Chapter 1 - I AM!

2

1 - I AM!

I am the one who will sit in the street and drink a coke

And not care

I am the one who listens to rock

And sing along with the music

I am the one who screams in the dead of silence

But because no one would say a word

I am the one who drives a lawn mower down the street

Because I love a good laugh

I am the one who will dye their hair bright purple

Because I want to make a statement

I am the one who says "so what" to the critics

Because I make my own opinions

I am the first one on the dance floor

Because no one else would dance

I am the one who will act serious in the crowd that laughs

Only because I want to stand out I am the one who wears a lime green jumpsuit and walks down the streets

Because I love it when people watch and stare

I am the one who parties

Because I love too

I am the one who types this

Because it is who am.
