This is for my close friend that has tough family problems.

1. Family Problems

Why do you parents fight so much?

It makes me feel so uncomfortable.

I like spending time with you,

I just wish they would get along.

I know how much you love them

And I understand you bond well,

But they're pulling separate ways.

You've got to realize that.

I'm sorry that all of this is happening to you.

I know it eats away at you,

But seriously face facts

They're not going to be together much longer.

I don't know what more I can tell you

Just that I'm sorry and you'll pull through.
