*Some poems I wrote inspired from the massive amounts of snow that have consumed the area where I live. Hope you enjoy.*

<b>Chapter 0 - Less is More</b>	<b>2</b>
<b>Chapter 1 - Snow Minotaur</b>	<b>3</b>

## 0 - Less is More

Specs of snow flutter down,  
freckling the ground,  
A slick layer soon born,  
Average joe's turned into skaters,  
Mechanical behemoths turn pro as well,

Great danger formed,  
in the blink of an eye,  
One must be cautious and wary,  
to survive,  
the sparkling, virgin white foe.

## 1 - Snow Minotaur

Heard at the dawn of light,  
heard into the blackness of night,  
trudging along,  
huffing and puffing,  
pushing mountains,

Trudging along constantly,  
moving mountains eternally,

Such is the fate,  
of the snow Minotaur.
