1 - Chapter 1

[Beyblade POV](Dojo) "Gaaaaahhhh!" Tyson whined, it was morning and he had not had breakfast yet. Ray walked in quietly, rubbing last night's sleep out of his eyes. "What is it Tyson?" Ray said while yawning. Tyson ran up to Ray as the others started to walk in. "Ray!, you have to make breakfast!" Tyson whined again, almost everyone around groaned in annoyance. Kai had slowly walked out of his room, because the repeatedly whining went on, and he couldn't sleep. Ray sighed in defeat and tiredly walked into the kitchen, getting ready for breakfast. Max wobbled over to the couch and turned on the TV. Kai went and sat patiently at the dining room table. He hated Tyson pretty much. (FF>)

The gang had eaten breakfast and Kai had everyone go out to train. Rei and Max battled each other, it ended in a tie. After a few hours of training everyone was tired (use your imagination...NOT THAT WAY YOU PERVS!) it was only lunch time and Tyson was whining again.

[YYH POV] Yusuke was walking down the street, VERY bored. It happened to be summer vacation. 'No stinking school' Yusuke thought reassuringly. He was about to walk into his house, his hand on the doorknob, when Yusuke felt something behind him. He turned slowly at first, then whiped around fully. He saw an all-too-familiar blue portal in front of himself. 'finally!' he thought hopefully. Before he could think another thought Yusuke was sucked into the portal...an all-too-familiar event also. He was thrown out of the portal into a room, but landed on his feet. He saw Kuwabara, Kurama, and of course Hiei was there too. Kurama smiled at him, Kuwabara looked stupid as always, and Hiei didn't even take a second to just glance at Yusuke. He walked over to the toddler and said: "What d'ya want, Binky Breath?" Yusuke said in a sly cool voice. Koenma had an anime vein for a split second, but it quickly disappeared. "Yusuke, there has been a treacherous demon, who has gone to a whole new dimension!" Koenma said in a dangerously serious voice. Yusuke looked taken back for a moment but quickly regained his posture. "WHAT!?" Yusuke said. "It's true, the people in the other dimension are quite different though. They are in a world of reality where nothing paranormal happens." Koenma said to answer Yusuke's question. "And," He continued, "they would be very shocked at you four. Your attitudes are different, things are different, they have a common sport called Beyblade" "Beyblade, that's a funny name" Kurama said joining Yusuke. Kuwabara followed, while Hiei only turned his head in their direction. "Yes," Koenma answered. "and they also sometimes come with creatures called bit beasts inside of the beyblade" everyone, including Hiei, had a small look of confusion. Koenma seemed to notice and pulled out four metal tops. "these are beyblades" Koenma showed them. "ah-haha-HAHAHAHAHAHAHA!!" Kuwabara and Yusuke broke out laughing. Kurama had a look that asked if this was some kind of a joke. Hiei just looked bored but continued to watch the two bafoons crack their heads off. Koenma sighed in annoyance. "these are your 'beyblades' he said pushing the funny tops forward. The two stopped laughing and walked towards them, the same with Hiei and Kurama. Yusuke picked up the green and black one, Kuwabara picked up the orange and blue one, Kurama picked up the light pink and red one, while Hiei picked up the red and black one. The four stared straight at their 'beyblades'. Kurama was the first to notice there was a picture of a fox in the middle of his beyblade. "Koenma sir," Kurama said. Koenma looked at him. "there is a picture on mine" he asked more than said. Everyone looked down upon theirs. "I've got a snake" said Yusuke. "What have you got, Hiei?" Hiei looked down and saw he had a dragon on his...a red dragon..."dragon" Hiei said firmly. "aaahhh!" everyone turned to look at

Kuwabara. "*sniff sniff*, ive got a kitten..." Yusuke let his mouth go in an ear cracking laugh. "it isnt funny Urameshi!" Kuwabara yelled grabbing Yusuke by the collar of his shirt. Yusuke put up his hands apolligetically. "now, listen those animals are your bitbeasts" Koenma said "they take off your energy, so the stronger you are, the stronger they are. the weaker you are, the weaker they are." he finished. "there are a couple rules when beyblading in certain situations" he said handing them a small book. "here are your launchers" he said laying out four launchers .color cordinated to each beyblade. "but how will we know how to use these?" Kuwabara asked. "youll know" Koenma responded. Kuwabara was about to protest, but he didnt get the chance. a 'RED' portal appeard and wind began to blowing them towards it. "FIND THAT MONSTER!!" was all they heard before they were pulled inside.

2 - Chapter 2

[YYH POV] The YU YU gang had Gone in the portal, but they were still going through the dang thing. The portal reappeared in a quiet forest. "Ahhhh!" Yusuke and Kuwabara yelled when they were spit out of the portal. it was as if they tasted bad. Yusuke and Kuwabara landed on their butts, while Hiei and Kurama landed on their feet. 'They' had at least stuck their landing. Yusuke and Kuwabara quickly stood up, examining their surroundings. They were caught off guard as the red portal opened again, but this time throwing out four medium brown suitcases. UNfortunatly the suitcases were dumped onto Kuwabaras head.(or maybe "fortunatly") Kuwabara growled at Yusuke, who was holding his stomach out of laughter. "SHUT IT!" Kuwabara yelled, once again, grabbing Yusuke by the collar of his shirt. "Shh!" Kurama hushed, startlinging everyone. "I hear voices"

MeanWhile [Beyblade POV] Tyson was whining becouse Kai wouldnt let him eat lunch. "but, Kaaaiiii" Tyson continued. "no" Kai answered firmly. "we're going to go practice at the park, Tyson" Max said. Tyson huffed and walked out the door fallowing Kai, Hillary, Ray, and Kenny. Max fallowed after Tyson. (FF>)

The Bey boys, and Hillary, had arrived at the park. "Amateurs" Tyson remarked like a smart allic (sp?) everyone sighed. Tyson pushed through the croud. two little boys were battleing each other. everyone was cheering for both. but the bigger one won. "Tyson!" the winner exclaimed. "battle me!?" he asked a little pleadingly. "sure, why not?" he stepped up to the bey dish. "ready" everyone said together. "3,..2,..1! let it rip!" every one cheered. "haha!" the little boy laughed, thinking he had Tyson. "think again!" Tyson grinned. "FINNISH HIM!" He yelled, releasing Dragoon just to show off. "awww..." the young boy sighed in dissapointment. "cheer up!, it takes practice!" Tyson reasured him. (FF>)

Everyone had traird for awhile till it was finnally lunch. (Remamber, Tyson wanted lunch too early)"Lets get home, im a little hungry" Ray said. "Im starving!" Tyson complained. Kai sighed, admitting to himself, he was a little hungry, too. Everyone agreed and began walking towards Tysons dojo. they were walking past the small part near the forest, when they heard people coming.
