**Chapter 1 - Memory**

# 1 - Memory

A boy once told me  
He would forget me  
I just nodded  
Stared a blank stare with glassy eyes  
And a cold glare  
I knew I shouldn't do it  
I could dig my fingernails deep into  
His memory when  
I started to slip from it  
When I would leave,  
A smile is nothing but a façade  
A kiss was nothing but a paper cut  
Slicing his lips and hurting him more  
O these sides ache  
From laughing and crying  
Your veins are cold and  
Mine are tense.  
Absurdity  
Was sparked and  
Burned my fingertips  
The tricks and fools  
Complete the race  
You've got yourself sunk  
Deeper into the mess  
But  
That's just how it goes.
