*just a poem i wrote for someone i like

Hope you like it*

1. Wandering in darkness

I'm wandering around
Wandering in darkness
But then you came
And I never felt the same
You as a light
Oh so bright
A light in my life
A light that saved me from a dive
A dive in darkness
A dive so lonely
Falling in pain
But you saved me
And nothing is still the same
I thank you so
So very much
You saved me
Saved me for life
