I got stabbed by an orange tree!

Yeah! Yeah! Yeah!

And now I know there's something wrong with me!

Uh oh! No!

(base solo)

It was one of those days,

Just a regular day,

Here out in NH!

I was just a normal guy,

Like every other guy,

Well, maybe not like Billy!

... Just don't ask.

And I got a new house,

Like every other house,

'Cept the neighbors were from philli!

Nice place.

And I had a house party

Yeah a really nice house party-

(Now this is where it gets wired folks and I promise you I am not on unprescribed drugs.)And the neighbors brought me a tree!

Tiny tree

And this was an orange tree

Not like every other orange tree

And soon

You will see!

Yes you will

And well like every other party that serves you beer. (Good stuff)

The place really got rocken!

Side to side

And I was dancein' with my girl

Yes a really pretty girl

And I tripped and crashed into Pete!

(We named the tree)

And I got stabbed by all the spikes

Yes they really do have spikes

And it made me bleed!

Yes it did.

Well when I woke up in the morning and I drove my girl home all the cuts...

Where red and itchy!

Yes they where.

And when I took a shower at home

While I was combing through my hair

It all fell out!

Very creepy,

And my only reaction was...

I got stabbed by an orange tree!

Yeah! Yeah! Yeah!

And now I know there's something wrong with me!

Uh oh! No!

I got stabbed by an orange tree!

Yeah! Yeah! Yeah!

And now I know there's something wrong with me!

Uh oh! No!

(Short base / drum solo)

So I went to see Doc

Yes his real name is Doc

And I asked

What's wrong with me!

Yes I did.

And he told me very slowly

Yes very, very slowly

(Douche bag)

That I

Was just getting' old!

No really

And of course I told him no

Because everybody knows

That I am only 20!

Twenty one

And of course he disagreed

Because he just plain hates me because of this one time

**In the closet!**

With the nurse (whose now his girl!)

And so I went to see another and he told me the same thing

**And then I really got pissed!**

So I left

I continued throughout the day

Wearing a hat all the way

**Because I was bald!**

Yes I was. (See no eyebrows)

Of course throughout the whole day

yes really the whole

day my scalp

**Was red and itchy!**

Very itchy

So I headed back to Docs

And of course by the time i got there

**So was every thing else!**

All of it

And of course so when he saw me prescribed some crème and said

**It's just a bad rash!**

No duh

So when I went to bed that night itchy, red and sore because

**I was allergic to the crème!**

Yes I was ( dumb @\$#!)

And so the only thing I could think was...

**I got stabbed by an orange tree!**

**Yeah! Yeah! Yeah!**

**And now I know there's something wrong with me!**

**Uh oh! No!**

**I got stabbed by an orange tree!**

**Yeah! Yeah! Yeah!**

**And now I know there's something wrong with me!**

**Uh oh! No!**

**(Short base/ drum solo)**

And so when I woke up the next day and looked into the mirror I screamed

**Like a lil' girl!**

Not really.

Because you see my skin was dark and felt rough to the touch.

**And I felt real thirsty!**

Very thirsty

And of cours not only that

But I was happy to discover

**That my hair grew back!**

And it was green

It also felt leafy and was longer then before so I went

Back to Doc!

And I said

Don't say theirs notheing wrong because look at me man I don't

Even look like me!

No I didn't

So he looked into my eyes my now totally green eyes and said sorry

I just don't know

Well we know I know...

I got stabbed by an orange tree!

Yeah! Yeah! Yeah!

And now I know there's something wrong with me!

Uh oh! No!
