"why do you think he wanted us out of there so badly" said Velma "like maby he doesn't want anybody to see his stash of food" said Shaggy. "maby but I bet there's more than just food there!" said Fred. It was getting dark and all of a sudden a fire ball comes out of the sky "goodnes what was that!" said Daphane "like a dragon man!" said Shaggy. "that's not true Shaggy dragons aren't real." said Velma "oh yeah',then what do you explane that!" said Shaggy then they all saw it a blue dragon swooped down and hit the mystery machine with another fire ball "hold on gang!" said Fred they swerved in and out then they stopped then in there review mirror they saw the dragon fly off "gang it looks like we have a mystery on our hands!" said Fred "like I was afraid he'll say that." said Shaggy. They got to a hotel for the night and in the morning they were on the road again "let's take a look at that traffic cop again." said Fred they went to the spot and they saw that he wasent there "like maby that cop dude is grabbing a bite somewhere" said Shaggy "jinkes!" said Velma they all went over there "look at this', it looks like a dragon scale." said Velma then there was a roar "ragon!" said Scooby "like scatter!" said Shaggy. They all went different ways the dragon swooped down and bolted up then they came back into a group "we have to set a trap for that dragon!" said Fred "ok gang let's split up and search for clues!" said Fred they went there seperate ways "like sccob do you smell that" said Shaggy Scooby sneffed the air "rabicue!" said Scooby they went down a hall and the smell was getting stronger they snuk around the coner and they saw a huge buffet "like dig in Scoob!" said Shaggy and they started eating. "Fred I don't think we should be down here." said Daphane "relax." said Fred then they heard something "what was that" said Daphane "it's just me you guys." said Velma "we thought you were the dragon." said Fred "I did too but look what I found." she said holding up a helium can "jepers!" said Daphane then they heard a scream "that sounded like Shaggy and Scooby!" said Fred they ran over there and the dragon had them cornered "hey why don't you pick on somebody your own size!" said Fred the dragon turned around and looked at Fred the it charged at him "now!" said Fred and the trap sprung and it landed on the dragon and it's eyes went out "gosh darn it!" said a voice then a guy came out it was a boy in a orange shirt "why did you have to go kill my dragon that was my second one!" said the boy "and you are" said Velma "I'm Jason." said the boy "I build and operate macanacle dragons." said Jason "I love to work on machines expecially dragons." he said "but the dragon that was going out of control" said Fred "that was just bugs in his head." said Jason then the lights came back on in the dragons eyes "but like why man" said Shaggy "I just wanted to do it for fun." said Jason "well gang looks like this mystery is solved said Fred "Scooby-dooby-Doo!" said Scooby.
