# 1 - Chapter one, Part one

ChapterOne:

Part one:

It was right after Kurama's fight with Karasu, and the devastation from the win going to the opposing team still hung thickly in the air around the Urameshi team.

"It's not fair..." Yusuke thought, fuming silently, "Karasu died! Kurama should have won, who cares if he was down for 10 freaking seconds?!"

It was Hiei's turn to fight now, his opponent being a female demon by the name of Shiei.

It unnerved Hiei slightly, that woman's name was so close to his own, and she even seemed to act like him...or at least had the same attitude towards humans. He glared at her, she even dressed like him, dammit.

Hiei brushed it off as coincidence, and jumped into the ring, landing lightly on his feet without even wrinkling his clothes.

Juri's voice boomed from the speakers, amplified by the advanced sound system that had been installed. "From Team Urameshi, we have Hiei at a height of four foot ten inches! And from Team Toguro, Shiei, at an almost equal height of four foot nine inches! This looks like this is going to be one exciting fight, people!"

"Don't think just because you're female I'm going easy on you!" Hiei told his opponent, giving her his trademark icy glare.

"Just as expected, I don't need special treatment!" Answered Shiei as she got into attacking position.

The crowd began to cheer, and the fight started. Unbeknownst to them, the two fighters had started more than just a fight for victory, and their destinies were soon to intertwine...

Hiei then made the first attack, to the untrained eye, the two fighters became nothing but blurs of black as both took off suddenly, heading straight for each other. The clanging of blades clashing filled the arena until it became so loud it was as if an entire army was fighting. Hiei could hardly believe it...this opponent...this *girl* seemed to be as well trained as he was! His eyes narrowed into pinpricks of crimson. There was no way he was going to lose!

"WOAH! She's just as fast as Hiei! How is Hiei supposed to hurt her?" Said Kuwabara as Shiei dodges one of Hiei's attacks.

"Don't worry knowing Hiei he'll think of something..." Kurama and Yusuke said as they stared at the fight.

Kurama thinks to himself "*Hiei what are you planning? I know those bandages on your arm are because you remastered the darkness flame, but will that be enough against somebody who has the same skills as you!?*"

Shiei then comes in with a counter attack from behind but Hiei dodges that. Hiei then tries to hit Shiei with his sword but she dodges again. Shiei then comes in with another counter attack. Hiei easily dodges that attack too. They just keep dodging each other's attacks.

Hiei & Shiei then stop attacking each other and are standing on opposite sides of the ring. Now they are staring at each other with the look of determination in their eyes.

"You are worthy opponent..." Hiei says as he stares across the ring at Shiei.

"As to you the same!" Shiei answered from the other side of the ring.

"But don't think I will give up that easily!" Hiei said as he got ready to attack again!

Hiei then pulls off his bandana revealing his Jagan eye! He also unwraps the bandages on his arm.

"Should have figured you would pull that trick off, but that does not change anything cause I have my own experiences with the Dragon Of The Darkness Flame!" Shiei said as she watches Hiei get ready to attack her with his Jagan skills.

"What does she mean by that." Kuwabara says, then he starts to think to himself "*Don't tell me she has one of those third eyes too!? ...AH!*"

"So how long do plan to hide the truth? I know that outfit: Long sleeves to hide the bandages and a bandana to hide the Jagan! Did you really think you could fool me?" Said Hiei as he glares at Shiei.

"No I did not think I could fool you!" Shiei said sarcastically, "But now that you have figured it out..."

Shiei then pulls off her cape thing and now the two of them are wearing same outfit!

"They look alike! That's just plain creepy!" Kuwabara said with slight fear in his voice.

Kuwabara then started to think to himself again "*AH! She does have a third eye like Hiei! That is plain creepy! Can I go hide somewhere?*" Kuwabara then hides behind Yusuke.

"Hn! Just as I suspected! You do have a Jagan and you have mastered the Dragon Of The Darkness Flame too haven't you!?" Hiei said with sarcasm in his voice.

"You have figured me out" Shiei says, then she pulls off her bandana and unwraps the bandages on her arm too! "Let's see who has the better Jagan skills of the two us!"

"Fine by me!" Hiei answers with a happy tone in his voice.

The two of them charge at each other both doing a fist of the Mortal Flame! They keep hitting each other with the attack but neither are taking any damage! But they were losing a lot of spirit energy!

Hiei starts to think in mid-attack, "*This has stop! This is using up too much energy!*"

Shiei starts thinking in mid-attack too, "*I'm losing too much energy doing this! This has to stop!*"

Hiei and Shiei stop using the Fist of the Mortal Flame at the same time.

"Now what?" Kuwabara says from the sidelines.

Kurama thinks "*Are you going to use the darkness flame Hiei? Even though you know she has mastered it too? She could just have it turn around and have it attack you instead!*"

Hiei smirks and says, "Time to use something have been saving..."

Shiei starts to think to herself, "*He is going to use the Darkness flame! THE FOOL! I can just turn it around and have it attack him instead of me!! But wait... how do I know he hasn't truly mastered it like so many have tried!? If that were the case then the dragon would not hurt him! But then again would it hurt me? I have mastered it too, so it shouldn't hurt me either! So if I'll let it hit me then I can send it at him! He'll never suspect it!!*"

"DRAGON OF THE DARKNESS FLAME!!!" Screams Hiei as the Dark Black flameshaped like a dragon charges at full force toward Shiei!

Shiei starts to laugh as the dragon hits her!

"There it is over...." Hiei says as he is now out of spirit energy.

"Huh? I guess the winner is Hiei cause Shiei is nowhere in sight!" Juri says with much surprise in her voice.

"I wouldn't count me out yet!" Shiei says as she comes from out of nowhere!

"WHAT NOT EVEN A SCRATCH!?" Kuwabara and Yusuke scream with surprise.

Hiei then says, "Hn! I should have known better!"

"Yes now die at the hands of your own dragon!" Shiei answers as she starts to laugh!

"DRAGON OF THE DARKNESS FLAME!" Shiei Screams as the attack goes charging at full force toward Hiei! Just before the dragon hits Hiei smirks! Shiei now is laughing for she thinks she has won...

"AHH!" Juri screams "ok...I guess Shiei is the winner, then!?"

Hiei then pops out of nowhere and says, "HAHAHAH! Is that all you got?"

"Hn! I see you have truly mastered it too! But now we are both completely out of spirit energy!" Shiei says with no trace of surprise in her looks or voice.

"Seems that we have..." Hiei answers.

"How about we end this with an old-fashioned swordfight!?" Shiei suggests

"Fine!" Hiei answers.

Hiei and Shiei draw their swords and start slashing at each other! Dodging some getting hit by others until Shiei and Hiei make direct eye contact!

Shiei surprised by her own actions starts thinking to herself, "*Huh...whatthe? What's wrong with me?*"

Shiei then accidentally drops her sword!

Hiei sees how she is acting and starts to think to himself, "*She dropped her sword, why? And why do I have this feeling like I can't attack her!? What's wrong with me!?*"

Hiei then almost drops his sword too! Hiei then gets back on track and goes in to attack while Shiei still has her guard down. Shiei picks up her sword just in time to block Hiei's attack.

Then they start to whisper from their cross swords....

"What's wrong? Why did you put your guard down? I thought this was to be a fight to the finish?" Hiei whispers to Shiei.

"What about you? You are no longer fighting at full force either!" Shiei whispers back.

"What are you thinking?" Hiei asks quietly.

"We pretend to be fighting, then fall out of the ring and make this a tie! Cause neither of us wants to lose!" Shiei whispers back.

"I don't know why I am agreeing but yes it's a plan we can make-work!" Hiei quietly answers in return to Shiei's suggestion.

Shiei then whispers to Hiei, "Ok I will let you knock me out of the ring go after me and we just make sure we keep fighting outside the ring for 10 counts!"

"Ok! 1-2-3.... GO!" Hiei whispers.

Hiei then knocks Shiei out of the ring! Shiei crashes into the wall! Hiei follows her out of the ring...

"Remember 10 counts..." Shiei reminds Hiei.

"Yes I know!" Hiei answers sarcastically.

Hiei and Shiei continue to fight outside the ring, trying to make it seem like they don't even realize they are out of the ring!

"What is Hiei doing? Doesn't he realize that if he stays out the ring for ten counts we lose this round?" Yusuke asks.

"Not if Shiei is out of the ring too, then it will be a tie and both teams get a win!" Kurama answers

Kurama then starts to think to himself, "*What are you planning Hiei? Do you want to tie? But why would you want to tie against a girl...! Unless...But that could never happen! Hiei doesn't understand love!*"

Juri then realizes they are out of the ring, "Well since they are out of the ring I will start the count.....one.....two.....three.....four.....five.....six.....seven.....eight.....nine.....ten! Since both players were out of the ring for ten counts this round will be considered a tie and both teams get a win!"

Hiei and Shiei stop fighting as soon as the tie was announced. Hiei looks at Shiei and Shiei looks at Hiei....

"There now, neither of us loses!" Shiei says with satisfaction.

"Hey it's better than losing!" Hiei says with a happy tone again!

Hiei goes back to his team and Shiei goes back to hers...

Yusuke now very much confused asks, "What was that! You tied!? What's up with that!?"

Hiei now very exhausted from the fight answers, "What.....wegot.....a.....win.....right....?"

"Yes we did!" Yusuke says, "What's with you?"

"Doing the Dragon Of The Darkness Flame took.... all the energy .....out of me!! barely got.... through the sword fight! Now.... I need..... to hibernate!" Hiei answers with a very tired voice. Hiei looks as if he is about to fall asleep right at that very moment!

"For how long?" Yusuke asks with curiosity.

Hiei answers with the last bit of strength he has left, "I....don't know..... I am trusting.... you....to .....put....my...body somewhere.....where it.....won't.....get stepped.....on! And.....when.....I.....wake....up..... you....better.....have.....won.....Or.....I.....kill.....you.....myself..... Hiei then collapses!

Kurama starts to laugh, "Leave it to Hiei to get in that last-minute threat!"

Yusuke starts to laugh too, "Yup that's Hiei for you!"

*"But why did he tie with a girl?"* Yusuke asks himself.

End of part one!

## 2 - Chapter one,Part two

Part two:

After Hiei and Shiei's fight the ring was in pieces, so a new one had to be brought in. The teams are waiting and resting while the new ring is being brought in. Hiei has been hibernating the whole time!

Hiei wakes up and asks, "Where am I!? How long have I been out!?"

Kurama answers, "In the stadium and you have been hibernating for six hours!"

"Six hours! Well who won the tournament?" Hiei screams for answers.

Kurama gladly answers, "Nobody yet!"

Hiei confused says, "Huh? What do you mean nobody yet?"

"Your fight against Shiei left the ring in pieces, so they needed to bring in a new one!" said Kurama with a sound of stupidity.

"Oh I see!" Hiei says "Kurama, can I talk to you about something? You mentioning Shiei just now reminded me of something that I wanted to talk about."

Kurama thinks to himself "*Could my assumption be correct!? But how could he fall in love with Shiei!? Hiei doesn't understand love! Unless that's what he has to ask me!? He doesn't understand his own feelings for her and that's why he tied against her!?*"

Kurama then asks, "What is on your mind Hiei?"

"Well....when I was fighting Shiei I don't know what happened but I got this feeling that I could not hurt her.....What was that?" Hiei states with much confusion.

"Hiei your in love with Shiei!" Kurama answers with much surprise.

Hiei then asks, "What's this thing called love!?"

Kurama smirks and answers, "It's what you just said....When somebody cares for someone of the opposite gender, enough that you couldn't harm them!"

"I don't understand!" Hiei said confused.

Kurama then says, "Of course you don't...Ok why don't you go and talk to her, also see if she has the same feeling for you!"

"Ok.... But where is she?" Hiei asks baffled.

Kurama then tells Hiei "Outside somewhere. You go find her...."

Hiei then goes and looks for Shiei....Hiei finds her and they start to talk.....

"Um...Hi Shiei" Hiei said.

"What do you want?" Shiei asks with her normal bad attitude.

Hiei then answers, "Well my team keeps asking me why I tied with you and I don't know what to tell them.... So I figured I would ask you....?"

"What it was my idea and you went along with it! I can't tell you why you decided to go along with my plan!" Shiei says angrily.

"Why did you drop your sword during the fight!?" Hiei then asks.

"I don't know really....." Shiei answers confused.

"Why don't you try to explain..... it is always better to talk to somebody....." Hiei said with care.

Shiei looks up at Hiei and asks, "Why do you care!?"

"Cause I do!" Hiei said gently.

Shiei looks up at Hiei again and starts to explain what had happened during the fight. Hiei and Shiei continue to talk until the announcement was made that the new ring was in place and the tournament

would continue! Hiei and Shiei stop talking about what happened during the fight.

Hiei then says, "I got to go back and meet up with my team...."

Shiei looks at Hiei and says, "Yea me too.....bye!"

"Bye..." Hiei said gently.

Hiei meets up with his team...

Yusuke notices Hiei and asks, "Where were you Hiei!?"

"I just took a walk to pass some time...." Hiei answered without even looking up.

The rest of the team goes on ahead.....

Kurama then whispers to Hiei, "You were talking with Shiei weren't you!?"

Hiei just keeps walking and responds with his trademark Hn!

Kurama starts to think to himself *"I take that as a yes! I guess he doesn't want to talk about it....."*

Juri's voice began to boom from the speakers, "The next fight is about to start....."

End of part two!

### 3 - Chapter one, Part Three

Part three:

Now that the Dark Tournament is over everyone is ready to go home! Yusuke has defeated Taguro and all is well again! The only survivor from team Taguro is Shiei. The gang has let Shiei hang with them for she doesn't seem like that bad of a demon. Now they are all waiting for the boat heading home.....

"Man how long does it take for the stupid boat to get here!?" Yusuke complained.

"I'm bored..." Kuwabara stated *"I wonder where Yukina is!"*

Suddenly the boat arrived!

"Finally! It took long enough!" Yusuke said irritably

Everyone gets on the boat and goes to their own little spot..... Kuwabara was thinking about Yukina and kittens, Yusuke was thinking about how he was going to skip school, and Kurama was thinking about his human mother and how he was going to explain where he has been this whole time! Hiei on the other hand wasn't thinking about what he was going to do when he got back.... Hiei was thinking about his fight against Shiei and what he and Shiei had talked about, Shiei was thinking about the same thing..... The boat finally arrives back in the living world.....

"Hey it's kind of late...." Kuwabara said.

"Yea..... It will take some time for all of us to get home...." Yusuke stated.

"How about we camp out here for the night and head to our homes in the morning?" Kurama suggested.

"Good idea Kurama!" Yusuke stated happily, "But where do we get food?"

"Well there is a "nearby" town.... we could buy some." Kurama said, "Does anybody have money?"

"Nope" Yusuke answered irritably.

"I never have any money...." Kuwabara answered sadly.

"I don't have any money either....." Kurama said.

"Hn! You fools just wait here I'll get the food....." Hiei said sarcastically.

Hiei leaves to go "buy" some food.....

Hiei returns with more than enough food!

"So how did you get all that food?" Shiei asked curiously, "You of course don't have any money."

"The storekeeper valued his life more than his merchandise!" Hiei said.

"Should have figured he would pull that one off..." Shiei said sarcastically.

End part three

## 4 - Chapter one, Part four

Part four

They all ate and talked until it got really late and they all went to sleep.... Yusuke, Kuwabara, and Kurama all slept on the ground ..... Hiei and Shiei jumped into nearby trees to sleep..... Hiei dreams about his past that night.....

Hiei's dream.....

You see three men and a boy discussing something by a campfire ..... Over by a nearby tree a girl sits and waits for them to finish talking.....

The first man says, "She can't stay with us....."

The second man says, "She is old enough to take care of herself....."

The third man says, "She is no longer wounded she can go on her own now....."

The boy who looks like a younger Hiei without his Jagan just sits in silence glancing at the girl every now and then.....

The first man then says, "All in favor in letting her go on her own say I"

All three men then say, "I"

The first man then turns and looks at the boy and says, "Sorry Hiei we have to let her go I know you didn't want to but we have to and you know the rules.... No goodbyes because goodbyes lead to never having closure...."

"Hn! Yea I know....." Hiei said sarcastically.

The man then says, "You should be the one to tell her...."

Hiei then goes over to the girl by the tree.....

"Well....? What was decided?" The girl asked.

"You can't stay with us... you have to go on your own...." Hiei answered sadly.

"Do I at least get to say goodbye?" The girl asked hopefully.

"No..... They don't allow Goodbyes..." Hiei stated "Stupid rules!"

"Do you remember that tree off to the north?" The girl asked.

"Yes.... what about it?" Hiei answered curiously.

"Meet me there after they are all asleep....." Girl said cheerfully, "We can say our goodbyes....."

"Fine....." Hiei answered softly.

Time passes and the three men go to sleep....

Hiei notices that they are asleep and whispers, "Now's my chance....."

Hiei then goes to the tree in the north and meets the girl there....

The girl stares at Hiei and says softly, "Well I guess this is the last time we will see each other..."

"Yea....." Hiei answered with a sad tone in voice.

The girl then stated, "We will meet each other again some day right!?"

Hiei stared at the girl and stated, "Yea I hope so... but how will we recognize each other!?"

The girl looked at Hiei strangely and then smiled slightly and said, "By our necklaces!"

Hiei looked at her confused and said, "You mean the tear gems!?"

The girl smiled and answered, "Yes I will always wear mine on this string and you will always wear yours...right!?"

Hiei smiled slightly and stated, "Yes of course...it is the only thing I have from my mother.....same with yours right?"

The girl stared at Hiei and said, "Yes.... The tear gem I wear is the only thing I have from my mother too....."

Hiei looked straight into her eyes and said, "Yes....that's how we will recognize each other by the tear gems....."

Hiei's eyes start to water..... The girl looks at him and she starts to cry .....two red tear gems fall on the ground in front of the girl....

The girl looked startled and said, "Here take these.... Put one on the string next to your mother's tear gem and keep the other one somewhere safe where you won't ever lose it!"

The girl hands Hiei the two red tear gems.....

Young Hiei takes the red tear gems and says, "Yes I will do that and when we see each other again all I have to do is show you these tear gems and we will recognize each other!"

The girl then starts to walk away.....

Girl looks at Hiei and says sadly, "Goodbye..."

Hiei realizes that she is leaving and not coming back. He then starts to cry.....two black tear gems fall into his hands.....

Young Hiei tosses them to the girl and says gently, "Keep one somewhere safe where you won't lose it and the other one on the string....."

The girl tries very hard not to cry again and says, "I will do that and I will never forget you Hiei!"

Hiei stares at the girl as she walks away and then he screams, "I will never forget you either, Shiei!"

.....Hiei wakes up!

Hiei stares out into the night sky and says, "What was that!? I remember that day now.....when I was younger I met a young girl named Shiei but she was not allowed to stay with us....."

Hiei pulls a red tear gem out of his pocket.....

Hiei stares at the red tear gem and says, "I have kept this all these years hoping I would see her again...but I never did....I soon forgot about that day.....could the Shiei I fought be the same Shiei!?"

Shiei then jumps down from a tree branch above and is staring at Hiei.....

Hiei baffled says, "What do you want!?"

Shiei stares at Hiei very strangely and says, "So you do remember that day don't you!?"

Hiei extremely baffled says, "What!?"

Shiei then pulls out a Black tear gem from her pocket....

Shiei looks down at the tear gem and then up at Hiei. She then says, "I thought you were the same Hiei but the attitude was not the one I remembered.... So I just figured you were just another demon with the same name..."

Hiei very confused now then says, "How did you know I remembered that night!?"

Shiei snickers a little and says, "Well you did just dream about it, didn't you!?"

"What!? You saw my dream!?" Hiei said surprised.

Shiei smirked and said, "What just because you can't see other's dreams with your Jagan doesn't mean I can't!"

Hiei extremely baffled then says, "What you see people's dreams with your Jagan!?"

Shie continues to smirk and snicker. She then says, "Yes just one of the many skills I have that you don't.....now about that dream....."

Hiei and Shiei talked about the memories they had of the past together and what had happened since the night they went their separate ways... in the morning when everyone woke up Hiei and Shiei had already left.....The two of them left notes to everybody...

Shiei's note: Sorry I left so soon but I feel I must take my leave.....Hope we don't lose touch...bye!

Hiei's note: Well I take my leave early! Goodbye you fools!

Yusuke stares out into space and then at the notes. He then says, "Hmm... I wonder if we will ever see those two again....."

CHAPTER ENDS!
