Chapter 1 - The Digital World Revealed Pt. 1	2
Chapter 2 - The Digital World Revealed Pt. 2	5

1 - The Digital World Revealed Pt. 1

It was a normal summer day, and three kids were sitting in a living room, watching Digimon on TV. There was one girl, Ashi, the shortest one of the group, with tawny brown hair, which was all gathered in a blue and yellow hat, and ocean blue eyes. To her left was her brother, Hankoshu, the tallest one of the gang, with messy, frumpy reddish-brown hair and sky blue eyes. Then you had Jamal, with his ebony hair and his sandy brown eyes. They were all watching intently, commenting on the scene they saw.

Ashi: Dude! I love this episode! This fight rocks! I mean its just soo cool!

Hankoshu: Stop flipping out, sis. Besides, the battle in Season one with Myotismon is much cooler.

Ashi: No way! The battle with Black Wargreymon is so much better!

Jamal: Jeez! Do you two fight like this all the time?!

Ashi: Yeah...

Hankoshu: Pretty much...

Jamal: Some days, I'm just not sure why I'm friends with you two...

Ashi: Neither are we, half of the time.

Hankoshu: But at least you don't have to live with your friend 24/7.

Ashi: Hey!

Jamal: Hehehehe...

Ashi: But really, Jamal. It's a good thing that we met you. If it wasn't for you, Oto-san and Oka-san would've sent us home by now.

Hankoshu: Which I gotta admit....would suck.

Jamal: Yeah.....It seems like so long ago that we met

<<Flashback>>

It was a winter day at school, and two fifth-grade boys were pushing around a 5-year-old Ashi, soon sending her falling to the ground, crying.

Kid 1: Just go back to Japan, Shorty.

Kid 2: Right.

Kid 1: We're gettin real sick of you kid.

Kid 2: Yeah.

Hankoshu: *steps in front of Ashi* Stop messin' with my sister, you punks!

Kid 1: Look at this, Rio. This bedhead is gonna try to save his 'wittle' sister. Rio, go show him what happens when you mess with us.

Rio: Sure, Kio. *beats up Hankoshu*

Ashi: Hanko-san!

Kio: It's your turn now, Shorty. *Out of nowhere, a rock comes flying and hits him in the head* What tha-!!!!!!!

?????: *Standing with another rock in his right hand* Rio! Kio! Get away from those two!

Kio: Whatcha gonna do about it, second-grader?!

?????: This. *Chucks other rock, which hits Kio strait in the forehead, knocking him out.* So you really wanna mess with me?

Rio: Ruunn!!!!!!!! *Runs away, dragging Kio with him*

?????: *Holds out hand to Hankoshu* Sorry about those two. They always do this to the new kids. My name's Jamal. What's yours?

Hankoshu: *Grabs Jamal's hand and stands up* I'm Hankoshu Tokomari... *Walks over to Ashi to help her up* And this is my little sister Ashi. She's really smart. She's two years younger than me, and already in my grade. Heck, she's better at me in math.

Jamal: Sweet! So are you both alright?

Ashi: I....I think so.

Hankoshu: I think I'm alright.

Jamal: That's good to hear. C'mon, its time for class!

<<End of flashback>>

Ashi: Yeah...those were good times, weren't they? I mean, besides the whole 'being beat up by a fifth grader' thing...

Hankoshu: Yep....good times.

Jamal: And now we all are in High School together....the same classes ta boot....

The three teens were talking when out of nowhere the computer started beeping and glowing. Out of nowhere, a huge stream of light shot from the computer, landing at the center of the room.

Hankoshu: Wh-Whats going on!?!?!?

TO BE CONTINUED!

2 - The Digital World Revealed Pt. 2

Lets start where we left off, shall we?

As the light faded, three figures were noticed where the light had landed. They ended up being eggs, each with it's own distinct markings.

Ashi: They're....eggs....they're so cute! *picks up a white one with pink markings and hugs it*

Hankoshu: They are kinda cool looking. *picks up one with scale markings on it and taps the shell*

Jamal: Yeah, they are! *picks up the last one, which is black with flame colors, and stares at it*

Out of nowhere, the eggs started to glow. Once the glowing stopped, instead of three eggs in the teens hands, there were three odd creatures, each barely bigger than the egg it came out of

Ashi: AHHH!! What's this...this...thing?!

Riomon: Who are you calling a thing?

Ashi: It...it talks.

Riomon: 'It' has a name, you know. My name is Riomon.

Hankoshu: Riomon?

Hanakomon: Yep. And I'm Hanakomon. Nice to meetcha!

Hankoshu: Wah! Don't scare me like that!

Jamal: *looking at his* You talk too, don't you?

Cookiemon: Yep.

Jamal: Eh....so your name is?

Cookiemon: Cookiemon.

Jamal: Got it.
