Death By illusions

So many things have happened
I don't know what to think
Reality is no longer real
Into Shadow I will sink.

I see myself still alive
But yet i feel so dead
People say that I'm ok
But my heart is filled with dread.

Things that I see and touch
Still seem so out of reach
Fantasy steals my sanity
Draining me like a leech.

My soul is lost within a realm
of lifeless black and white dreams
Everything is an illusion
Nothing I see is what it seems

Im not among the living but I don't walk with the dead
Im lost somewhere in between
Im caught in the middle of these two worlds
The living and the ghostly unseen.
