Goodbye, Cruel World

Goodbye, cruel world,  
I bid you adieu  
'cause it's quite apparent  
that my life is through.  
She no-longer needs me  
to hug her and love her.  
She's now gonna leave me,  
leave me to suffer.  
Wallow in my sorrow's  
and drag out my cares  
you'll try to meet me,  
but I won't be there.  
I'll be in a place  
that's far, far away  
'cause I've found the path  
to a much brighter day.  
Goodbye, cruel world  
it is far much too late.  
I'll eventually see you again,  
but don't hold your breath  
while you wait.
