Mina sighed, "I hope they remember to pick me up.." Mina saw from the window that she was back in the US. When the plane stopped, Mina got off the first-class plane and looked around the airport, "No sight of Ryan and Sharpay anywhere." Mina sighed and turned around, "How was your plane sickness, Quatre?" Quatre glared at Mina, "I still wonder why I agreed to come." Mina smiled and walked around the airport, "Maybe we should go check around to see if they got lost." Quatre sighed, "You haven't seen them in eight years! You don't know what they even look like anymore!"

Meanwhile at the Evans' house...

Sharpay started to put on her make-up. Ryan sighed, "We were supposed to be there by now! It takes us an hour to get there and come back!" Sharpay rolled her eyes, "Shush." Sharpay finished putting her make-up on. "I only have to put on perfume and I'll be able to go." Ryan sighed, "Its been so long since we saw Mina and you have to take forever to get ready!" Sharpay gave Ryan a mean glare, "Shes our sister, it doesn't matter."

Back at the airport...

Mina went into a gift shop, "Where are they!?" Quatre patted Mina's back, "I'm sure they're on their way." Mina looked around and saw an American flag, "Hmm.." Mina checked the price and blinked, "Why is it \$20!?" She looked onto a tag that said, "Hand-made."

On the road...

Ryan sighed, "Sharpay will you just watch the road!" Sharpay was driving and talking on her cell phone, "Shush! No not you, I meant my brother." Ryan spotted the airport, "Here we are, finally.."

Back at the airport...

Ryan and Sharpay entered the airport and Sharpay looked around, "Where do we go?" Ryan's jaw dropped, "Come on!" Mina walked to wards a Starbucks in the airport, "I'm going to get some coffee!" Quatre nodded, "Alright." Quatre waited and spotted to blondes walking pass him. He mumbled and Sharpay heard a peep from him. "Excuse me, what did you mumble?" Quatre blinked, "Uh, nothing." Mina walked out of Starbucks and handed Quatre a cup of coffee, "There Quatre." Quatre blinked, "But I didn't ask for any, Mina. I only asked for-" He was cut off by Sharpay. "You're Mina!?" Sharpay said while looking down at Mina.

Mina nodded, "Yes, Mina Evans..." Quatre covered Mina's mouth, "Don't talk to strangers!" Ryan laughed, "We're not strangers, we're her older siblings." Quatre and Mina's eye grew wide. Quatre twitched, "You m-mean that you're Mina's brother and sister!?" Ryan and Sharpay nodded, "Duh."

Next to the Starbucks' entrance at the airport...

Quatre smiled, "Well Mina, looks like I'll be going! See ya!" Quatre walked out of the airport. Sharpay glared at Mina, "Who was that!?" Mina blinked, "Thats Quatre, he is my transfer classmate." Ryan looked around, "Its getting late, we need to go." Mina nodded, "I'll go get my stuff." Mina met with Sharpay and Ryan with one bag of luggage.

Sharpay's car (oh boy)...

Sharpay was going 70mph on a 55mph highway. Mina blinked, "Sharpay slow down abit! I get car sick!" Sharpay rolled her eyes, "Yeah right." Mina started to feel dizzy, "I'm getting sick now!" Sharpay blinked and pulled to the side of the road, "Don't you dare mess up my car!"

Sharpay's Car and outside of car...

Mina recovered from her sickness and got back in the car. Sharpay continued to go 60mph and finally got to the house.

Evan's mansion...

Mina looked around, "Do I still have my old room?" Sharpay blinked, "Duh." Mina went to her old room and blinked, "THIS IS NOT HOW I LEFT IT!" The room had pictures of Troy Bolton on the walls and photos of Troy playing basketball on the floor. Sharpay ran into the room, "Don't blame me. You were gone so long, I had to put my treasure somewhere." Mina's jaw dropped, "Just get this stuff out of here!" Sharpay rolled her eyes and started to clean up.

After Sharpay was finished, the room looked the same like Mina left it. Mina, Sharpay, and Ryan fell asleep.

Morning at the Evan's mansion...

Mina woke up and started to make rice balls with seaweed wrapped around them. Sharpay and Ryan woke up, "Whats that smell?" They both walked down the stairs and saw Mina cooking, "What do you think you're doing this early!?" Mina blinked, "Cooking breakfast." Sharpay rolled her eyes, "Uh-huh.." Sharpay took one of the rice balls and took a bite out of it. She blinked, "These are..delicious.." Ryan and Mina blinked, "Really!?" They ate breakfast and got ready for school.

Sharpay and Ryan got into their cars. Mina left early to memorize her classes. Sharpay rode by Mina, who was walking to school. She stopped the car, "Mina, want a ride?" Mina blinked, My moment of bliss. "Uh, s-sure.." Mina got into the car. Sharpay floored the car and started to go 75mph.

2 - Mina's First Day At East High

Mina gave Sharpay a mean glare. Sharpay smiled, "Almost there!" Sharpay pulled the break and they were at East High's parking lot. Mina started panting. Sharpay rolled her eyes, "Children.." Sharpay got out of the car to find Ryan (wherever he was). Mina looked around the school and bumped into a girl, "Gomen." The girl looked up at Mina, "What did you say?" Mina sighed, "I said sorry in Japanese. Sorry, if I confused you." The girl smiled, "I'm Gabriella Montez." Mina smiled back, "I'm Mina Evans. Nice to meet you Gabriella." They both walked up the stairs to go to their homeroom class.

Mina walked into the room and blinked, I get stuck with Sharpay and Ryan for homeroom!? Ms. Darbus came into the room, "Sit everyone." Mina sat next to Troy. Sharpay gave Mina a glare. Troy took his cell phone out secretly and looked at the picture of Gabriella. When Troy turned his phone off, a ring was heard. "WAS THAT A CELL PHONE!?" Ms. Darbus yelled as she watched Sharpay, Ryan, Gabriella, and Mina take out their cell phones to see if it were theirs. Ms. Darbus went around the room to collect their cell phones. "We don't allow cell phones in class, Ms. Montez. Everyone here that I spotted with a cell phone, detention today!" Chad commented on the detention list, "That's impossible, we got practice." Ms. Darbus looked over at Chad, "Detention for 15 minutes, Chad." Taylor commented, "That's 900 seconds if he can't count." Ms. Darbus slammed the bucket of cell phones on her desk, "Taylor, 15 minutes for you too!" Mina sighed.

Sharpay gave Mina a glare. Mina rolled her eyes. The bell rang and Mina and Gabriella walked out together and bumped into Troy. "Gomen." Mina said still rubbing her head. Troy blinked, "Huh?" Gabriella looked down at Mina, "She means sorry." Troy noticed Gabriella, "It's you!" Gabriella looked up at Troy, "I can't- "-Believe it!" "Me-" "-Either" Mina looked up at the two, "You two met each other?" They both nodded, "Snowboarding place." Mina nodded, "Right.." I have no clue what they mean.

Gabriella, Troy, and Mina walked around the corner of the hallway, talking and looked over at the audition list, "I bet you want to sign up." Troy said. Gabriella shook her head, "No, I just want to get to know the school. But if you sign up, I'll come and watch." Troy shook his head, "That's completely impossible." "What's impossible Troy? I didn't know that was even in your vocabulary?" Mina blinked, Great, it's Sharpay.. Sharpay looked over at Gabriella and Mina and gave them a glare, "Oh, so nice to show a new classmate and my sister around." Sharpay took out a red sharpie marker and signed her name on the pair auditions list, completely covering it. Mina rolled her eyes and started to mumble, "Spoiled brat.." Sharpay turned around and put the lid back on the marker, "Oh, were you want to sign up too? My brother and I have starred in all the school's productions and we really welcome newcomers. There's a lot of supporting roles in the show. I'm sure we can find something for you." Gabriella shook her head, "No no no, I was just looking at all the bulletin boards. What's going on at this school?" Gabriella walked past Sharpay and looked at the auditions list, "Nice penmanship." Sharpay smiled and nodded. Mina rolled her eyes and followed Gabriella. Sharpay walked up to Troy, "So Troy, I missed you during vacation. What did you do?" Troy looked over at Sharpay, "Played basketball, snowboarding, more basketball." Sharpay smiled, "When's the big game?" Troy smiled back, "Two weeks." Sharpay stopped smiling, "You are so dedicated, just like me!" Troy and Sharpay laughed a bit. "I hope you come and watch me in the musical, promise" Troy nodded and walked away. "Tootles!" Troy turned around, "Oh, tootles." Sharpay glared at Gabriella and Mina walked away.

Mina sighed, "Why can't my sister face the fact that Troy Bolton and I are just friends!" Quatre patted Mina's back, "Well, she likes him, you gotta face reality Mina. Its not Tokyo anymore. We can't just show them a sushi bar and they forgive us." Mina looked up at Quatre and gave him a confusing look, "That never works." Quatre blinked, "Oh yeah..." Gabriella looked at them, "You do remember we have detention right?" Mina nodded, "I haven't forgotten." Quatre blinked, "Detention on the first day of school for us, wow Ms. Darbus is pretty tough." Ms. Darbus walked over to the three, "Detention for you Quatre." Mina and Gabriella started laughing.

3 - The Audition List

Troy looked at the audition list and walked back to practice. Mina walked around talking to Gabriella and Quatre and stopped to look at the audition list with Sharpay's name written on the pairs audition. The trio walked off. Sharpay walked by and Ryan grabbed her arm, "Troy, Gabriella, Quatre, and Mina were looking at the audition list." Sharpay gave Ryan a confused look, "Really?" Ryan nodded. Sharpay and Ryan walked into the library to check on the three new students. After looking at the info for all three, Ryan and Sharpay's jaw dropped. Not knowing that their sister and her friend weren't lying about the 30 musicals they have been in, it made Sharpay think of a plan. Ryan looked back at Gabriella's info, "Einstienette...You think they are interested in our musical?" Sharpay smirked, "I don't think Gabriella is really interested, but our little sister sure is.." Sharpay pressed the "print" button on the computer to print out sheets of Gabriella's scholastic decathalon information.

At detention, Quatre, Troy, and Chad were working on a tree, Mina and Gabriella were painting a moon, and Sharpay and Ryan were putting golden decorations on a ladder (they could always trip on the ladder's decorations >.> ever thought of that?). Taylor ran towards Gabriella and Mina, "Yes!" Gabriella and Mina looked at Taylor in a confusing way, "Huh?" Taylor started chatting, "Our Scholastic Decathalon's team has its first competition next week and there is currently a spot for you." Gabriella looked at the papers, "Where did you get those papers?" Taylor raised an eyebrow, "You did give them to me, didn't you?" Gabriella shook her head, "No." Taylor and Gabriella continued talking until... "What a perfect way to get caught up, meeting with the smartest kids in school. Great offer Taylor." Taylor walked away. Mina rolled her eyes, She just won't give up... Ms. Darbus walked by to break up the group. "The drama club always needs help.." Ms. Darbus started scolding everyone about cell phones and drama. Coach Bolton came rushing into the auditorium, "Troy, Chad, to the gym now!" Troy and Chad left while Quatre had to finish the tree.

Ms. Darbus and Coach Bolton left to talk in the office with the Principal, Mr. Matsui. Everyone in the auditorium left with work undone. Quatre went to his family's diner to do his part-time job. Mina opened the locker and saw a note fall out of it.

Meet at park across street. Ryan and I have something to discuss.

~Sharpay

Mina was abit confused, Sharpay and Ryan left early to do something, but never told her. When Mina reached the park, she spotted Sharpay and Ryan. "So, why am I here?" Mina asked Sharpay. Sharpay and Ryan let out a sigh, "Mina, remember when you were three you had to leave to go to Japan?" Ryan said to Mina. She gave Ryan a nod. Sharpay continued for Ryan, "It wasn't because our father wanted you to go...its just that....you were being hurt by our parents.." Mina didn't understand, "What do you mean?" Ryan sighed, "Sharpay means that, we both had to send you to Japan before dad could try to kill you. It was for your safety." Mina stood there, shocked, "Why didn't you two get sent also?" Ryan and Sharpay sighed, "We both were sent to a foster family and then got sent back to our mom." Mina went to her knees and had tears falling from her face. Sharpay and Ryan comforted Mina for a while and they went home.
