Chapter 1 - Because He Said	2
Chapter 2 - Scarlet and Crimson	3

1 - Because He Said

She cries in her room alone at night
Wishing her dad wouldn't say such things

She gave up her writing
Because he said it wasn't good enough

She gave up her drawing
Because he said she had no talent for it

She gave up her singing
Because he said she wasn't good enough

She gave up her life
Because he said she wasn't worth it

2 - Scarlet and Crimson

Fighting

Screaming

Yelling

Crying

Sobbing

Cutting

Bleeding

Hating

Dying inside

Alone she cries

Fighting a battle

That has never been won...

...By her

He laughs

He rules

He commands

She cries

She yells

She screams

Crying in defeat she takes out her trusty friend

Holding the blade in her hand

She holds it up to her wrist
Letting her pain pour out
Laughing in pain
In spite of her father
Dripping scarlet and deep crimson
Her pain is played out slowly
Carving notes into herself
Reminders of her hate
How she dreams
Of escaping her hell
But her cruel warden
Keeps her on a tight leash
Cutting off her circulation to breathe
He gets what he wants
Dying inside
She longs to fight
For what she wants
Screaming out for another fight
But he kicks her while she's down
Again
She cries alone
Her friend comforts her pain
Covered in crimson he touches her skin
Again and again and again

Till the pain is covered by scarlet ribbons

She holds him close to her heart

Feeling nothing inside

She screams as he cuts a line

Diagonally across her chest

Screaming the crimson drips over her

Seeing the warden in her mind

She cries

Stalking

Watching closely

As he sleeps

Her friend cuts deep into his throat

Scarlet spilling every where

She finally won the war
