Chapter 1 - Senseless

1 - Senseless

Senseless.

And the tap-dancing peanut took a break to eat the glove,
The one that fell from cloud 9 of the heavens of above.
But after it was swallowed and had been stuck inside it's throat
The nut was set on fire by the owner of the goat.

And the owner of the goat, who was a skittle anyway,
Well, he committed suicide because his DNA
His DNA was in a fight with Kurt Cobain's guitar
And finally accepted that a Toyota is a car.

I once bought a Toyota car, and there I found a flea.
It dreamt of being a pirate and to puke into the sea,
Yet when it fell asleep and when it drooled just for fun,
A cheesy rabbit came and turned it's thumb into a nun.

The rabbit put a candy cane inside a turkey's breast,
Immediately got warned by Esmeralda of the West.
Because that weird girl Esmeralda surely can't survive
Fifteen golden carrots trading noodles for a wife.

The wooden pants and all the noodles imitated me,
They sure got lots of money for inventing peanut-tea.
And the wooden pants got his ideas by reading, yes you know
The bravely written poem that is standing here for show.
