These are some short poems I wrote. I think they're pretty good. The first ones a little scary but thats what you get when you mix koolaid and soda. enjoy.

1. The Reason That I breathe

Disclaimer: Ok, I own these poems but I DO NOT own the teen titans, I wish I did, but I don't.

Note: this one kinda creeped me out. It's all stalkery and stuff.

The reason that I breathe
I want to save you when you scream.
I want to be in all your dreams.
I want to hold you when you sleep.
You are the reason that I breathe.

I'm here when you're awake.
I'm watching every move you make.
I'll follow every step you take.
You are the reason that I breathe.

Do you even know I'm here?
Protecting you from what you fear.
I've always hold you dear.
You are the reason that I breathe.

2. Memory

Note: This is a poem from BBs point of view talking about the moment at the end of The Beast with In

Memory

Im lying here, in my bed
One thought keeps running through my head.
One bitter sweet memory
of me and you, you and me
We were looking out into the sea
For a moment we were meant to be
I was upset but you cheered me up
Then I joked around
you said you had enough
I dont know if god could hear me
But I prayed that youd always be near me
and you didnt leave...

*It sounds good if you read it really fast and then slow down on the last line.
