Chapter 1 - Frogive and Forget	2
Chapter 1 - Frogive and Forget	3

1 - Frogive and Forget

Forgive and forget, something most of us seem to lack. Life is short, don't waste your time fighting, bickering, and worsening your life. Instead live life to the fullest, set wild and amazing goals and promise to fulfill them. Choose a star and wish on it every night. Loosing a friend is the worst thing you can do, for you just lost another alliance in the war between this world we physically call home and the place where we would like to really be, an eternal home, a place called heaven.
