1 - Elvira Mulch

(This part of the sketch is in black & white)

The bike riding theme song is heard as a woman riding a bicycle heads to a farm. She spots Uncle Chuck painting the fence.

CHUCK: Howdy, Miss Mulch!

MISS MULCH: Chuck, I want to see you & your wife right away about Larry!

CHUCK: Well what has Larry done?

MISS MULCH: What's he done? It's all the blame for the bruise on my leg!

CHUCK: You mean his cat kicked him?

MISS MULCH: No, Larry.

CHUCK: Oh, he kicked his cat, eh?

(shuts fence door on her)

MISS MULCH: No.

Inside the farm house we find Chuck, Sophia & Larry listen as Miss Mulch talks.

MISS MULCH: That boy is a menace to the community! I'm taking him to the sheriff to have him sent to jail! He won't pass go, he won't collect \$200!

SOPHIA: What did he do this time?

MISS MULCH: He started acting up like Curly after seeing a woman winning \$10,000 on the Grand Game! Then he threw a tantrum when two ladies found the \$5,000 on Supermarket Sweep. Then he went stir crazy when a lady started the Ford Mustang Convertible on Just Men!

CHUCK: That show isn't even on anymore!

MISS MULCH: I got it on vcr tape! If you don't control that nephew of yours, I'll have him destroyed!

LARRY: (Crying) You musn't, you won't let her will you Uncle Chuck?

CHUCK: Ask Sophia.

LARRY: Oh Aunt Sophia, I didn't mean to get Miss Mulch, but she hates male contestants! She even destroyed every Pro-Fan episode. You can send me to bed without supper.

MISS MULCH: Begging for mercy makes me very angry! Very angry indeed!

CHUCK: You sound like Marvin the Martian.

MISS MULCH: Shut up! Here's the sheriff's order allowing for me to make a citizen's arrest! Unless you want to go against the law.

She hands the notice to Chuck & Sophia.

SOPHIA: I'm afraid we can't go against the law, Larry.

MISS MULCH: Now you're seeing reason. Gimme your hand, Larry!

Miss Mulch slaps handcuffs on Larry.

LARRY: Don't take me away I beg of you or I'll sprain your ankle.
You wicked old witch! You're nothing but a game show witch! (crying)

The police enters & escorts Larry out of the farm. As they left,
Sophia tells Miss Mulch.

SOPHIA: Elvira Mulch, just because you own 1/2 the county doesn't
mean you have the power to run the rest of us. For 23 years, I've
been dying to tell you something, well (gives her the finger).

As the police squad car drives over to the station, a cyclone hits
along U.S. 50.

POLICEMAN: A twister, a twister!

The policemen evacuated the car leaving Larry still cuffed & helpless
in the cyclone! The cyclone carries the police car over & minutes
later, Larry finds out.

LARRY: I must be in the cyclone!

He finds chickens & cows in the cyclone as well as a grandmother
doing needlework in her rocking chair & two guys in a row boat. Then
he hears the bicycle theme music & sees...

LARRY: Miss Mulch!

Miss Mulch is on her bicycle & suddenly turns into The Game Show
Witch, riding her broom!

(CACKLING)

2 - Bumpkinland

(This sketch is now in color)

Larry & the police car land in a strange place called Bumpkinland, full of hicks & yokels. Larry struggles to get out of the police car until a dude magically appears & helps him get out of the car as well as making the handcuffs disappear.

LARRY: Why thank you! Who are you?

NORTH: I am Pro Fan, the Warlock of the North. And we thank you!

LARRY: Why?

NORTH: Because you saved the Bumpkins from the evil Treasure Hunt Witch, the Game Show Witch of the East!

The Bumpkins came & congratulated Larry as they did a song & dance number. In one part of the number, three small lumberjacks sing...

TRIO: We represent the Lollypop Guild.

The Lollypop Guild, the Lollypop Guild.

And in the name of The Lollypop Guild,

We wish to welcome you to Bumpkinland!

Just then, a smoke of fire appears as the Bumpkins run for cover.

There was another wicked witch!

LARRY: I thought you said she was dead.

NORTH: That was her sister. This is Just Men!, the Game Show Witch of the West & she's worse than the other one was.

GS WITCH: Who killed Treasure Hunt, the Witch of the East? Did you KLUNK her with that police car?

LARRY: No it was an accident.

GS WITCH: Well I can cause accidents too.

NORTH: You have no power here, be gone! Before a police car drops on you.

GS WITCH: Very well. Just stay out of my way, just try. I'll get you my pretty! (CACKLING)

She disappears in a puff of smoke!

3 - The Witch's Castle

I'm in the spooky forest hearing owl sounds & crickets. Then I see a sign which reads... Castle of The Game Show Witch-1 mile.

Then another sign which I read...

LARRY: I'd turn back if I were you! Nonsense! I don't believe in spooks.

Just then, somebody picked me up & then slammed me down to the ground!

LARRY: (nervous) I do believe in spooks, I do believe in spooks, I do, I do, I do, I do believe in spooks!

Larry keeps chanting that while The Witch looks into her crystal ball.

WITCH: You'll believe more than that when I get done with you! Get him, flying monkeys!

The monkeys fly off.

Just then, I spot the flying monkeys & they started attacking me! Then four of them carried me off into the sky headed to the Witch's castle!

At the Witch's castle, the Game Show Witch has tied me up in a chair making me watch Just Men! & Treasure Hunt.

WITCH: Make yourself comfortable my pretty! You are being so tortured.

LARRY: What do you have in mind?

WITCH: All in good time.

The witch watches a female contestant start & won the Ford Mustang convertible. That gives her an evil idea!

WITCH: When the 12th female contestant in a row starts & wins that car, you will die!!!

The witch left cackling knowing she had victory in her hands.

During a commercial break, Aunt Spohia appears on the crystal ball.

SOPHIA: Larry, Larry. Where are you? I'm worried sick!

LARRY: (Crying) Oh Aunt Sophia, I'm @ a parody of Oz. And I'm trapped in the Witch's castle. (her face disappears) Oh don't go, call the police, call the Marines, call Auntie Em! I'm frightened, come back, come back!

(Witch's face appears on crystal ball)

WITCH: Auntie Em, Auntie Em, come back! I'll give you Auntie Em, my pretty (CACKLING)!!!

Larry trembles with fear because 6 females in a row have won the car. Halfway to a 300 game!

The Game Show Witch has Larry as her slave & trapped in the castle.

WITCH: I got plans for Just Men! during the summer, fall & winter! Just Boys!, a Tournament of Champions with \$100,000 @ stake & maybe I'll be like Swiper the Fox & swipe the Price Is Right siren away from CBS!

LARRY: Swiper no swiping!

WITCH: Shut up! As for you, how about a little fire?

The witch puts some fire on her broom & Larry fearing for his life, throws a bucket of water!

WITCH: Not that!

(SPLASH)

WITCH: Oh I'm melting! How could you destroy a wonderful game show I liked? Oh what a world, what a world! Ahhhhh!

The witch melts as the guards come over to Larry.

LARRY: I didn't mean to.

GUARD: You killed her.

LARRY: Please have mercy.

GUARD: Hail to Larry! The Game Show Witch of the West is dead!

They start singing "Ding Dong The Witch Is Dead" & Larry returns to his home.

LARRY: There's no place like home.
