Scared to Avoid

You've never bothered me before
May I ask why now?
Leave me alone
Don't ask me any questions
Keep yourself to yourself

So you hid this and now
You're furious
You've always had obvious issues
So get help don't sell yourself

But now I'm afraid of holy grounds
So this must be for as long as visits remain
How long can I avoid her?
I'm afraid of what might happen if I don't
