1. Uh Oh

I was outside playing fetch with my dog Jazzie when my mom said " Marni time for dinner! " "Kay! " I replied. So I put the ball down and went inside. " So what's for dinner? " I asked. "Spinach and pork ". Mom replied. " Oh crud! " I said. " What's wrong? " Mom asked. " Uhhh((Aww man I hate spinach and pork thare even worse together I have to come up with something quick maybe Shelby can have me over for dinner)) Uhhhh I forgot that I was invited to eat dinner with Shelby. " I said quickly. " You sure? " Mom asked. " Uh ya how about I call her to be sure she remembered. " I said. " Okay. " Mom said giving me the phone and I dialed her phone number. " Hello? " Shelby's Mom answered. " Hey Is Shelby there? " I asked. " Yes whose calling? " She asked. " Marni. " I replied. " Okay I'll go get her for you. " She said. "Hello? " Shelby said. " Hey Shelby it's Marni. " I said. " Hey Marni what's up? " She asked. "Um let put it this way my Mom is serving spinach and pork for dinner. " I said. " And you are trying to ask if you can come over for dinner at my house. " She said. " Uh huh." I said. " Okay I'll ask my Mom. " She said. " It's alright. " She said after a while. " Okay see you in five." I said hanging up the phone. " Hay Mom is it alright if I bring Jazzie over too? " I asked " Uh huh. " Mom replied. " See ya later Mom! " I said going next door.....Ding dong!.. " Oh hay Marni come on in. " Shellby said.

(After dinner)

After dinner a thunder and lightening storm started so I couldn't go home yet so we put a Yu Yu Hakusho dvd in and got our Yu Yu hakusho cards out. " HA I WIN! " I said after five minutes. " No fair you always win! " Shelby complained.

(outside)

Meanwhile outside a huge bolt of lightening hit Shelby's satelite dish.

(Inside)

" AAAAAAAAAAAHHHHHHHHH!! " Shelby screamed. " Get a grip Shelby it's only a power outage . " I said taking a step forward and then the t.v started to backfire. "AAAAAAAAAAHHHHHHHHHHH!!! " We screamed as we got sucked in.

2. A Different Demention

" AAAAAAAHHHHHH! " We screamed. " Owwww. " I said as I landed on a side walk. "Where are we? Huh?? Shelby where are you! " I got up and looked at my hands. "EEEEEEKK!! MY HANDS ARE CARTOONS!! " I sceamed as I twitched my ears. ((Wait a minute ears!)) I thought feeling my ears. " WHAT THE HECK!!! " I said touching my ears.((They feel like fox ears...do I dare to look back))" 0_o What the heck " I said as I looked at my puffy brown tail. ((Okay this is weird)) I thought as I started to walk not looking where I was going and then.....BANG!! " Sorry." I said looking up. " Shelby!? " " Marni!? " "It's really you! " We said at the same time. Shelby had wolf ears and a puffy gray tail and looked a bit taller than usual. " Is it just me or did you git a bit taller? " She asked as we started to walk. " Me? I think your the one that got taller. " I said. " Hmmm...I think that we some how got transported into a different demention when the t.v sucked us in causing us to look about fifteen years or something. " Shellby said. " 0_o Uh huh ((It kinda scares me when she does that)) I thought. Not looking where I was going agan there was another....BANG! " Sorry x_x. " I said. " Well you should watch where your going. " A familiar voice said. I looked up O_O and gasped I had bumped into Botan!

I think I made this chapter a little short -_-;; oh well.

3. The Whole Yu Yu Gang

"I am so sorry!" I said. " Oh my gosh your Botan! " Shelby said. "Uh do I know you, and how do you know my name?" She asked. "Uhhh long story." I said. " May I ask who you are? " A Very familiar voice said. " Huh! " I said as I turned around saw a guy with red hair and green eyes and fainted.

"Marni , Marni are you alright?" Shelby asked. "Uhhh I think so. I thought I saw Botan and Kurama, I'm glad it was all a dream." I said. " Uhh Jasmine I don't think it was a dream. " Shelby said. " What!!! " I said looking around and saw Botan, Kurama, Yusuke, Kuwabara and Hiei!! " O_O " Spechless just as I predicted. " Shelby said. " So what are you girls doing out here at night? " Kuwabara asked. " We're lost.....sorta." Shelby answered. " How can you be sota lost your either lost or not. " Hiei said. " Well you see we were sucked into are t.v and some how transported here. " Shelby said. Everybody stared for a momment and then started to laugh(everybody exept Hiei of corse). " HAHAHAHAAAAHA That's the most stupedist thing that I ever heard HAHAHAHAAAAHAHAHAHAHA!! " Kuwabara said. " Besides you. " Shelby said. " HEY!! " Kuwabara said and that made everybody laugh even harder.

(Twelve minutes later)

" Are you telling me that where you come from we are just some stupid cartoon called Yu Yu Hakushoe! " Hiei said. " Sho not shoe. " Shelby corrected." Hn whatever. " Hiei replied. " Yep." I said. " Since you two have no where to go how about you stay at my house my mother is out of town but she probably would not mind. " Kurama said. " OKAY! " Me and Shelby said.

4. Kurama's House

" Wow...nice place you've got. " I said looking around the house. " Make your selfs at home. " Kurama said.

(Five Minutes Later)

" What the What was that? " Shelby asked. " What was what? " I said. " I heard something outside. " We'd better take a look. " Kurama said. I opened the door and we went outside.

" Are you sure we should be out here? " Shelby asked in a scared voice. " Scardy wolf. " I said, Just then a huge lizard like shape with wings appeared from the side of the house.

" GRRRRRROOOOOAAAAAAAAAAAAAAAAAR!!!!!! " The creature shouted

" 0_0 Do you think we should run? " Shelby asked me. " 0_0 ...Ya think. " I replied.

The creature started to walk slowly toward us and into the moon light. " Oh...my..gosh. It's a real live Dragon! " I said looking at the white Dragon with black tipped spines on it's neck.

" GRRRRRAAAAAARRR!!! " The Dragon bellowed. " Uhhh I think we should start

running now. " I said nervously. " Uh huh. " Shelby answered. Then the Dragon charged

right at us. " RUN " Kurama shouted. " Who's the scardy wolf now! " Shelby asked "You still I'm a fox demon! " I replied. " Oh ya! " Shelby said. " Shouldn't we find the others Kurama? " I asked. " Yes we can not fight a Dragon by ourselves! " Kurama said.

5. DRAGON!!!!

" Can't *gasp* keep *gasp* running *gasp* must *gasp* stop *gasp*." Shelby said, gasping for air. " Keep running or do you want to become dragon chow?!!!" I said to Shelby." Don't worry were almost there." Kurama said. " Finally!!" I shouted after a few minutes of running and Yusuke's house came into view. " YUSUKE GET YOUR LAZY BUM DOWN HERE!!!!!!" I shouted at the top of my lungs. " WHAT THE *Bleep* IS GOING ON OUT THERE, HUH?!!!!!!" Yusuke shouted looking out of his window. " What the -?!" he said as he spotted the dragon chasing us. He then ran out of his room and came out the door. " SPIRIT GUN!!!!!!" Yusuke shouted pointing his index finger at the dragon. The beam of light hit the dragon head on and it stopped in its tracks. " *Gasp* It didn't even leave a mark!" I said surprised that the spirit gun didn't work. " Grrrrrrrrrrrr!" The dragon growled at us looking a bit annoyed. By then our facial expressions resembled something like this 0_0. "GRRAAAAA-or?!" the dragon looked towards the mountains and then flapped its wings and flew off towards them. " Oooooookaaay. O_o That was weird." Shelby said. " What the heck is going on?" Yusuke asked. " Don't know." I said. " How about we get some shut eye and talk about this sometime tomorrow?" Kurama asked. " Fine" Me, Shelby and Yusuke said at the same time. We said bye to Yusuke and then we went back to Kurama's house. "You two can sleep in the guest room. There is a bunk bed so you don't have to sleep on the floor." Kurama said. "Thanks. Night Kurama." Me and Shelby said and then got into bed and went to sleep.

I hope you enjoyed it. PLEASE COMMENT!!! -^_^-

6. The Nightmare

Dream start I was in a weird all black place, all alone. " Shelby? Kurama? Where are you guys?" I said talking to myself when all of a sudden a dark shape with glowing red eyes appeared out of nowhere. " Grrrrr..... " The dark shape growled at me bearing its fangs.

" Mommy." I udderd realizing it was a VERY big blue dragon with thick horns pointing forward on the sides of its head. The dragon charged without warning opening its massive jaws and letting out a blood curdling " GGGRRRAAAOOOWWWRRR!!!" " AHHHHHHHHHHH!!! " *Dream end* I bolted up straight, screaming. " AAHHHHHHHHH!!! WHERE'S THE FIRE!!!" Shelby screamed also bolting up straight hitting her head on top of the bunk bed.

" Owwwww... " she said. " Sorry for waking ya up Shelby but I had a VERY scary nightmare." I said. " S' alright. But next time I'M sleeping on the top of the bunk'. Kay?" She said rubbing her head. *Yawn* " I'm going back to sleep... Night Shelby." I said. " Night." she replied.

(In the morning)

Nnnn..... *Yawn* Morning Shelby.... Shelby?" I said looking down at Shelby. " Still sleeping, huh? *Evil grin* I'll fix that. " I said mischievously. " Shelby time to get up." I said whispering in her ear. " Five more minutes Mommy....." she said. " I said.... TIME TO GET UP!!!!!!" I shouted right in her ear. " YAAAAAAHHHHHH!!!!!! WHAT THE HECK WAS THAT FOR HUH?!?!?" Shelby shouted. " Hehehe... Sorry Shelby, I could not resist, heheheh. " I said chuckling. " Grrrrr..." She growled at me flattening her wolf ears. " Breakfast!" Kurama shouted. Both of our ears perked up at the word 'Breakfast'. Then we got dressed and went racing out of the room. " Ha! I win!" I shouted. " Only because you slid down the railing of the steps." She said annoyed.

(After Breakfast)

" How about we go for a little walk in the forest?" Kurama asked us. " Okay." Me and Shelby said.

I know the last part is a bit short but I couldn't think of anything else at the moment. ^_^;

Next chapter coming soon! ^_^

7. The Trio Of Three

" Hey Kurama, is it just me or is there something in the bushes?" I said as I heard something.

" I don't think that was just you, Marni." Kurama said. " Uh, then you think we should start running?" Shelby said nervously. " There's no need to run." A boy about seventeen with a scar on his left cheek, blue wolf ears, wolf tail, blueish green Dragon wings, bright yellow eyes and blue hair pulled back in a pony said. " Who are you and what do you want?" I asked flattening my ears and slightly baring my fangs. " Hey, I mean you no harm so quit baring your fangs at me, kay? The name's Yuki." The boy said calmly. " Do you think we should trust him?" I asked Shelby. " I guess..." She replied. " Okay.... Well, I'm Marni and these are my friends Shelby and Kurama." I said. " Nice to meet ya. Anyway, do you happen to know a girl with long dark brown hair with brown eyes and a boy with brown hair and dark brown eyes?" he asked. " Uh huh, but it couldn't be...." I said thinking about two of my friends back in the real world. " Then I believe these two are your friends." He said and then he whistled for somebody. After a minute two people came into view. " Maggie! Cove! What the HECK are you two doing here?!" I said surprised to see them in this world. " We have absolutely no idea, but I'm happy to see you guys cus mister bird brain over here is very annoying! I can barely stand him!" Maggie said. " I can hear you ya know cat girl!" Cove said with a ticked off look, but Maggie just stuck her tongue out at him. Like us they had some animal like features: Cove had falcon wings(Which explains why Maggie called him 'mister bird brain') and Maggie had cat ears and a cat tail with a bright pink bow with a bell near the end of her tail and her eyes had slits instead of regular pupils. " Alright you two, break it up!" Yuki said

(5 Minutes later)

" Wait a minute! Are you telling me we have been transported to Yu yu Land?!" Cove shouted. "Uh, Yah." Shelby said. " Hey Cove." " Huh?" " Did you try to fly yet?" I asked. "Yah..... except I ended up flying into a tree." He said with a embarrassed look on his face. Me and Shelby tried to hold in our laughter but couldn't help it. "HAHAHAHAHAHAHAHAHA!!!!!! YOU ACTUALLY FLEW INTO A TREE!! I'D PAY TO SEE THAT, HA HA HA HA!!!!!!" I laughed. " HAHAHAHA!!!!!! DITTO, HAHAHA!!!!" Shelby agreed. " Shhh!" Yuki said suddenly. " What is it Yuki?" Cove asked. " I hear something." He replied with his ears perked up, listening hard. All of us stood there listening. " AHHHHHHHHHHHHHHHHHHHH!!!!!!" We heard someone scream. " That voice sounds familiar...." I said. Me, Shelby, Cove, and Maggie looked at each other with weird/funny faces realizing who it was. " TYLER WE'RE COMING!!!!" we all shouted running toward the voice leaving Kurama and Yuki(and probably you readers) clueless.

8. The Gray Little Puppy Tyler

" HEY WAIT FOR US!!!!!!" Yuki and Kurama said at the same time. " ROOOOOOOOOOAAAAAAAAR!!!!!!" " -0.0- Don't tell me..... another dragon." I said. " HEEEEEEELLLL!!!!" Tyler shouted. This time it was a black dragon with spines on its neck and a little of white on the tip of its tail and it chased Tyler up a tree. " Rose Whip!" Kurama shouted as he pulled out his rose, but the rose whip had no effect on the dragon. " Wolf ice punch!" Yuki shouted as he ran straight towards the dragon, and his right hand started to glow a icy blue color. " Graaaaaaaaaa!" The dragon roared as Yuki punched it right in the head. " Nice one Yuki!" I shouted. " Grrrrr?" The dragon said and then it started to run towards the mountains. " O.o;; Okaaaay... hey Tyler you can come down now." I said looking up at the tree that he was in. " You sure it's safe?" he asked. " Yes, now come down all ready." I said. " Okie dokie." he said. " Awwww he's so CUTE!!" Said Maggie twitching her cat ears and tail making the bell ring a little. Tyler had gray puppy ears and fluffy puppy tail with a darker gray tip. " Yah yah yah... does anybody know what's going on and why do we look weird?" he asked.

(Five Minutes Later)

"Are you telling me we've been transported into a Cartoon!!" Tyler said. " Anime. Not cartoon" I said. " Whatever..." he said. "Hey Kurama, got more room for four more people?" I asked. " I guess I can squeeze in a few more people ^_^;;" Kurama said. " What the heck was that?" Shelby said. " What was what?" Maggie said. " I heard something in the bushes again." Everyone looked at Yuki. " Don't look at me." he said. " Then who the heck was it?" Cove asked, then soon got the answer. " Arf arf!!" Jazzie barked as she jumped on Cove and licked his face. " Haha, that's Jazzie for ya!" I said laughing. " Hn. I thought that thing was yours, she got a little annoying so I looked at her name tag." Hiei said coming out of the bushes. " I was wondering what happend to her and was getting a little worried... Thanks Hiei!" I said giving him a happy look while pulling Jazzie off of Cove. " Hn... Whatever..." Hiei said. " Hey... Isn't he that moodie guy that you have a crush on and and never stop talking about and have a plushie and a poster of him?" Tyler said pointing at Hiei not realizing how embarrassing it was to me for him to say that. " *Blush* I don't know what your talking about!" I said quickly with a very embarrassed look on my face(Cus it was true). " But-" Tyler started but I gave him 'The Look' which made him shut the heck up. By now though, everyone either had a grin or a confused look on their face. " *Blushes even harder* Uh.... How about we go back to the house just in case that dragon comes back?" I said with a embarrassed look still on my face. " Yes, lets go back." Kurama said(being the very generous person he is) realized how embarrassed I was, and was trying to change the subject. Then everybody started walking towards Kuramas house, but Hiei was walking a little behind us with his head turned away so that no one could see it, but I turned my head a little so I could see his face and realized..... He was slightly blushing!!(*Gasp!* HIEI'S BLUSHING!!! IT'S THE END OF THE WORLD!!!!!! j/k ^_^;;)

Heheheh.... Wanna find out what happens next? You 'll just have to wait for the next chapter! -^_^-
