snake: You actually like getting shot?

Ninja: Yeah, I never feel pain when I'm wearing to suit

Snake: Well, what about the pain of the people you killed just right outside.

Ninja: People?

10 minutes ago

Person in Yellow Suit 1: Please, I got a wife and 5 kids!

Ninja: NONE SHALL LIVE! *stabs person*

Person in Yellow Suit 2: OMG, THAT GUY DIED BY SOME INVISIBLE THING!

Ninja: You're next!

Snake: *enters hallway. Sees a person getting stabbed in mid-air* Cool, teach me that trick!

Person in Yellow Suit 2: Tell my lawyer.... I'm suing him for this job... *dies*

~Now~

Ninja: Nope, didn't feel any pain from that.

Snake: Are you that cold blooded?!

Psycho Mantis: Ah, I see all that's on your memory card.

Snake: Memory card?

Psycho Mantis: I see you have Digimon and Yugioh. Wait, why do you play those games?

Snake: When you get bored on your trip here that's why!

Psycho Mantis: Ok, let's see what else. You saved 1000 times!?

Snake: About that...

2 hours ago

Snake: *takes two steps* SAVE!

saves

Snake: *takes one step* SAVE!

saves

Snake: *takes another step* SAVE!

saves

Psycho Mantis: Wow.

Snake's Master: Snake, I have to tell you something.

Snake: What Master?

Snake's Master: *takes off disguise* I'm actually your brother Liquid!

Snake: Liquid!

Liquid: Yes Snake, are you shocked?

Snake: I just have one question.

Liquid: What is it?

Snake: Why did you give me tips on how to kill your comrades?

Liquid: It was all part of the evil plan! They were all worthless anyway!

Ocelot: Even me?

Liquid: Yes, you too. HAHAHAHAHAHAHAHAHAHAHAH!

Ocelot: I feel used...

Snake: You're mad Liquid!

Snake: To all those who've played my game, did you see both endings?
Liquid: There's two endings?
Snake: Yep. One ending is where Meryl dies and she lives in the other one.
Meryl: Give the heroine a break!
Snake: And want to know something else?
Liquid and Meryl: Sure.
Snake: My voice actor is named David and in this game I said my real name is David.
Liquid and Meryl: *gasp!*Liquid: Wait, why am I gasping? I knew that from the beginning.

~Metal Gear Solid 2~

Director: Alright everyone, I know we're going to enjoy the next game, but we need to make a few changes.
Snake: What changes?
Director: Well first off, Snake, you will only be played for a few hours then we'll switch off with someone else.
Snake: WHAT!?!
Director: Come in kid.
Raiden: Yo, I'm Raiden.
Snake: I'M GOING TO KILL YOU!!! *charges at Raiden, but people begin to hold him back* LET ME JUST KILL HIM!
Raiden: What's his problem?
Director: You're stealing his job.
Raiden: Oh.

after the tanker scene
Director: Alright, let's switch.
Snake: *walks by Raiden* "*I'm watching you*"
Raiden: o_o *took that in a wrong way*

Campbell: Your new name is Raiden.
Raiden: Why can't I be Snake?
Snake: *glares at Raiden*
Raiden: o_o I mean, I'm good with Raiden!

Vamp: I've died once, I won't die again.
Everyone: GODMOD!
Vamp: What? I said I died once...
Raiden: But look at you! You're covered in bullet holes and I shot your brains out. How can you still be alive?!
Vamp: I'm a-
Raiden: Godmod?

Vamp: No! I'm a-
Snake and Raiden: Godmod?
Vamp: WILL YOU STOP IT! Damn, can I say that I'm a-
Raiden, Snake, and Director: Godmod?
Vamp: I GIVE UP! *walks away*
Raiden: Vampire?

after the first scene of Vamp falling into the water later

Raiden: Alright Emma, just go across that beam and I'll kill anyone or blow up anything in your way.

Emma: Ok... *scared and begins to cross it*

10 minutes later

Vamp: *appears from the water and puts a knife near Emma*

Raiden: WHAT THE HELL! GO AWAY GODMOD!

Director: It's part of the plot. He kills Emma.

Emma: He kills who? *gets stabbed by Vamp*

Raiden: I was distracted! *shoots Vamp's head again*

Vamp: Slow motion drop. *falls into the water*

Raiden: And stay down. Emma, are you ok?

Emma: *lays on the beam, dying* x_x

Offstage

Snake: So, did you get rid of Vamp?

Raiden: Yeah. Shot his head the second time.

Snake: You know he isn't dead.

Raiden: I'm sure he is. I shot him many times, in places you easily die.

Snake: You'll see what I mean kid.

Raiden: Kid?

Raiden: *hides in a box and moves around* No one will spot me now.

Guard: Huh? *sees a box* Oh, my magazines must have came in.

Raiden: Magazines? *box is open* Um...

Guard: Oh... must be for experiments. *closes box*

Raiden: *Pervert...* *walks away*

Campbell: Raiden, you're going to have to sacrifice one of your magazines in order to get the guards off your trail.

Raiden: But- But- This is the new limited edition magazine I got before I started this mission.

Campbell: Well it must be used!

Raiden: *cries and drops the magazine*

Guard 1: Hey, a magazine!

Guard 2: Which one?

Guard 1: Limited Edition of Perverts "R" Us.

Guard 3: What?! That can be sold for millions!

blackout. Firing of bullets are heard throughout the room

Guard 2: *bullet wounds on his arms and legs* HA! I WIN!! *falls over in pain*

Raiden: *grabs magazine* That's mine! *runs away*

Guard 2: My... my... maga... *dies due to loss of too much blood*

Raiden: *swings his sword and clashes with Solidus's sword* You killed my parents!

Solidus: No, I am YOUR PARENTS!

Raiden: Wait.. *sword battle stops* What the hell? That doesn't make any sense.

Solidus: You sure?

Raiden: *cuts his back* Yep.

Solidus: Argh! *falls off building*

Raiden: Remember kids, get your quotes right. *winks*

~Metal Gear Solid 3~

Snake: Wait, wait. So you're telling me I'm a bit younger and this is before Metal Gear Solid.

Director: Yep.

Snake: C'MON! This means I can't kill anyone I meet here that's on the other games.

Director: Yep.

Snake: Ugh.

Ocolet: It's nice to meet you Snake. *grabs gun*

Snake: I already know you. It's called the future.

Ocolet: Future?

Few minutes later

TIME PARADOX

Snake: Time Paradox?

Director: Yeah. He mustn't know of the future.

Snake: Now you're making my job harder.

with Eva and Snake in a cave near a fire ~Note: This was one of those "WTF" scenes.~

shadows appear to be both Eva and Snake are wrestling in a dirty way

Snake: I love shadow puppets.

Eva: Wrestling shadow puppets are better though.

Snake: I'm missing that for my mission too.

Eva: I hope Hulk Hogan wins the Royal Rumble.

Snake: *appears to be on a river in a very dark area* Where am I?

Dead Guard: You killed me! You killed me!

Snake: I remember you!

2 hours ago

Guard: I can't wait to go back home after- *neck is snapped*

Snake: *drags body away*

present time

Snake: Yeah... sorry about that.

Dead Guard: Now you must die!

Snake: *walks away* If I die, that'll create a time paradox.

Ocolet: HA HA! Now I'm in full control of this Pre-Metal Gear Rex!

Snake: You aren't the one who suppose to be riding that. That shocky guy is suppose to be-

Music: What a thrill... I'm searching and I'll melt into you.

Snake: I'M GOING CRAZY!! *let's go of ladder and falls*

TIME PARADOX

Big Boss: Hm, guess that wasn't him after all.

Ocelot: *juggles guns* Choose a gun.

Snake: Who cares about the time paradox. What's going to happen?

Metal Gear Solid

Mario: *gets his hand cut off* What am I doing here anyway? I'm suppose to be saving the princess.

Ninja: He hasn't noticed his hand was cut off?

Snake: Nope, and he's being talking for hours.

Mario: This area is too graphic for me and- *looks at his hand* SWEET MUSHROOM KINGDOM, MY FIREBALL USING HAND!! *runs around the room and touches one of the bomb wires*

Everyone:

Snake: People are going to eat me?

Chapter 4 is up next and what better way to kick it off is by a request. Nintendude07 has requested for a Super Smash Bros. Outtake and it shall be done! Tune in for the explosive chapter!

Author's Note: Wow, had a hard time trying to get this chapter up. Had a few problems here and there. I'm starting my first request chapter and I'm excited! For all of those who are reading or commenting, thank you. Even if I don't get many comments, I'll still continue to type/write out the chapters. Once again, Thank You. ^^

Samus: I've said that many times already. Don't you people listen?

Mario: WITCH! *runs away*

Samus: Ugh...

New Challenger! Luigi

Luigi: Brother!

Mario: What's a crybaby coward doing here?

Luigi: Mario, how come you're acting so mean?

Mario: Because it's Super Smash, now leave you crybaby!

Luigi: Mario, you're so... CRUEL! *cries and runs away*

Obtained Luigi

Link: Ugh, why am I here? I'm suppose to be saving the princess!

Fox: I was forced to come here.

On the GreatFox

Slippy: Fox, you got mail!

Fox: Really? I rarely get mail from this far away.

Dear Fox,

You are invited to what will be the biggest battle in gaming history. Come to Earth, Hollywood on Febuary 28th. I'll be awaiting your arrival.

Sincerely,

Director

P.S - It cost me fifty dollars just to send this to where ever you are. YOU BETTER COME!

Fox: I'm not going. Fighting in some pointless battle that won't be big, not my style.

Falco, Slippy, and Peppy: *stare at each other with a smirk on their faces. They begin to drag Fox*

Fox: I don't want to go! Why don't they take Falco instead!?

Falco: I'm not the star of Star Fox. Now go to that battle and show them that Star Fox is number one.

Present

Fox: Yeah, so that's my story.

Link: Wow. I just got a note saying Zelda was captured and I had to fight in this battle just to get her back. She isn't even here.

somewhere really far away

Ganondorf: HA! While Link is in that tournament, I get to spend time with Zelda.

Zelda: *Where is Link when I need him?*

New Challenger! Ness

Donkey Kong: What the-

Ness: Hi, I'm Ness. I'm a little late for the battle, but I'm here now.

Donkey Kong: A bee?

Ness: *wearing his yellow and black striped shirt* Bee? No, I'm a human boy and-

Donkey Kong: Bee must die! *grabs Ness and throws him on the castle ground then off the stage*

Ness: PK Thunder! *tries to move the attack to hit him, but is falling too fast* Why me? *falls*

Obtained Ness

Jigglypuff and Kirby begin to float in the air

Fox: What are they doing?

Donkey Kong: Float Contest.

Link: Whoever can stay up the longest, wins.

Fox: You know we're fighting in space...on my ship somehow.

Link: Wait, would that mean...

Jigglypuff and Kirby float away somewhere in space

New Challenger! Captain Falcon

Captain Falcon: C'mon, time to show your moves!

Yoshi: *stares at Captain, starved*

Captain Falcon: A dinosaur? No harm can come from this thing.

Yoshi: Yoooooooooooooshhhhhhhhhiiiiiiiiiiiiiii...

Captain Falcon: Now you're scaring me.

Yoshi: YOSHI! *uses tongue*

Captain Falcon: *moves backwards* AH, HUMAN-EATING DINOSAUR! RUN!!!! *runs while Yoshi is chasing him*

Obtained Captain Wanna-be

Captain Falcon: It's Falcon. I hate it when people do that...

Sorry, Captain "Falcon" Wanna-be

Captain Falcon:

Director: Alright, so every character is here now. Time to hold a tournament!

(Link vs Donkey Kong)

Hyrule Castle

Donkey Kong: DK will win!

Link: Yeah, about that. *holds a banana* I'll give you this if you let me win.

Donkey Kong: *begins to sweat* How know DK wanted banana?

Flashback

Donkey Kong: *steps forward* Banana please!

Present

Donkey Kong: A...A... *looks between banana and tournament trophy* BANANA! *grabs it from Link*

Luigi and Ness: *both stare each other down*

Fox: Are we going to even finish the tournament?

Director: Yes, but there's a twist now.

Donkey Kong: Twist?

Director: If anyone in this fight is from the same game/place as you are, they can help you.

Fox: Wait, so who are the new fighters??

Director: Well... *brings out list* Peach, Marth, Dr. Mario, Bowser, Zelda, Ice Climbers, Ganondorf, Mewtwo, Roy, Mr. Game and Watch, Pichu, Falco, and Young Link. *burns the list*

Link: *finds Zelda* Zelda, I've been looking all over for you.

Zelda: Where were you when I needed you?!

Link: Well, the old note said you were captured and I had to fight in the last tournament.

Zelda: I was trapped for a month with that "thing", and was tortured.

Link: It couldn't have been that-

Ganondorf: My friends! *hugs both Zelda and Link* We can forget everything that happen for this tournament, right?

Link and Zelda: *both look at each other and attack Ganondorf*

Icicle Mountain

Nana: C'mon brother, you're slowing us down.

Popo: Well sorry, I feel like I'm going through a camp in hell.

Nana: Well, if you didn't slow us down maybe it wouldn't be torture.

Popo: I'm older, I'm the leader!

Nana: I'm the youngest but the smartest, I'm leader.

Mr. Game and Watch: *watches from above and starts to match sausages or pancakes (your call)*

Nana: *looks up* Hey look.

Popo: It's raining food! *pancake falls past the Ice Climbers* Mine! *jumps after it*

Nana: Popo NO! Stupid cable link! *falls with Popo*

Peach: *sighs, grabs a mirror, and shows Mario*

Mario: SWEET MUSHROOM KINGDOM, I'M ON FIRE!! *runs around the stage and jumps off*

Peach: Mario? *walks over to the edge of the stage and looks down* Are you ok?

Zelda: He fell off the stage. Does it look like he'll be ok?

Peach: Why you- *grabs a radish and throws it at Zelda*

Zelda: *use Nayru's Love to stop the attack*

both Zelda and Peach begin to fight

Luigi: *runs over and watches* Fight, fight, fight!

Bowser and Samus begin to fight

Young Link: Two fights!

Luigi: Why aren't you fighting?

Young Link: I'm a minor.

Luigi: So? *green fireballs Young Link*

Young Link: OW!

Captain Falcon: NEVER copy me EVER again. *walks away*

Director: How is everyone?
Samus:

Director: What's wrong?
Samus: We've been fighting in this pointless tournament and we haven't even finished it yet.
Director: Don't worry, it'll be finished today.
Samus: Finally!

Director: With the help of some new faces! Pit, Lucario, Ike, Meta Knight, King Dedede, Sonic, Pokemon Trainer, Wolf, Toon Link, Snake, Wario, Diddy Kong, Lucas, Zero Suit Samus, and Olimar with some annoying creatures.
Fox: That seems longer than the other list.
Director: Yeah, just by 2 characters.

Pikmin 1: We are the Pikmin! Bow to us or we shall feast on your blood!
Link: Wow, they seem...
Olimar: Evil? Yeah, I just crashed on their island and...
Olimar 's Past

Olimar: A new planet! This has to have harmless creatures. *Pikmin walks up to him* And here's one now. You look adorable.
Pikmin 1: Shut up, weird suited man! I am a Pikmin and you're our slave now!
Olimar: That's cute, it thinks I'm its slave now.
Pikmin 1: *whistles and more Pikmin come*
Pikmin 2: Who is this?
Pikmin 1: Our new slave now. Let's attack him!

Pikmin: Bow to us, new slave!

Pokemon Trainer: Look Ivysaur, a Pikachu, Jigglypuff, and Lucario.

Lucario: *talking to Pikachu and Jigglypuff* And I took care of that Wanna-be me once and for all.
(talking about Mewtwo)

Pikachu and Jigglypuff claps

Pokemon Trainer: Go, Squirtle and Charizard!

both Charizard and Squirtle appear

Pokemon Trainer: Alright, here's the plan *brings out blue prints* Charizard, you take out Lucario since its part Steel. Ivysaur, you go after Pikachu since Squirtle would be at a disadvantage.

Squirtle: Squirtle Squirtle! (I can take him on!)

Pokemon Trainer: And Squirtle, go after Jigglypuff since it's weak.

Squirtle: Squir! (What?!)

Pokemon Trainer: Go Team!

both Charizard and Ivysaur attack. Squirtle doesn't

Pokemon Trainer: Squirtle, why aren't you attacking??

Squirtle: *glares and uses Water Gun on PT. Walks over to the Pokemon* Squirtle Squirtle Squirtle Squirtle. Squirtle Squirtle! (We should be attack him instead. He just uses us!)

Pokemon stare at the Pokemon Trainer

Pokemon Trainer: Ummm.. *begins to be chased by the Pokemon*

Zelda: Where's Link again?

Toon Link: What the hell?! I've been toonified!

Zelda: Link, is that you? You look...

Toon Link: Like a cartoon character, I know. *pouts* Where's my regular Young Link?

Somewhere far away

Young Link: Get this fairy away from me!

Navi: Hey, listen! *chases him around*

Pit: Ha, wish ya could fly now. *flies around happily*

Donkey Kong: Nope. I got buddy here, DK don't care.

Diddy Kong: Yeah, what he said! Plus, I have rocket barrel jetpack, I can fly either way.

Meta Knight: Wings are awesome!

Donkey Kong: *looks at Diddy and steals his jetpack* DK fly! *begins to fly around*

Diddy Kong: No, the jetpack only supports-

Donkey Kong: Supports what? *Jetpack breaks and DK is too far away from the stage* Oh.. *falls*

Zero Suit Samus: How do I look?

Fanboys: Samus took her suit off! FINALLY!

Zero Suit Samus: Oh no, fanboys.

Ness: Lucas!

Lucas: Ness!

both glare at each other and begin to battle

Mario: Are they always like this?

Luigi: Seems like it. Just like us, Mario.

Mario: Shut up Crybaby!

Director: We're about to start the tournament for the last time.

Zero Suit Samus: Good. So who's sitting out for one match?

Director: Well, since you're the only girl left, you sit out.

Zero Suit Samus: Yes! Finals for me!

Director: If I was a nice person, which I ain't. Fox sits out.

Zero Suit Samus: What?! I'm the only girl left, fighting against super strong males. I can't even sit out?!

You know what, I'M OUT! *walks away*

Director: But I was kidding, Samus you- Where did she go?

Director: Huge team Brawl! I don't care whose team you go on, just pick a team.

Jigglypuff: Jiggly?!

Fox: Wait, everyone's fighting?!

Director: Yeah, nothing wrong with that, right?

(Team Jigglypuff *with people Director doesn't even know* vs Team Fox *same as Team Jigglypuff*)

Fox: Ummm...

Toon Link: This is, well, is going to be very difficult.

Snake: *begins to choke Jigglypuff* You should pop eventually.

Zelda/Shiek: *transforms into Shiek and uses needles on Snake* Leave her/him/it alone!

Toon Link: Yeah! What she said!

Ganonorf: *carries Zelda away* To Team Fox!

Toon Link: No one messes with my girl. *uses Smash attack on Ganondorf*

Ganondorf: Ow, Ouch, Ow, Ow, OW! *flies so high in the sky, he disappears in the background*

Toon Link: Ha, showed him.

Shiek: *kicks Link* You idiot! I got hurt in that too.

Lucario: *prepares a Shadow Ball* This is for my team!

Wario: Wario won't accept this! I must be on my own team!

Director: There can only be-

Wario: TEAM EVIL

Bowser: I support Team Evil!

Mario: Oh no Luigi, there is going to be another team for some odd reason.

Luigi: We must fight!

Captain Falcon: *attacks Mario and Luigi* Show Your Moves Team is here!

Director: What!?

Peach: *throws radishes at Captain Falcon* Leave Mario alone!

Luigi: What about-

Peach: Don't care.

Ness and Lucas: PK Fire! *both attack Pikachu*

Pikachu: PIKA?! (Why you?!) *uses Volt Tackle on Lucas and Ness*

Director: THIS IS MADDNESS!

huge fight rages

(2 Days later)

Everyone is on the ground, motionless. All the stages are in ruin, even the cameras are damaged

Director: o_o Well... Crazy Hand, Master Hand, you're on clean up. *walks away*

Master and Crazy Hand give a thumbs up and begin to clean up

Master Hand: I thought that would never end.

Crazy Hand: Yeah, and whoever would of won could of fought us.

Master Hand: Yeah, but they would never beat us.

Our next chapter is giving the previous chapters one more go. Crossover time! Deleted Scenes (stuff I never put in the chapters) and an alternate ending for Super Smash Bros.

5 - Twilight

Sorry for the disappearance. I've been drawing a lot and working on a few other stories.

Yes, I know all of you are waiting for the crossover chapter, but that'll have to wait for another time. This one chapter is dedicated to a movie that has been released within the month, Twilight. Yes, I found scenes where I can make goofy outtakes from. This will be the only chapter featuring a movie.

Note: This will not be as long as the other chapters. Those composed of many video game sequels into one. This is just one movie.

Bear with me. I'll be jumping from one scene, to another, and back to something before that. And please, no hate comments. This is just for comedy purposes.

Twilight

Director: Hello, everyone. It's been far too long since our last appearance. Now, when I saw Twilight, twice, I got ideas flowing into my head

Tech Crew: Ideas?

Director: Yes. Now, I want to make my first and only Movie Outtake from this movie. What scenes will make the cut? Find out, NOW!

Tech Crew: *readies the anti-hate mail barrier*

Edward: *to Bella while she hangs onto his back* Hang on, Spider monkey!

Audience: That'll be my quote for now on!

Audience 1 car ride

Person 1: 26 Park Ave, please.

Audience: Ok. Hang on, Spider monkey!

Person1: Wtf? *driver drives fast*

Audience2 child's swing

Child1: Daddy, I don't want to do this anymore. *holds onto rope*

Audience2: Don't be silly. Hang on, Spider Monkey! *pushes child*

Movie theater

inu43: People are just killing this quote with a spork now..

Hospital

Bella's Mom: You fell down two flights of stairs.

Hours ago

Bella: I'm somehow in a building with a stairway. What could happen? *ice mysteriously appears. Bella trips over that and falls down the first set of stairs. Break point* Ow! Well, at least I stopped. *somehow,

her body rolls down the next stair set* Oh, so predictable..

Bella's Mom: And then, you went through a window.

imagine scene again

Bella: *still falling* Oh, what else could happen? *window magically appears at the bottom of the stairway* Oh, so convent.. *crashes through window*

Hospital

Bella: Yeah, sounds like me. *Such a lie..*

Car Crash Scene

Bella: *puts stuff in car while glancing at Edward* *Well, at least I'm not totally invisible.*

Edward: *to group* Be right back, forgot something. *walks off*

Director: Edward, where are you..?

car appears and goes out of control

Bella: *turns around* *Edward will save me!*

Off stage

Director: Edward, you're on!

Edward: Sorry, I had to pick-up..

Alice: It's too late. *points to a crushed Bella*

Director: *sighs* We lost another one..

Baseball Scene

Alice: Alright, batter's up!

Rosalie: *Miss dog, has entered. Readies bat*

Alice throws the ball and Rosalie hits it. It falls into a homerun zone, but knowing Edward, he can get the ball in seconds

Person2: Camping is sure fun! *head gets hit with 100mph ball and dies*

Edward: *grabs ball and rushes back*

Awkward silence..

Prom

-Edward and Bella begin to dance and only Bella's reflection is shown in convent water-

Person3: Hey, look! Water!

Person4: And a person's dancing alone! *looks at Bella, but sees Edward* Huh? Wtf!?

inu43: You know, Bella reminds me off someone.

Director: How's that?

inu43: Well, she's klutzy, ummmm... klutzy, umm.. err... klutzy?

Director: So, who does she remind you of?

inu43: You haven't noticed?

Director: Nope.

inu43: Who's the biggest klutz you know?

Director: My Tech Crew!

inu43: No, think harder..

Director: Me!

inu43: ... *storms off*

Director: Oh! Oh! The Ice Cream Man!

End of Battle

Mysterious Voice: Finish Him!

Alice: *snaps James's neck*

Mysterious Voice: Fatality!

inu43: Ouch! That's gonna leave a few marks on the bones.

At night

Bella: *asleep in her bed*

Edward: *munches down on popcorn* Oh! She's dreaming now!

After the whole romantic scene in the supposedly meadows

Bella: Hey, Edward.

Edward: Yes, Bella?

Bella: This whole scene, this whole time I forgot about my bag I placed in the forest twenty minutes ago.

Edward: We'll be able to find it.

Bella: You sure?

Edward: Trust me.

Night

Bella: Still nothing?

Edward: I'm still looking!

-Titles-

Edward: Obsess Stalker

Bella: Klutzy Klutz

inu43: Bella

Director: Brainless goof

Extras (Somewhat)

inu43: Extras is only me. You're lovable girl, inu43! Sorry about the long gap time with the latest chapter. My computer crashed one day and I lost everything I wrote. I mean EVERYTHING. The crossover chapter, a few other chapters, and few other things. Yeah, it was rough. I can remember a few scenes, but mostly have to start back to square one with those. I should have the chapter updated soon, hopefully before Christmas arrives. If not, before 2009 begins. I'll be glad if everyone can wait just a bit longer for the series to continue. Until then, goodbye!

Next Chapter: We continue to the Crossover and the deleted scenes from the previous chapters!

6 - Crossover

The Crossover/Deleted scenes have FINALLY made it! These are from the previous first four chapters. Crossovers will happen every five chapters throughout the series. They are usually different scenes, like maybe a small quest or a party. I don't know.

Disclaim: I don't own any of these characters. They will act differently, though.

Director: Well, inu, the chapter is about to come out. How do you feel?

inu43: Excited. I'm happy to get back into this series again. I missed it so much!

Director: What about fans?

inu43: Even if I don't have any, yes, I'm happy to see them again too.

Director: Shall we begin?

inu43: I was waiting for you to say those words, Director. Let's start!

Deleted Scenes

Resident Evil

Claire: *continues to run from helicopter shooting bullets* *Will this guy ever give up?* *jumps and rolls* *Finally..* *group of people point their guns at Claire* *Crap!* *notices gas tanks. Drops her gun and as it falls, she grabs it again and shoots. Misses and hits the wall* Oh. What the..

Jill: Sandwich? What sandwich?

Barry: You don't remember? Or is the revealing clothes messing with your brain?

Jill: Doesn't ring any bells.

Barry: MY JILL SANDWICH!!

Merchant: Ah, Stranger. I'll buy her at a high price?

Leon: Huh? You talking to us?

Merchant: Yes. I'll buy the blonde for half a ptas!

Ashley: Leon would never do t-

Director: So?

inu43: Well, maybe they love explosions, like me.

Director: So? People like explosions. Big deal!

inu43: Well, it's a big deal when you're with me. You know the jacket I bought you. The one you're wearing.

Director: Yea- *blows up*

BOOOOOOOOOMMMM!!!!

inu43: *smiles* Have to end this with an explosion also.

Coming soon! March 13... Yes, Friday the 13th.. RESIDENT EVIL 5!!

Original characters are reappearing! Even, with a small twist at the end of a recent trailer (Look up "Play God" Trailer). JILL VALENTINE'S TOMBSTONE!

Jill: WTF!?!?!?

Final Fantasy

Refia: Greetings! Refia here.

Luneth: Me too!

Ingus: *plays with Princess doll. Turns around and notices camera* Um, Ingus here too!

Awkward silence

Refia: Huh? Where's Arc?

Luneth: Oh yeah. About that...

Miles, upon miles away

Arc: Hello? Anyone? Refia? Luneth? Ingus? I would love to leave this mountain.

Refia: You left him!?

Luneth: I forgot him, actually.

Refia: *glares* Great! Because of your mistake, we have to travel all the way back to save him.

Luneth: Oh, c'mon! How hard can that be?

10 hours later, Bahamut appears

Bahamut: ROOOOOOOOOOOOOOAAAAAAAAAAAAAAAAARRRRRRRRRRR!!!!!!!

Both Ingus and Refia glare at Luneth

Luneth: Sorry?

inu43: Dear Cloud,

I have given you this item for one little scene coming soon. This cost me \$1000 on eBay, so you better use this when the time comes.

Cloud: Outtakes Writer, inu43. *holds up Phoenix feather* Hmm.. wonder what, though?

many scenes later, Aeris is stabbed

Cloud: Aeris!

inu43: "When the time comes.."

Cloud: *Is this the time? Nah! Must be for something else.*

game release

inu43: Dammit, Cloud! I told you to use it when the time comes!

Aeris: *still standing* How long should I just stand here, Mr. Director?

Director: Oh. Just keep going, Aeris. You're doing great. Ok, Cloud and everyone else, big party scene!

Tifa: Huh? I don't remember that in the..

Director: BIG...PARTY!

Aeris: *sighs* Why kill me off?

riding on Chocobos

Luneth: Let's have a race!

Ingus: Why would you want to-

Luneth: *Chocobo runs off* Woohoo! I'm winning! I'm winning! I'm win- *falls off a cliff*

group stops and gives each other awkward looks

Refia: Wow. I'm not going to be the one to carry him.

Arc: Not it!

Ingus: OH C'MON!! Not me!

Director: Now, Cloud, our next coming game is Final Fantasy 13.

Cloud: By the time I'm forgotten, it'll be Final Fantasy 100.

Director: Yes, yes. Now then, we have a female protagonist in this.

Cloud: What?

Director: Yes, and she's suppose to be like a female version of you.

Cloud: And..

Director: *grabs tools* Oh Cloooooooooouuuuuuddddddd....

Cloud: *stares* What are you going to do with those t- *screams*

24 hours later

Director: Go get them, Lightning!

Metal Gear Solid

Warning: There could be a few spoilers throughout this deleted scenes. If you haven't played the fourth game, skip any scenes with a character named "Old Snake" and the preview discussion.

Old Snake: War has changed. I mean, look at all this fancy technology compared to my time!

Otacon: Snake, it's because-

Old Snake: Look at this! My gun has a ID. They have new type of enemy with very long legs. Women are being used to fight! Just maybe, we've been sucked into a new world filled with new stuff. Yeah, that has to be it!

Otacon: Snake, can we get back to the-

Old Snake: And, how do they make the same robot. A copy machine?

Otacon: Alright, we're going to catapult you to the ship.

Old Snake: Is this safe?

Meryl: Of course, Snake. Why wouldn't we use this?

Old Snake: Ok, just though- *fires into the air* AHHHHH!!! Hey! I'm gonna make it! WEEE!! *goes a little over the ship* I see how it is, Director.. *falls into water. Drowns*

Campbell: Snake. Snake. SNAAA KKKKKKEEEEEEE!!

Director: I didn't change that..

Raiden: That's for not allowing me to stick to my original codename I wanted..!

inu43: Alright! First boss, here I come!

Laughing Octopus

inu43: Err.. master of disguises.. Ok, one little not original character. Maybe that'll change next boss.

Raging Raven

inu43: Someone with a gun like a tank. Getting less original now..

Crying Wolf

inu43: I'm slowly losing the "original state" here..

Screaming Mantis

inu43: YOU KNOW WHAT!? SCREW ORIGINAL CHARACTERS!! *throws controller down and storms off*

Psycho Mantis: So, you like to play Dark Cloud.

Snake: The player does, not me.

inu43: Nothing wrong with that, right?

Psycho Mantis: Anyway, let's fight!

-An Error Has Appeared-

inu43: Wait, WHAT!?

Psycho Mantis: Muwhahaha!

Snake: Do something! He can read my mind!

inu43: Umm.. *turns game off* At least you don't have to die!

Snake: Yeah, but turning the game off is worst than dying..

inu43: At least I'll get some strategy now..

Few Days Later

Campbell: Switch your controller to Port 2.

inu43: Huh? Oookk... *switches*

Psycho Mantis: WHAT!? I CAN'T READ YOUR MIND!!

inu43: That.. is stupid..

Johnny: I'm no rookie! I'm a 10 year Vet!

Old Snake: ... Kid, I can still take you out right now.

Johnny: Canno- *flipped by Snake*

Old Snake: Why does Meryl fall in love with you again?

-OMG, SPOILERS!-

Old Snake: Such a twist as to where Naomi dies.

Otacon: Naomi..! *cries*

Old Snake: I mean, it's where her brother died.

Otacon: *cries*

Old Snake: Strange, isn't it?

Otacon: *still crying*

Old Snake: GIVE IT A REST!

Last time on Metal Gear Solid 4 Previews...

Snake is old!

Snake: What the- I'm an old man now?! I had regular colored hair 2 years or whatever years ago and now I got gray hair?! What is this, the end of the series?!

Everyone: ...

Raiden has new ninja armor!

Raiden: *sees Vamp* How the hell are you alive?

Vamp: I can't die idiot.

Raiden: No wonder why, his power level is over 9000. Thank you new ninja armor suit!

Familiar characters return!

Ocelot: How old am I now? I lost count after Metal Gear Solid. And why do I look the same?

Snake puts a gun in his mouth!

Snake: I wonder what would happen if I put this gun in my mouth and pull the trigger. *tries, blackout, and firing of a gun is heard*

inu43: Alright, let's get some things cleared up from this preview.

1. THIS ISN'T THE END! Another Metal Gear game is actually being currently made.
2. Raiden kicks butt with his new suit!
3. Yes, a lot of characters return. And yes, half of those characters die.
4. The scene was actually changed from what we saw in previews. This time, it's at a graveyard. I won't spoil this part if you haven't played the game. And, it was hard not to spoil. I do it all the time, you know.

inu43: Alright. let's get one thing cleared up. I usually go on Youtube and watch Metal Gear clips. What do I see? Oh, Johnny is a clone of Snake, etc etc. Well, here's the news. HE ISN'T!!! If you played Metal Gear 3, this follows Naked Snake, or Big Boss in the other Metal Gear games. When you are in prison, who does Snake talk to? Johnny. Yes, this is Johnny's grandfather. He just names his first-born son after himself, resulting in a chain of Johnnys. Anyway, this "Johnny" was here before the cloning project began. This means, the Johnny we know in previous games is NOT A CLONE. Real human, etc. So, there!

Director: You think they'll listen?

inu43: THEY BETTER!

A teaser has revealed something. ANOTHER METAL GEAR GAME! Fanboys, don't leave the series yet. It seems this series has some life left. But, instead of a sequel, it'll be a prequel. So, this means it'll come up with some random new characters that might die near the end of the game. Yeeaaahhh.. so much for a reunion show.

Super Smash Bros

R.O.B: *Time to cheat my way into victory* *bridge begins to form. R.O.B uses Final Smash on when bridge appears. Knocked down and can't stop Smash* Ha! I'm so totally glitched!

Link: Ugh, a glitch noob.

Zelda: You would think they would fix this problem online.

Link: Well, one thing to do now. Kill him.

Zelda: This'll be fun..

Roy: Ok. At first I'm like, "Oh, this is a small problem. It'll end soon." IT JUST GOT WORSE!

Marth: What is it?

Roy: Do you see this?? This picture pleasures all fangirls!

Marth: Oh, it can't be that.. *looks at screen* WHAT THE HELL!? DISGUSTING!!

Roy: I know, right? Making us kiss. So, disgusting!

Marth: Yeah! I'm with Ike.

Roy: Err..

Jigglypuff: -Jig Jiggly Jigglypuff!- I can't stop growing!

Link: More glitches?

Zelda: This one looks like it's about to burst.

Link: Err.. this is a run away and hide moment, Zelda. *grabs her hand and runs to nearest cover*

Jigglypuff: -JIGGLY!!- HELP!!

BOOOOOOOOOOOOOOOOOOOOMMMMMMMMMMMMMMMMMMMM!!!!!!

Huge gust of wind covers the field

Link: That poor creature.

Zelda: Death to a glitch. Hope the guy will feel sorry for himself.

RandomPerson: That was an awesome explosion! Did you see all the pieces fly? And the gust!

RandomFriend: Yeah, like, totally awesome!

Link and Zelda: No.

Mario: So, you mean we're just toys in a video game?

Director: Some type of kid's fantasy. But, I mean, we had to replace the kids used for this. You guys and girls cut their hands, fingers, anything your abilities and swords can touch.

Ganondorf: HAHAHA! Let them suffer!

Mario: Well, how many kids has it been so far?

Director: About 10,000. But! I got a secret weapon. *smirks*

Few days later

Lucas: So, I'm suppose to fight them with just my hand?

Director: Yes! Give them your best, kid! *runs away*

Lucas: I got a bad feeling-

Director: ACTION!

Link: HAAAAAAAAAAAAAAAAAAAAA!!!!!!!!!!!!!!

SLICE! Black out

Pit: Fanboys, beware! The girls are here!

opens curtain and the Brawl girls appear

Zero Suit Samus: Why are we doing this again?

Peach: They did say we would get paid for all damages.

Zelda: Damages? Of what?

Fanboys stare

Nana: What am I doing up here?

Peach: Hm? Beware of what?

Zelda: Um, I think we should-

Fanboy1: ZELDA IS MINE!! *runs to her*

Zelda: That's it! *uses Final Smash, Light Arrow*

Fanboy1: Ahhhhh!! *flies off* I got owned by Zelda.

Zero Suit Samus: Attack of fanboys! RUN!!

Samus, Zelda, Peach, and Nana run

Nana: *trips* Oh no, this is the end! *fanboys run past her* HEY! I'M PRETTY!

Director: So, what would you all like to drink?

Pikachu: -Pika Pika Pika- Nearest power cord.

Jigglypuff: -Jiggly Puff Puff- Cup of air, please.

Lucario: Anything will do.

Squirtle: -Squirtle- Water!

Ivysaur: -Ivy Ivysaur- Anything with herbs in it.

Charizard: *brings a picture of a bull colored in red*

Director: A Redbull?

Remember, Redbull gives you wings! *Charizard thumbs up*

Link: *looks up Caramelldansen video* Wtf? I'm dancing to this?

Ike: Ugh, I look too cute and too happy. Fangirl attraction.

Link: Same. I mean, I would expect this from Young Link, but not me.

Dr. Mario: A little fact. Carmelldansen is a song made by a Swedish group called Caramell. Many videos of characters dancing to this (usually the Speedycake remix) have been shown throughout Youtube.

Characters from Resident Evil, Naruto, Lucky Star, Super Smash Bros, and others have been cursed to dance to this song. I have too, though. *cries*

Link: Poor guy.

-I love this song. No hate!-

Crossover

inu43: We planned a party for the lovely characters. It's to celebrate five actual Video Game Outtake chapters.

Director: Five already?

inu43: Would of been more if my computer didn't crash. Anyway, they should be arriving any-

DING DONG!

inu43: Oh, and here they are! *opens door and a messenger is on the other side* Umm.. who are you?

Messenger: Yeah, I was sent here to deliver a message from Ashley.

inu43: Oh! What is it?

Messenger: No, I'm not coming unless Leon comes.

inu43: Tell her he's coming.

Messenger leaves. Resident Evil characters, except Ashley, Claire and Leon arrive

Jill: Nice Christmas decoration!

inu43: Oh yeah, forgot to mention. Since it's almost Christmas, it's a Christmas party as well.

Ashley: *appears* Oh, Leon!

inu43: Early April Fools!

Ashley: What?? He isn't here?

inu43: Nope. He and Claire got stuck at some airport.

At some airport

Claire: Why zombies of all things?

Leon: Now, now. We got all day to make it to the party.

Claire: It'll be a long time before we get out of here. *sighs*

Salazar: So, Mr. Kennedy started owning me with terrible dialogue.

Zombie: Did you get him back?

Salazar: No! I didn't have anything to say. I didn't want to fight bad dialogue with bad dialogue.

Zombie: Oh but- *mouth drops. Picks it up and somehow puts it back on* Sorry about that. But, you should of, anyway. You could of owned him like that instead of dying without owning.

Salazar: Yeah.. *sighs* I wonder what would it be if it was something different.

DING DONG!

inu43: Oh! Door! *opens and it's the Final Fantasy characters* Welcome!

Luneth: Like our Chocobo? We painted them brown and gave them antlers.

Chocobo1: You think this paint will come off?

Chocobo2: You know, I said the exact same thing. I don't really know.

Rikku: Hm, low technology, but it'll do!

Tidus: Snow Blizz Ball in the back! *runs to backyard*

Wakka: That has my name written all over it! *joins Tidus*

inu43: Umm..

Chris: Oh! Wait for me! C'mon, Jill. *grabs her hand and drags her to back*

inu43: But, I-

Saddler: Oh, I will win! *follows*

Yuna: I guess I'll play too? *follows*

Luneth: Oh! Our team against that team! *follows as well*

Zombie: Me too! *stumbles to the back*

inu43: At least a few people are in the house..

Luneth: Anything goes game!

Wakka: Everyone got their invisible water helmets on? *everyone gives thumbs up* Only rule is, don't kill your opponent.

Saddler: There goes the fun..

Wakka: Tidus, everything set up?

Tidus: Yep!

Wakka: Alright! Game on!

Suddenly, a wall of water covers the backyard. It freezes into ice so the ball won't fall out

Team1 - Yuna, Wakka, Tidus, and Luneth

Team2 - Chris, Saddler, Jill, and Zombie

Jill: Whoa! These helmets actually work!

Tidus: *grabs ball and sword* Here it comes! *hits the ball at an incredible speed*

Zombie: I got it! *ball hits and falls off his head. Dies*

Jill: *watches Zombie's body float to top* It's ok. He was already dead.

DING DONG!

inu43: Oh, Director, can you get that for me? Refia is telling me a funny joke.

Director: No problem. *opens the door and is put in a sleeper hold. Passes out*

Meryl: Snake, you aren't suppose to do that to the host.

Snake: Thought he was the enemy.

inu43: Don't worry, I'm the host. Come on in!

Liquid: Soon, I'll take over this little home.

inu43: Umm.. you're speaking aloud.

Liquid: Damn, she's good.

Metal Gear appears

Ocelot: Can I park this in the back?

inu43: I would-

Ocelot: Thanks! *heads to the back*

inu43: Oh no..

SMAASSHHH!

Luneth: What was that?! That just ended our game!

Refia: *runs to the backyard. Slips and falls on ice* Ok, who did this? I got my outfit wet.

Saddler: Not me. I wasn't near the edge.

Luneth: *angry* You were poking me the whole time..

Zombie body points to Ocelot as he gets off

Refia: Why you..! *switches to Black Mage and prepares Death*

Ocelot: Wait, no! It was an acc- *dies*

Liquid: I was gonna use him, you know..

Refia: Want some!?

Liquid: No, no. I'm fine!

Steve: So what? Are you like an elf or something?

Refia: No! I'm a human.

Steve: Then, how did you perform that magic?

Refia: Oh, simple! *grabs staff* Now watch closely. I'm gonna perform a fire atta- *uses Toad by mistake and turns Luneth into one*

Toad Luneth: Ribbit!

Refia: Umm.. Opps. And I don't have my White Mage stuff too.

Toad Luneth: *angry*

Steve: *scared* Ok. I now know not to mess with you.

DING DONG!

inu43: Director can you-

Director: *still knocked out*

inu43: Nevermind.. *opens door* Welcome!

Zelda: There's no fanboys, right?

inu43: Fanboy free!

Zelda: What about that Director guy?

inu43: *points to him on the ground* Snake's doing.

Zelda: Good. He's annoying. *enters home*

Ganondorf: *enters* Any girls want to be kidnapped?

Pit: *enters* Who wants to be touched by an angel?

Luigi and Mario: Mario brothers are here!

Luigi: Wait, why are we called the Mario brothers? What about the Luigi brothers??

Mario: Sounds stupid. I parked my Yoshi in the back,

inu43: In the back??

Backyard

Yoshi: *scared. Looks back-n-forth between the Metal Gear and the Zombie's body*

Ganondorf: Look, Zelda! Mistletoe!

Zelda: *glares* Not if you were the last villain on Earth! *uses light arrow and he flies through the roof.

Hole is also left on the wall*

inu43: WTF!?

Refia: Can I just burn that thing?

Toad Luneth: Ribbit!

Refia: Oh, hell no! No kiss from me!! *kicks Luneth away*

inu43: Why do I have a feeling this is going to end badly?

Meryl: So, Snake. Which group are you with? Us or those cartoonish characters.

Link: Excuse me? We're only here due to the Brawl parody. Snake is better with us!

Liquid: I need an enemy and a brother. He's with us!

Mario: We need a popular character and another person. He's with us!

Meryl: Snake, decide!

Snake: Errrm...

Previously on Metal Gear Raiden

Raiden: Alright, Otacon, I got the photos.

Otacon: I can't work under these conditions.. *leaves*

Raiden: *blinks* Umm.. Otacon? *looks at camera and dances*

Brawl

Mario: Well, it's good to see you again, Pichu...

Pichu: PICHU!

Pikachu: *angry*
