**Chapter 1 - The Secrets of Hatred**

# 1 - The Secrets of Hatred

When death creeps upon you fast  
You fear that you'll die at last...  
The secrets of hatred will fly by...  
And it only makes you want to cry...  
Living, lying, dying, crying...  
The darkness fills you to the top...  
And continues on with no stop...  
Tears of blood come down your face...  
While you look for happiness you've misplaced...  
I dream of peace and love in my mind..  
Darkness and hate is all I find...  
When I close my eyes I see a world in creation...  
Opening my eyes I see world domination...  
Happiness has all gone away...  
Because Hell has come into play...  
Hell won't stop or come to an end...  
And there is nothing we can do to defend...  
Unless we get together today and tomorrow  
And save this Earth from eternal sorrow.....  
Do you really want the darkness rain....  
Or can you help us stop the pain?...  
People are suffering ever day....  
And we need to help in every way...  
Don't reject people and leave them lost...  
Or Earth will end back like the Holocaust...  
If you don't agree to these terms...  
Just remember.....  
When death creeps upon you fast...  
You fear that you'll die at last...  
The secrets of hatred will fly by...  
And it only makes you want to cry...
