1 - No memories

It was a dark and ominous night in the forest for anybody to be outside and yet a group of young kids out with wired outfits on.

"So what are we doing here?" the one in the Yellow and Red Outfit asked.

"The League sent us on a Simple reconnoiter mission..... So just don't mess it up like last time" the one in the Red and Black outfit, with a Yellow and Black cape on.

"Alright I'll try not to"

"I'm serious Kid-"

"Ok Robin, no need to get your feather's in a bunch."

"Ok where here" the girl with the Blue and Black cape, a blue skirt, and White and Red top on. They quickly and quietly pulled out some night vision binoculars to see what was happening, what they saw was disturbingly amazing, a girl with angel wings That was wrapped around her body with ribbons around her. She was curled up in a ball covering herself she was floating in a glass chamber. She had shining blue and silver hair. Her skin was pale.

"Wow" Kid said. Her eyes began to slowly open and the glass began to crack and then it shattered. Impaling the guards around her.

"She took down almost every one in like 2 seconds flat." Kid yelled as he picked her up and disappeared.

"Is she going to be ok?" Robin asked.

"Yes, yes she will." A female voice said.

"Un..... Where am I? and who are you? and what is this please?" She rubbed her head. "I can't remember hardly anything but my name, Luna.
