1. We'll Pave Paradise

I decided to make another fic using a song. This one involves the Tallest. The song I'm using is They Paved Paradise. I hope everyone likes it. I feel sorry for Blorch right about now.

We'll pave paradise and put up our parkin' lot
With a pink hotel, a boutique, and a swingin' hot spot
Just make it all seem to go
They won't know what they got till it's gone
We'll pave paradise and put up our parking lot

Let's take all the trees, and put em in a tree museum
And we'll charge the people a dollar and a half to see them
Just make it all seem to go
They won't know what they got till it's gone
We'll pave paradise, and put up our parking lot

Hey farmer, farmer, put away your DDT
They don't care about spots on their apples,
I guess we can leave the birds and the bees
Just make it all seem to go
They won't know they you got till it's gone
We'll pave paradise and put up our parking lot
Hey now, we'll pave paradise to put up our parking lot
Why not?

Listen, late last night, he heard the screen door slam
And a big yellow taxi took his girl away
Just make it all seem to go
They won't know what they got till it's gone
We'll pave paradise and put up our parking lot
Well, just make it all seem to go
They won't know what they got till it's gone
We'll pave paradise to put up our parking lot
Well now, we'll pave paradise
And put up our parking lot

They don't wanna give it
Why they wanna give it
Why they wanna givin it all away
Hey, hey, hey
Now they're gonna give it
They should give it
Now they're gonna givin it all away

Hey, pave paradise, put up our parking lot
Pave paradise, and put up our parking lot
