....just some poems...yeah.....most of them are from a poetry portfolio i made in 7th grade which got me the Young author's award

(i'm just saying-these are from memory so they may sound REALLY STUPID! >_< just don't go flaming about it)

Chapter 1 - night spirit	2
Chapter 2 - VACUUM!	3
Chapter 3 - Swan	4

1 - night spirit

Look in the night sky and what do you see?
The moon, a star, a sparkling sea
You may not know it, but there's something else there
Something watching you in the midnight air

2 - VACUUM!

it was time to clean my room
so i got out the vacuum and ZOOM!
but i was cleaning some guck
when something got stuck
and the vacuum exploded KABOOM!

3 - Swan

I am a girl
transformed to a swan
i stay this way in the world
from night to dawn

Transformed to a swan
graceful in ways
in the small pond
where i stay

graceful in ways
i sit in the pond
where i stay
and wait for Dawn

for when Dawn comes
i am a girl
in the bright sun
i stay this way in the world
