Chapter 1 - Eye of the storm

2

1 - Eye of the storm

I am an inside out storm

Swirling emotions, fear my scorn

Sadness, angst, hits in waves

The day I die is the day I pay

For every wrong I've ever done

That's why I want to be one

I can't be inside out forever

Soon you will see, my true weather

The crash of thunder, against your ears

Is the day, that I fear

The flash of lightning, so white hot

Speaks of all, that I am not

The rage of waves, is my fate

Cold dark sea, die I may

So I give you the eye, of this storm

So you'll never be, the one I mourn
