1. Untitled

Herriman complains
I didn't make my bed
He's picking me apart again
He sees a stain
He nags at Wilt and Ed
I hate it when he moans again

I don't want to be that guy
Who has the snooty name
'Specially when he says
That I'm the one to blame

I don't know what's that guy's problem
Or why he likes to scream
I don't know why he instigates
And likes to act real mean
I don't know how he got this way
I know it's not alright
So I'm hating the rabbit
I'm hating the rabbit
Tonight

Shaking his head
When I just slammed the door
I try to curse his name again
He nags much more
Than any friend before
He says the house rules yet again

I don't want to be that guy
Who has the snooty name
'Specially when he says
That I'm the one to blame

I don't know what's that guy's problem
Or why he likes to scream
I don't know why he instigates
And likes to act real mean
I don't know how he got this way
He'll never be alright
So I'm hating the rabbit
I'm hating the rabbit
Tonight

Bendy paints on the walls
And I'm the one at fault
Please never nag again
And let this whole thing end

I don't know what's that guy's problem
Or why he likes to scream
But now I have this parody
to show you what I mean
I don't know how he got this way
He'll never be alright
So, I'm hating the rabbit
I'm hating the rabbit
'm hating the rabbit
Tonight
