Chapter One: The Dill Man

The favorite four girls with a passion for fashion were sitting at a table near the smoothie bar. Eitan walks up to the table. What would you ladies like today? He took out a small notepad.

Um, I II have the mystery flavor. Yasmin suggested, not even looking up from the Bratz Magazine. They had completed so much so far. The girls were not only a hot rocking new band, put makers of their self-titled magazine and they were Super-sylin best friends too.

Oh, I II take a Strawberry and Kewi surprise, Sasha leaned back in her chair. You know, girls, we re sensational, all the boys even said so. Soon we II have the paparazzi chasing after us.

Heavenly cream please Eitan. Oh My Gosh! What if the paparazzi people come chasing after us, especially when we re not expecting them! Oh no! If they catch me first thing in the morning, that s it! I II be ruined. When I wake up I have these hideous bags under my eyes that make me look like I m thirty! Then they II publish the pictures in a column that says Celebrity Tragedies! Then my parents will be so ashamed that they II send me off to an all girls school, and I II completely lose touch with boys and-

Angel! Slow down girlfriend! Sasha wanted to end the conversation there; she had a feeling it could have gone on forever. Jade looked at Cloe, Angel really did suit her for a nickname. Well, she just looked angelic.

Um& Blueberry blast please. So anything new happen lately. Jade asked her best gal pals.

Actually, yeah. All for of the girls knew that voice anywhere. It was Cameron s voice.

Hi Cam. Cloe could help but blush, when he smiled at her.

Major Problem, well for mine and Dylan's friendship anyway.

Aww what happened?

Yeah what s up with you guys? Eitan s mumbled voice came from the smoothie stand, as he was blending other customers smoothies.

Well, he s totally crushing over this girl.

Wait, Dylan has a crush? Is this the same Dylan we know? Jade inquired.

Yes, I mean well, he s not just crushing, he s completely head over heels I swear.

But Cameron, why is that bothering your friendship? I mean how long have you guys known eachother for now?

We ve known eachother for, uh, thirteen years now& it s just that, oh Nevermind I m being selfish.

No you re not Cameron. Listen I bet I can guess how you feel. You re upset because since he s crushing on a girl he s not paying attention to you, or any of us.

He won t even return my calls or text messages.

How long have they been together Cameron? Yasmin questioned, to see if she could help him feel better.

Okay well she s not just a new crush, they we been dating for a year and a half now but it s never been this serious between them before. I m happy for him, but at this rate I m scared that we won t be friends anymore.

Is it anyone we know? Jade asked.

I don t think so. Cameron replied. Well I ve got to get going, my mom s expecting me home in twenty minutes. See you girls around. And with that Cameron started away from the smoothie bar. By now the girls were finished all of their smoothies and headed of quickly towards a sale at Thrills with frills. Dylan was standing right in front of it.

Oh yeah, I got a beautiful group of honeys runnin towards me. This is the Dill man s lucky day. Jade smiled.

So sorry, not today stud muffin. Us girls have got a little Bargain shopping to do.

Well enjoy my presence now girls, just bask in the rays of the totally hot Dylan.

Alright love machine& we II enjoy it. Yasmin teased.

We will? Sasha commented.

Can we just do some shopping first?

Sure, sure I II just let my girls go get all prettied up for me.

Wait a minute? You re what? Cloe gasped.

I don t think so.

No way!

Sorry Dylan, you re great and all but, you just ain t my type. Dylan smirked.

It s alright I was only joking around anyways. I Il see you girls around. But if you want publicity& hang around the Dill man. He put on his sunglasses and began to pose for them. They all laughed.

Good Bye Dylan. They all said together, then headed inside Thrills with Frills.

Okay, another story up& the first Chapter. I noticed a bit that in my Ever lasting love story that Dylan and Cloe were slightly out of character so I m trying harder to stay in character with them. Anyways R&R, only if you want me to continue.

## 2 - The Kiss, The Jealousy

Untitled

Chapter Two: The Kiss, The Jealousy

The girls had definitely shopped till they dropped. They were sitting on a bench sorting everything they bought, when they saw Dylan holding a girls hands and he was kissing her passionately. Their mouths dropped. *Cameron wasn t kidding*& thought Jade. Sasha looked at the girls and quickly spoke up.

I only have one question.

What s that Bunny boo? Yasmin asked her BFF.

What is she on? The girls all giggled quietly. Well, he does have good taste in girls.

She is pretty. Jade stated.

Scratch pretty Kool Kat, she s like supermodel gorgeous, but the only difference is that she s developed.

You re right Pretty Princess&

Dylan hugged her. He loved to just hold her close to him. Alyssa& I love you. The girls almost fell off of the bench when they heard those words come out of Dylan's mouth. Alyssa has dark brown hair down to her waist, narrow hazel eyes, a tiny nose, full lips shiny with lip-gloss, a curved but slightly pointy chin and dark tanned skin.

I love you too. She cooed back at him.

Later that day the girls were having one of their famous slumber parties at Cloe's house. They we re all situated on the floor of Cloe's bedroom. I just can't believe Dylan's in love.

Love is possible for anyone. Yasmin clearly told them.

Yes, but Pretty Princess this isn t just anyone. This is Dylan here.

True& but even still.

Hey, I ve got an idea, Cloe paused for a moment, then she continued. How about we go for a ride in my car?

Remember what happened last time Angel? You know when you hit a tree with all of us in it? Yasmin kindly reminded.

Ugh, yes, I never meant to do that but a skunk ran right across the road.

Good point Cloe. Sasha added.

Okay let s go. Cloe, Jade, Sasha and Yasmin all went down the stairs and out of the front door towards her blue car.

I ve got shotgun! Jade cried as she got into the passenger seat. Cloe put the key in the ignition and it wouldn't start. Oh no Angel, what are we going to do?

I II tell you one thing Kool Kat. I m calling Cameron.

Smart thinking Angel he knows everything there is to know about cars. Cloe got out her phone and dialed Cameron s cell phone number.

I m sorry I understand you finally met the girl of you dreams Dylan but there isn t a need to completely forget about me! Cameron was full of anger towards Dylan.

I know& how could I have missed it. Dylan said, his voice trailing off.

What are you talking about Dill? Cameron asked.

You re just jealous!

Come again?

Cameron, you re jealous that I actually fell in love and you didn t.

Dylan don t be ridiculous. I m not jealous. I just wish you d realize that the world doesn t revolve around her, until you wake up and finally realize that- Forget it I don t need this.

Cam if you don t understand how special she is to me, we don t need our friendship either!

Fine! Cameron left Dylan s house. He didn t get past the sidewalk when his cell phone rang.

Hello?

Cameron emergency! My car is totally trashed and I won t be able to go out anywhere! Please Cam you have to help me! If you don t my car will be stuck this way forever, my parents will totally ground me, and worst of all I II have to baby-sit my cousins to even earn enough money to cover the costs of repairs and-

It s okay Angel. I m coming just sit tight.

Please Hurry! My parents will be home in about an hour.

I m on my way.

Okay Chapter two s completed. Yahoo! Anyways I hope anyone who reads this likes it. R&R It s greatly appreciated.

#### 3 - Realizing

Well, let s see want a rewind?

If you don t mind

Okay, well, I got mad at him because he was completely ignoring me because of his girlfriend, so I told him about it and then I got accused of being jealous when there s no possible way that I am. Can I have the fluid please? His father passes the radiator fluid to his son.

I think in a way you are.

Dad I m totally not jealous.

Yes, you are Cameron&

I m not jealous, okay well I kind of want him to pay more attention to his friends more the he does his girlfriend but that s not jealousy is it?

Cam, you re his best friend, you should be behind him and supporting what he wants to do one hundred percent.

You re right& if she s what he wants then I ll have to leave him alone and let him do his thing.

Exactly& are you almost finished?

Yeah, I just have to clean up oh and one more thing.

Well whenever you re finished make sure to come inside, have a shower and get comfy okay?

I will. His father went inside. Cameron stepped back and looked at her old white car. It definitely needed some spicing up. He got an idea and got right to work. In a house about four doors down from Cameron s, Dylan and Alyssa were cuddling on the couch together.

"Dylan& I m worried about your friends&

Why?

Apparently you ended a friendship for me?

Well, he was mad at me for being in love with you, he s just jealous.

No Dylan& he s not jealous that you re in love, he s jealous of me& ever since we became more serious, you ve not only been ditching Cameron, but all of your other friends too.

Are you saying we should break up?

No, I wouldn t want to all I m saying is to try to equal out you re time with both sides. Like for example if we spend the whole weekend together, then you and you re friends should spend weekday afternoons

together.

Why don t we just play it by ear. Like I m going to hang out with my friends and maybe will see about one night sleepovers or a date during the week. Cam normally sleep over on weekends& no offense I love you but-

See Dylan that s what I want to hear& friends are always forever& besides I ve got to get going home before I m late.

I love you Ally&

I love you too. Alyssa leaves his house and he decides to go too. Mom I m going to sort things out with Cameron!

Ok& just be home before ten tonight& Dylan left the house a heads over to his best friends house.

Here s Chapter Three& finally I was thinking about how to do this chapter, oh well it s up now&. R&R it s always appreciated&.

## 4 - Surprise, Surprise!

Untitled

Chapter Four: Surprise, Surprise!

The sun was shining brightly as Cameron drove Cloe's car down the street and quietly pulled into the driveway. Sasha stood up and looked out Cloe's bedroom window; she woke up the rest of the girls. Oh my gosh Cloe& you re car's totally hot!

No not really Sasha, it s basically vintage.

Girls& come look at this. Yasmin, Jade and Cloe all got up and stared out the window. The car itself is a creamy blue, with a gray interior, but the seats were covered with white fuzzy fabric. The girls rushed down the stairs, and right out the front door.

Wow, Cameron! Seriously how much do I owe you?

Like I said, nothing& you could say it s a favor from me to you. He smiled.

Oh, really? Cam, this is too much! Cloe face shined brightly just looking at the car.

This is totally lush& I love it. Yasmin claimed.

How long did all of this take you?

Well I started at eight thirty at night and I did the finishing touches this morning. Here let me show you a couple things. Cloe, say hello to your new surround-sound speakers and five disc changing CD player. The girls mouths popped open in amazement.

Wow& is that all? Cloe asked.

Well upgrading wise, yes that s all. I fixed your radiator, changed the battery, gave the car a paint job, added seat coverings and then I added the stuffed teddy bear in the back.

Wait added the what?

Happy Birthday Angel& Cameron leaned over and lightly kissed her cheek. Cloe leaned back and picked the adorable light brown teddy up and hugged it tightly.

Awww Cam I love it& it s fluffy too. You re so sweet& They got out of the car and Cloe s best friends looked at her.

So girlfriend& what do you want to do for your birthday?

Cameron& She immediately blushed ten shades of red.

Uh& I II take that as shopping. Sasha guessed. Cameron blushed slightly too. Anyways& how s things going over with you and Dylan?

Oh we talked everything out earlier this afternoon.

Great& so we have our Dill back?

Yep&

I had to cut this short sorry: ( Did you like it? I d like to hear what you think about this so far. R&R please&

## 5 - Just Hanging At The Mall... Again

Untitled

Chapter Five: Just hanging At the Mall& Again&

W sup ladies&? Dylan said as he strolled towards the four girls. They all looked up at him.

Would you get rid of those dumb sunglasses? Jade asked, trying to be serious.

Do you think I should like totally get a nose job?

Okay Dill, now that was scary, you sounded just like Kirstiee there. Yasmin shuddered; the thought of those dreadful Tweeveils ruined her day. But wouldn t you know, just as soon as someone thinks about them they have to appear. The horrid girls walked right up to them.

Oh my god, like Kirstiee, it s those totally twisted fashion freaks&

Yeah! They said together, bumping eachother.

Hey listen here blondie& at least they dress up for Halloween& all you have to do is just go out as yourselves. The girls and Eitan were laughing hysterically. The Tweeveils walked away.

Heads up! Cameron had spiked volleyball and it smashed Kaycee s nose of course. The ball flew up in the air again.

Ow& You re so clumsy.

Arrrgh! Let s go before they throw something at me Kaycee! They ran off. The ball was about to knock over the blender. Eitan hit it back towards Cameron. He caught it of course.

Nice spike Cameron& Cloe commented.

Thanks Cloe& do you want to play?

Sorry, normally I d be out there totally kicking your butt but I just got hair done.

Oh, okay then.

You know how girls are Cam. So& like I asked before, Dylan sat down at the table with them. W supladies?

Nothing& we treated ourselves at the Salon n Spa&

That s cool& Jade looked at Dylan, she put her smoothie down.

I have a question Dylan, and answer honestly. Why did you stick up for us?

Once you re my friend, I ll always have your back. Even if you weren t there at the time, ask Eitan I still would ve stuck up for you. Eitan motioned for Cameron to come towards him while the girls were talking to Dylan.

I keep doing the cords like you tell me to but they don t sound right& you try.

If you want me too. Cameron lifts himself to sit on the edge of the smoothie bar. He turned around and Eitan gave his guitar to Cam. Dylan and the Girls stared at him as he tuned the guitar.

Man, no offense or anything but that s awful. Eitan chuckled and looked at Dylan.

Of course is sounds bad he s tuning it& hey is that why it didn t sound so well?

Well that s what I m trying to find out& Here listen to this& Cameron played a few notes... from the beginning of the girls smash hit So Good. He played about 15 seconds of it. Then he handed the guitar back to him.

Dude, I thought you only played electric?

Well yes but it s still the same really, but you just don t need an amplifier with an acoustic guitar like yours.

You play guitar Cam? Cloe asked.

Yes& I can. Just another one of the things that you never knew about me.

So not true I know some things about you.

Alright, I II give you credit& Cloe blushed.

So Cameron how s that girl you we re crushing on wasn t she in your drama class?

Dylan! Shhh! Cameron didn t want the girls knowing.

Here s chapter five& I named the story Untitled so I could just put random things in the story with out it having to be only focused on one topic. This way it will definitely be longer. I hope you ve enjoyed this& R&R It s appreciated.

#### 6 - Who Is It?

Untitled

Chapter Six: Who Is It?

Later that sunny afternoon the girls were sitting around the office. Yasmin had her nose buried in another mystery novel, Sasha had her headphones on while typing her article on her computer, Cloe was fixing her lip-gloss and Jade was eating popcorn watching a soap opera. Yasmin put her bookmark inside her book and she closed it. Sasha! Yasmin shouted. Sasha took her headphones off.

Yeah? She replied.

Who do you think Cameron is crushing over?

Well, it has to be someone we know, I mean, there isn t anyone new at Stiles High.

True Sash& but I don t have Drama at all& so it can t be me&

Well girl, don t look at me& I have Drama second period& Cameron has it last period of the day, so it definitely ain t me. Cloe and Jade looked at eachother.

Okay well Angel it has to be one of us, but who?

I don t know.

All I can say Angel, is that why would he want to date you? Cloe shot a angry glare towards Jade.

Me? Why would he want to date me? Because I m way better then you! Yasmin and Sasha looked at eachother.

Oh, no you so didn t. Jade said standing up.

At least I m not all stuck up.

Stuck up? Stuck up! Oh please Cloe don t even go there. You re more of a prissy school girl then me!

Phew& Chapter six. Uh-oh& Jade and Cloe both like Cameron& but does he even like either o them. Suggestions are open anytime. Please R&R: D I appreciate it.

## 7 - Not Saying

Untitled

Chapter Seven: Not saying?

All the girls walked right up to the cinema, where Dylan and Cameron were hanging out. Cameron! The way Cloe shouted Cameron jumped a little.

Yes? Jade and Cloe grab his arm and pulled him away. Ouch what is it? Cameron finally pulled his arm away.

Who is your crush!

Excuse me?

Cameron don t play with me! Jade said loudly, trying to keep her cool.

I m not saying! God, would you girls just leave me alone! Cameron bit his lips nervously.

Jade, Cameron doesn t have to tell us if he doesn t want to.

Oh no Cloe, he needs to spill it.

Jade, I d knock it off if I were you. Dylan warned cautiously.

Why? She asked putting her hands on her hips.

Even though it takes a lot to make Cameron mad, that doesn t mean he won t freak out on you.

Whatever. Cameron! Tell me now!

Stop yelling at me! I can t even hear myself think.

Well, tell me then.

No it s none of you re damn business! He shouted.

No need to shout Cam. Sasha assured him.

She won t leave me alone.

That s alright Cameron. Cloe said as she pulled him into a hug. He was shocked at first but then he hugged her back.

I m not going to say but I II narrow it down.

Go ahead, Jade said impatiently.

No offense you re really nice Jade but I just don t see you in that way. You re more my sister then my soulmate. Jade s mouth dropped. *Okay That Really Backfired!* 

\*gasp\* Cameron ruled out Jade. Wait but the girls didn t forget about Fianna, Meygan, Phoebe, Roxxi and all of those girls. Did you? However lol tell me what you think. R&R

#### 8 - Figuring It Out

Untitled

Chapter Eight: Figuring It Out

Great Jade now look what you did. Cloe said as she plopped down on the chair. He totally hates us.

Yeah, well how do you think I felt? Cameron just told me he didn t like me.

It s not that he doesn t like you Jade. He just said in that way. Yasmin corrected.

I guess it s not that bad, Y know I liked someone else better though.

That s our Kool Kat! Sasha shouted happily.

So down to business& there s still Roxxi, Phoebe, Fianna, and Meygan. I ll text all of them to see if they have last period Drama with Cameron. About five minutes later Yasmin put way her cell phone. Then it rang. After she read all of the texts she looked back over at the girls. Nope, none of those girls have last period with Cameron. The girls all looked at eachother.

I think I know who he likes now. Jade admitted. It s got to be Cloe.

Me? You really think he likes me?

Yes Cloe, think about it. He lets you hug him, and he tells you things and well all of that stuff. Jade assured.

I just can t believe he would like me? Should I go talk to him?

Yeah Girlfriend.

Cloe walked up to Cameron s house and up onto his front porch. Okay Angel, don t blow this. All I m doing is talking to him. I won t even notice those butterflies fluttering around and making me slightly nauseous. No I won t even think about them. And I definitely won t think about my knees getting weak or the fact that I can hardly speak around him. Cloe finally gathered up the courage to knock on Cameron s door. A young-looking woman with natural bleach blonde hair and her light brown eyes looked down at her. H-hello is Cameron there? She asked.

Yes, hold on just a minute honey. She closed the door and within not even five minutes later Cameron opened the door.

Hi Cloe, what s up? She looked into his deep blue eyes and just lost her self in his gaze. Cloe are you

okay? What? She said snapping out of it. Oh sorry, I wanted to ask you something, Oh well come then. I won t be long I swear. No, I insist c mon in. Okay. Cloe felt excited and nervous all at the same time as she walked into his living room. You can sit down you know. Oh, right, sorry. Cloe sat down on the couch and watched Cameron as he sat down right next to her. So, why did come to see me? Well, I wanted to ask you something. What? Cameron& do you like me? Yeah of course I do you re my best friend. No, Cameron that s not what I meant. Oh, yes, Cloe I ve liked you for a long time. Really? I ve liked you for a long time too. I just thought that if you found out then you d ignore me.

Cloe, now we know that we both like eachother. Will you be more than friends with me?

Wait, you re asking me to be your girlfriend aren t you?

How will Cloe React? Dum dum dum! You know what to do& R&R lol :D

Chapter Nine: Love Is In The Air

#### 

Thank you to all the people who ve reviewed so far. You re the people who keep my creative juices flowing. ^-^

#### 

Cameron looked into Cloe's eyes. He smiled. Well Cam, are you asking me to be your girlfriend?

Yes Cloe. He leaned in and Cloe instantly knew what was going to happen. She moved in, wanting to feel the softness of his lips. Their lips brushed against each other s. As they were kissing, Cameron lied her down on the couch. Cloe loved having Cameron this close to her body. She wanted him& and she also wanted his child. They parted the kiss. Cloe, do you want to go upstairs? She nodded and Cameron led her up the stairs and into his bedroom.

Cloe took off Cameron s shirt to reveal his muscular body. She kissed him passionately. Cameron slowly took off her shirt, and then they began kissing again&

Cloe woke up about three hours later. She felt different but in a good way. Cameron opened the door to see that she was finally awake. Hey Cloe. She sat up instantly.

Cameron! Am I still a virgin?

Shhh Cam lulled as he sat down beside her. No& don t worry though, I m not either.

Okay so we were both virgins before we Y know had it right?

Yes hon, it s okay& just know that I love you. Cloe felt calm and happy. Do you want to go home?

Yes, that d be nice. She declared.

I II walk you home.

# LATER THAT EVENING:

Cloe was starting to feel sick to her stomach so she decided to lie down.

I m so sorry I had to cut this short. Please R&R

#### 10 - What?

Untitled

Chapter Ten: What?

It s been seven days since then, since Cloe had lost her virginity to the sweetest person alive. She had to tell him. The reason why she was sick., Cloe knew she had to say well there was no better time then on one of their study dates. Hey baby& Cameron said as he came in her house.

Hi Cameron, listen there s something I have to tell you. She hugged him tightly.

What is it Angel?

Cameron & I m pregnant. Cameron smiled.

Really& I mean that s going to be our baby?

Whoa Cameron are we ready?

Cloe, I love you so much, and right now I d marry you on the spot I m happy that you re pregnant.

But Cam, what about our schooling?

Cloe I don t believe in abortion.

And maybe there s something else I should tell you. I m a witch& my mother and grandmother both were aswell.

Why are you telling me this Honey?

Because with witches& well this baby is going to be born in about two days from now.

Cloe. I m really excited. Let s go baby shopping. Cloe couldn t help but smile. She should ve known Cameron would never leave her.

What is it Cloe? Yasmin asked eagerly.

It s a boy&

Awww Yay! That s so cute.

How s Cameron taking it? Does he want a boy?

Cameron said No matter what it is I II still love it the same. But between us, he wanted a girl.

Wow, so how s school going to happen? I mean with the baby and all. Jade wondered out loud.

He said he II be looking after the baby while I go to school. He s always known that I ve wanted to be a teacher.

Well at least you know he s dedicated.

Exactly& Cloe agreed.

## 11 - Baby Time!

Untitled

Chapter 11: Baby Time

It was about a week later, the baby is in perfect health and Cloe's been going back to school. Cameron however, has had fun. Looking after a child of his own is what he s always wanted to do. It was about two fifty-seven in the afternoon when Cloe and all the girls came in her house. Hey Angel. Cam greeted in a whisper.

Why do we need to whisper?

I just put him down for his nap.

Oh, come over here girls. All the girls gathered around the small baby crib and looked over to see him.

Say hello to Connor& Cameron said tiredly. They all cooed at the baby gently and sat back down on the sofa.

So who s hosting the sleepover this weekend? Sasha asked.

Well who ever is I can t go. Cloe looked at her friends.

Why not Cloe? Jade asked.

Yeah Angel, it is never a true slumber party unless all of us are there.

You go honey&

No, that s not fair to you Cameron. You ve spent the whole week looking after the baby, it s just not fair. Besides you look like you could use a nap yourself.

But Cloe-

Don t But Cloe me Cam, you need rest and I need to spend some time with that baby of ours.

Alright, you win.

Sorry girls my place is here right now.

That s okay Cloe we understand. Yasmin, Jade and Sasha left her and Cameron to tend to their bundle of joy.

So& how s he been this past week? Cloe asked.

Well, he doesn t burp easy& almost everytime I go to burp him, he normally spits up.

Oh, great. Anything else?

He likes to be sang to as he s falling asleep. Hmmm what else? Oh yeah and he needs to be feed every like four-five hours.

I was being sarcastic when I said anything else but okay.

Don t stress Cloe.

But oh my gosh! What if I turn out to be a horrible mother? And then those mean people come to take him away and then my parents will be so ashamed. Just then Connor started to cry. Cameron! What do I do?

Here Cloe it s okay if you re upset a baby can sense stress and they II become more and more upset. You just have to stay calm.

Okay Cam. I II try.

Here, hold him.

Cloe took Connor gently from Cameron and held him, close to her heart. Cameron smiled at the beautiful sight in front of him.

Okay this is Chapter Eleven done. I hope you like this I m kind of getting bored with this story but if you want me to continue tell me. But if you think I should end this tell me that too (nicely though) Also I don t know if there will be a sequel. I might just simply do another story altogether.
